Alpha, Omega, Alpha Don English,2010-05 After studying and preaching Revelation, Don English was left with many unanswered questions. Given an opportunity by God, he spent a full year studying only Revelation: reading, praying, and asking God for answers. Believing that God, through his Holy Spirit, had given him some answers that he could not find elsewhere, Don determined to put these answers onto paper; and so, Alpha, Omega, Alpha was born. A practical, common sense approach to the book of Revelation, Alpha, Omega, Alpha is a must-read for serious Bible students and new Christians alike. Using sound interpretation principles, this book will challenge the reader to read more critically the information that God gave to his apostle John. Follow along with the author as he reveals the meanings and messages behind the events—from the resurrection of the dead and the seven seals to the final battle and the final judgment—in one of the Bible's most important books. Alpha, Omega, Alpha will give the reader the zeal and the desire to further study and understand the message from the hand of God.

Alpha and Omega Harry Turtledove,2019-07-02 New York Times bestselling author Harry Turtledove reveals a new side of his potent imagination in a gripping speculative novel about the End of Days—and a discovery in the Middle East that turns the world upside down. What would happen if the ancient prophecy of the End of Days came true? It is certainly the last thing Eric Katz, a secular archaeologist from Los Angeles, expects during what should be a routine dig in Jerusalem. But perhaps higher forces have something else in mind when a sign presaging the rising of the Third Temple is located in America, a dirty bomb is detonated in downtown Tel Aviv, and events conspire to place a team of archaeologists in the tunnels deep under the Temple Mount. There, Eric is witness to a discovery of such monumental proportions that nothing will ever be the same again. Harry Turtledove is the master at portraying ordinary people caught up in extraordinary events, and what is more extraordinary than the incontrovertible proof that there truly is a higher force controlling human destiny? But as to what that force desires . . . well, that is the question.

The Mystery of the Alpha and Omega John H. Shumaker,2007-09 Do the Scriptures really identify who the Messiah is and what His role is to be? Author John Shumaker takes an in-depth look into the original Hebrew Scriptures in his book The Mystery of the Alpha and Omega and reveals something hidden for our discovery. Proverbs 25: 2 says, It is the glory of God to conceal a matter, But the glory of kings is to search out a matter. (NASB). God has hidden in the original Hebrew text the role of the Messiah?the role that Messiah Yeshua (Jesus) fulfilled to the very letter recorded in the original text. In his book The Mystery of the Alpha and Omega, Shumaker takes us to eighteen of these verses and reveals to us something hidden within the text of the Tanakh (Hebrew title of the Old Testament) and revealed through the person of the Messiah Yeshua in the New Testament. This is truly a scriptural revelation!

THE BOOK OF REVELATION FROM ALPHA TO OMEGA Roy Martin,2019-10-22 Roy Martin is a college graduate with thirty-one years of service as an employee with the United States Government, but this is obviously not what qualifies him to write the Book of Revelation From Alpha to Omega. What would qualify someone to write about the very book in the Bible that many people shun, even preachers? The only requirement is that God calls for any task is at God's discretion. He doesn't have anyone he depends on to help him make his selections. Roy was leading a Bible study group in his church when someone said they would like to study the book of Revelation. Roy agreed to continue to lead the study group. He did in-depth research and kept detailed notes of what he found. After about six study sessions, Roy said that God spoke these distinctive words to him, I want you to put this in a book. Shortly after this, God spoke to him again and said, e title of this book shall be ñ e Book of Revelation From Alpha to Omega. What a title! Whenever the writing became very difficult, Roy would remember the title, and it would inspire him to press on.

Cry Wolf Patricia Briggs,2013 The first Alpha and Omega novel--Cover.

The Alpha and the Omega Steven B. Riddley,2013-10-17 In God We Trust Our nation is undergoing a national reckoning for sins of descendants of generations past. The evil done by our descendants are the generational curses that we are now unprepared to accept; that is, the reality of what these evils of the past we have inherited in our disobedience to the God we profess to serve has now given us over to the enemy of our souls to deliver in masses the souls of this generation into such carnage that will lead to our ultimate destruction. Our sins as a church and a nation have found us out. Thats why America is on fire and as a recent sign to get our attention, nineteen souls were sacrificed in a fiery hell for the injustices not only to our own citizen but around the world as self appointed policemen. This is the curse upon us as the scenarios will lead up to God turning our enemies on us until we will no longer exist at all as a nation. This article, I writing under duress with tears of sorrow for a once great nation I have been privileged to be born. What we see are all the sins of mankind's inhumanity against him self as his sins have found him out. What I have been made to see and understand through the inspiration of the Holy Spirit, all the sins of mankind are now being exposed and he has no idea of whats behind these tragedies we are now witnessing. This is the time Satan has been given to fulfill all things spoken in the scriptures, whether you believe or not, none will escape the horror. We as a nation, carrying the title, In God We Trust as a professing Christian nation, link to the real God we were told to trust in as a nation. This covenant was pass to this gentile nation from the Jews that rejected Christ. We are that gentile nation, the recipients of the Abraham covenant. God anointed this nation (America) with this covenant in its birth In God We Trust to prosper. Our legal tender bares the covenant seal with God that has prevented any nation from committing acts of aggression on our soil until Israel was restored as a nation in 1967 that recaptured their capital Jerusalem; this gives them biblically full nation status. This covenant was made with us for that purpose only. Now that has come to pass, the last forty years will end with a seven year warning; 911. From Sept. 11, 2001 until that date in 2008 of that year and month, we have been protected by Gods divine hand holding back what the devil who has already justified before him through the law of sin and death, our destruction. Man through the enemy of his soul by not knowing what spirit posse him has reached the point of eminent self destruction of all creation if God would permit it. I am somewhat overwhelmed with tears to have to speak such things to a deaf generation of confessing Christians whose lights are out to this world to the point that they would have no hope if God did not intervene to save them. Within this covers are the revelation leading up to this end time scenarios. May God have mercy on all that call upon his name? The Author

The Alpha and the Omega of Apostasy Julius Gilbert White,2016-05-04 Ellen G. White, in Testimonies, Series B, No. 2, p. 16, wrote the following: Be not deceived; many will depart from the faith, giving heed to seducing spirits and doctrines of devils. We have now before us the alpha of his danger. The omega will be of a most startling nature. Julius Gilbert White (1878-1955) well understood this message, he could clearly see what the alpha of apostasy was and what the omega would be, and he also understood the dangers involved. In this work the reader will find a message that is easy to understand, and it is our hope that the materials found in it will be of great value to all who open its pages with the purpose of wanting to know more of God's holy will.

Jesus—The Portrait and Inscription of God George Paki, “If we want to understand what God was telling John about the future, we need to first understand what John understood.” —Professor Jon Paulien, Loma Linda University, USA In Jesus—The Portrait and Inscription of God, the author pours his years of research into addressing the issue that Jon Paulien highlights. Paki builds an intriguing case for a dual-focused method of interpreting Revelation. He uses this method to show (i) that Revelation was written primarily to John and his initial audience, (ii) that the same prophecies also speak to us with clarity and force. (iii) Then he wonders if God intentionally used the same material to speak to an audience, then and now. When this method is applied to Revelation 1–3, the text does come alive. Deep theological truths and nuggets extracted are way too many to recount in a single book. In fact, this fresh approach minimizes most of our interpretive issues and enhances our understanding and appreciation of the apocalyptic Christ. Some of our leading scholars agree: “It is well-written, well laid out, and has good solid biblical insights. ... Good solid evidence for Revelation’s high Christology.” —Dr. Kayle de Waal, Avondale College, Australia “I found it thoughtful, helpful, and interesting to read. The style of presentation ... is also very attractive.” —Professor Jon Paulien, Loma Linda University, USA “You have clearly shown the relationship between Revelation 1-3 with the rest of Revelation.” —Dr. Ross Cole, Avondale College, Australia The method used, its interpretations, and the theological insights are corroborated by other Johannine books, the New Testament, the Old Testament, and the Spirit of Prophecy. This volume will enhance the libraries of academics and laypeople alike.
