The Billionaire Alpha's Baby Kristy J. Walker,2024-02-05 Do you remember me from the bar, the other night? I nervously asked him. I walked back in, mindlessly covering my stomach with my hand. oblivious to the eyes watching them intently. No, I don't seem to recall His deep green eyes observed every motion I made, with just the shadowy clouds cast over them. I'm Vanessa and I- I started to say something, but the harsh ringing of a phone interrupted me. Go ahead, there's no need for names. I'm about to start my meeting. He cut me off icily. All right. I'm pregnant, so it only makes sense for you to know my name. Congratulations. He said simply as he stood to go. I took a deep breath, took a step forward, and was ready to say something. The Royal Alphas (Books 1-3) J.J. Masters, Jeanne St. James, 2023-10-14 **THE SELKIE PRINCE'S FATED MATE** (book 1): A Selkie prince forced to produce an heir. An omega destined to become a royal's fated mate... Prince Kai's life as he knows it is now over. As the firstborn alpha to the Selkie King of the North, he's required to produce an heir. Whether he wants to or not. When the Selkie Seekers finally present his fated mate, he dreads being tied to this stranger for the rest of his life. He can only hope his omega will be easy on the eyes and somewhat intelligent. Raised in a family of good breeding, Luca always knew it was possible he'd end up the mate for an alpha of nobility. Only to whom, he never knew. Every time the Seekers summoned him for the humiliating presentation ceremony to royalty of all levels, he feared being stuck with some unbearable, abusive or very unattractive alpha. As an omega he doesn't have the choice to say no. Not only is it his obligation, it's the law. If he refuses, he and his family would become outcasts and banished from the Selkie community. However, as soon as Kai enters the Great Hall of the North, it's clear that the handsome prince is his alpha. Luca's pleased with the choice the fates made until the king demands that not only he become pregnant within six months but produce an alpha pup with his son, otherwise he'll be cast aside. And getting pregnant might be a problem... **THE SELKIE PRINCE & HIS OMEGA GUARD** (book 2): An alpha prince ready to find his fated mate. A Selkie who wishes he wasn't omega-born... Unlike his brothers, Prince Adrian, the dutiful second-born son to the King of the North, looks forward to finding his true mate and producing an heir. Until he stumbles across a beta guard with an enticing scent. Del never wanted to be an omega. All his life, he's only wanted one thing: to serve as a Royal Guard. Though forbidden, he found a concoction to mask his omega scent and was successful until his dwindling supply caused the alpha prince to discover his deception. Rian not only breaks every cherished royal tradition, but ends up hiding Del until he can figure out the reason for the attraction between them. However, one selfish mistake puts them in a precarious position they can't escape. Their reckless actions have them worried they'll be banished from the Selkie community. Rian needs a plan to convince his father to accept his mate before he has to risk everything he's ever known and loved for their future. Because, no matter what the king says, Rian will not give up Del. **THE SELKIE PRINCE'S UNEXPECTED OMEGA** (book 3) An alpha claim. A possible heir. A Selkie prince whose mistake might just be what the fates intended. Zale, the third alpha-born son of King Solomon, is concerned. His youngest brother, Caol, has been spending time with an unbonded omega. Being a responsible alpha, Zale feels it's his duty to warn the omega Finn before he and Caol get into trouble. Especially since Finn had only been brought to the colony by their father in case his oldest brother's fated mate couldn't conceive. However, when Zale goes to Finn's quarters to have a word with him, he isn't expecting to discover what he does: the omega in the throes of oestrus and begging for an alpha's assistance. Finn has nowhere else to go. Not only unwanted by his own family, his previous alpha perished in a tragic accident. So for the past two years, the omega has relied on the King of the North's generosity, even if it means he may end up as a surrogate for one of the alpha-born princes. Or even worse, the king's sixth mate. But when the Prince Zale comes upon him during his heat, Finn demands relief from the alpha. Although afterward, has to live with the guilt. Now, he might not only be carrying the prince's son, he may have very well ruined Zale's chance to find his true fated mate... Note: This collection includes m/m shifter mpreg stories. Due to the "knotty" times in these books, they're recommended for mature readers only. While they can be read as standalones, it's recommended to read the series in order. And, like all of my books, each has an HEA.
