My First Murder Leena Lehtolainen, 2012 After a student choir's practice session at a Helsinki villa turns deadly, Detective Maria Kallio finds herself in the middle of the action -- and her first murder case. Someone in the group wanted playboy Tommi Peltonen dead, but that's one song these suspects refuse to sing. Behind the choir's jovial facade lies bitter passion, and the victim's seemingly perfect life hid a host of sins that made him a target of almost everyone in the villa. As a young female -- and a redhead to boot -- Maria knows that solving this case will help her overcome her perceived shortcoming in the eyes of her colleagues. But as the case takes startling twists and turns, and friends and foes become interchangeable, will she be able to piece together the clues before the killer strikes again?

Sisterland Salla Simukka, 2019-12-03 Fall under the spell of this contemporary fairy tale that's perfect for fans of Emily Winfield Martin's *Snow & Rose* and the *Chronicles of Narnia* series. Alice thought it was unusual to see a dragonfly in the middle of winter. But she followed it until she fell down-down-down, and woke up in a world unlike any other. Welcome to Sisterland, a fantastical world where it is always summer. The most enchanting magic of all, though, is Alice's new friend Marissa. But as the girls explore the strange land, they learn Sisterland's endless summer comes at a price. Back on Earth, their homes are freezing over. To save their families, Alice and Marissa must outwit the powerful Queen Lili. But the deeper they go into Sisterland, the less Alice and Marissa remember about their homes, their lives before, and what they are fighting for. This is a wondrous tale about heroism, loyalty, and friendship from one of the most celebrated Finnish children's authors, Salla Simukka.

Cruel Is the Night Karo Hamalainen, 2017-04-11 Prizewinning Finnish author Karo Hämäläinen's English-language debut is a literary homage to Agatha Christie and a black comedy locked-room mystery about murder, mayhem, and morality in our cynical modern world. Three cell phones ring in an opulent London apartment. The calls go unanswered because their recipients are all dead. Earlier that night, four Finnish friends meet for dinner. It's been ten years since the host, Robert, has seen his once-best friend, Mikko. The two had an ideological falling-out because Robert, a banker, made millions off of unethical (but not illegal) interest rate manipulations. Mikko, meanwhile, is an investigative journalist who has dedicated his career to bringing down corrupt financiers and politicians. Also along for the evening are Mikko's wife, Veera—with whom Robert once had a secret affair—and Robert's young trophy wife, Elise. Mikko has arrived in London with an agenda and thinks he's about to get away with murder, but he has no idea what's on the menu for the night: not only does every diner have a bone to pick with another, but there's an arsenal of deadly weapons hiding in plain sight. And by the end of the night, there will be only one survivor.

True Riikka Pulkkinen, 2012-03-20 Elsa is dying. Her husband, Martti, and daughter Eleonoora are struggling to accept the crushing thought that they are soon to lose her. As Elsa becomes ever more fragile, Eleonoora's childhood memories are slipping away. Meanwhile, Eleonoora's daughter Anna spends her time pondering the fates of passersby. For her the world is full of stories. But the story that will change her forever is the one about Eeva, her mother's nanny, whom her grandparents have been silent about for years. Eeva's forgotten story, which Anna first learns of when she discovers an old dress of Eeva's, is finally

revealed layer by layer. The tale that unfolds is about a mother and daughter, about how memory can deceive us—and sometimes that is the most merciful thing that can happen.

The Nightingale Murder Leena Lehtolainen, 2018 Award-winning author Leena Lehtolainen's heart-stopping series continues as investigator Maria Kallio's hunt for a killer gets dark, dangerous, and dirty... A grievously mutilated young woman arrives at the hospital in Espoo, Finland--only to vanish without a trace. Though the victim refused to identify herself, Violent Crimes Unit Commander Maria Kallio suspects she's connected to the city's sex-worker underworld. The next day her suspicions grow when celebrity call girl Lulu Nightingale is murdered during a live television broadcast. The victim's clients included some of the top names in Finnish society, but the list of suspects is even longer: her infatuated bodyguard, a suicidal TV producer, and a talk-show host with political aspirations. But how is Lulu's murder connected to the tortured woman's disappearance? As the body count keeps rising, Maria plunges into the dark demimonde of the sex trade. And this time, searching for answers may shatter all that she has.

Nodes of Contemporary Finnish Literature Leena Kirstinä, 2012-06-13 This book examines phenomena from Finnish and Finnish-Swedish literature written in the years between the 1980s and the first decade of the new millennium. Its objective is to study this interesting era of literary history in Finland and to sketch some possible directions for future development by identifying literary turning points which have already occurred.

My Cat Yugoslavia Pajtim Statovci, 2017 Already an international sensation: a debut novel that tells a love story set in two countries in two radically different moments in time, bringing together a young man, his mother, a boa constrictor, and one capricious cat. In 1980s Yugoslavia, a young Muslim girl is married off to a man she hardly knows, but what was meant to be a happy match goes quickly wrong. Soon thereafter her country is torn apart by war and she and her family flee. Years later, her son, Bekim, grows up a social outcast in present day Finland, not just an immigrant in a country suspicious of foreigners, but a gay man in an unaccepting society. Aside from casual hookups, his only friend is a boa constrictor whom, improbably--he is terrified of snakes--he lets roam his apartment. But during a visit to a gay bar, Bekim meets a talking cat who moves in with him and his snake. It is this witty, charming, manipulative creature who starts Bekim on a journey back to Kosovo to confront his demons, and make sense of the magical, cruel, incredible history of his family. And it is this that, in turn, enables him finally, to open himself to true love--which he will find in the most unexpected place.--

Sociocultural Aspects of Translating and Interpreting Anthony Pym, Miriam Shlesinger, Zuzana Jettmarova, 2006-01-01 Translation Studies has recently been searching for connections with Cultural Studies and Sociology. This volume brings together a range of ways in which the disciplines can be related, particularly with respect to research methodologies. The key aspects covered are the agents behind translation, the social histories revealed by translations, the perceived roles and values of translators in social contexts, the hidden power relations structuring publication contexts, and the need to review basic concepts of the way social and cultural systems work. Special importance is placed on Community Interpreting as a field of social complexity, the lessons of which can be applied in many other areas. The volume studies translators and interpreters working in a wide range of contexts, ranging from censorship in East Germany to English translations in Gujarat. Major contributions are made by Agnès Whitfield, Daniel Gagnon, Franz Pöchhacker, Michaela Wolf, Pekka Kujamäki and Rita Kothari, with an extensive introduction on methodology by Anthony Pym.

Translating Institutions Kaisa Koskinen, 2014-06-03 *Translating Institutions* outlines a framework for research on translation in institutional settings, using the Finnish translation unit at the European Commission as a case study. Because of their foundational multilingualism, the institutions of the European Union could be described as both translating and translated institutions. The European Commission alone employs nearly two thousand translators, and it is translators who draft the vast majority of outgoing EU messages. *Translating Institutions* sets out to explore the organizational role and professional identity of this group of cultural mediators, a group that has remained relatively invisible despite its size and central institutional role, and to use the analysis of this data to elaborate broader methodological and theoretical issues. *Translating Institutions* adopts an ethnographic approach to explore the life and work of the translators at the centre of this study. In practice, this entails employing a number of different methods and interrogating various types of data. The three-level research design used covers the study of the institutional framework, the study of translators working in specific institutional settings, and the study of translated documents and their source texts. This is therefore a study of both texts and people in their institutional habitat. Given the methodological focus of the volume, the different methods and data are outlined in independent chapters: the institutional framework of translation (institutional ethnography), the physical location of the unit (observation), translators' own views of their role (focus group discussions), and a sociologically-oriented text analysis of a sample document (shifts analysis). *Translating Institutions* constitutes a valuable contribution to the sociology of translation. It opens up new avenues for research and offers a detailed framework for the study of institutional translation.

Refiguring American Film Genres Nick Browne, 1998-04-22 This collection of essays by leading American film scholars charts a whole new territory in genre film criticism. Rather than assuming that genres are self-evident categories, the contributors offer innovative ways to think about types of films, and patterns within films, in a historical context. Challenging familiar attitudes, the essays offer new conceptual frameworks and a fresh look at how popular culture functions in American society. The range of essays is exceptional, from David J. Russell's insights into the horror genre to Carol J. Clover's provocative take on trial films to Leo Braudy's argument for the subject of nature as a genre. Also included are essays on melodrama, race, film noir, and the industrial context of genre production. The contributors confront the poststructuralist critique of genre head-on; together they are certain to shape future debates concerning the viability and vitality of genre in studying American cinema.

Splashes and Patches Gustaf Fröding, Mike McArthur, 1998

Translation and Norms Christina Schäffner, 1999 Whether the judgements translators of different language works make are normative and somehow wrapped up in societal values that change with time or social positioning is the subject of these contributions. Two main contributions from English and Israeli scholars are presented which argue that the concept of norms should be the primary analytical tool for understanding everything from the choices of words to regularly appearing patterns in writing. Seven brief responses and counter-responses follow. Also included are the transcripts of two debates on the topic. Distributed by Taylor and Francis. My Childhood Toivo Pekkanen, 1966

Translating Montreal Sherry Simon, 2006 The divided Montreal of the 1960s is very different from today's cosmopolitan, hybrid city. Taking the perspective of a walker moving through a fluid landscape of neighbourhoods and eras, Sherry Simon experiences Montreal as a voyage across languages. Sketching out literary passages from the then of the colonial city to the now of the cosmopolitan Montreal, she traces a history of crossings and intersections around the familiar sites and symbols of the city - the mythical boulevard Saint-Laurent, Mile End, the Jacques-Cartier Bridge, Mont-Royal.

Translation and Identity Michael Cronin, 2006-09-27 Michael Cronin looks at how translation has played a crucial role in shaping debates about identity, language and cultural survival in the past and in the present. He explores how everything from the impact of migration on the curricula for national literature courses, to the way in which nations wage war in the modern era is bound up with urgent questions of translation and identity. Examining translation practices and experiences across continents to show how translation is an integral part of how cultures are evolving, the volume presents new perspectives on how translation can be a powerful tool in enhancing difference and promoting intercultural dialogue. Drawing on a wide range of materials from official government reports to Shakespearean drama and Hollywood films, Cronin demonstrates how translation is central to any proper understanding of how cultural identity has emerged in human history, and suggests an innovative and positive vision of how translation can be used to deal with one of the most salient issues in an increasingly borderless world.

Cities in Translation Sherry Simon, 2013-03-01 All cities are multilingual, but there are some where language relations have a special importance. These are cities where more than one historically rooted language community lays claim to the territory of the city. This book focuses on four such linguistically divided cities: Calcutta, Trieste, Barcelona, and Montreal. Though living with the ever-present threat of conflict, these cities offer the possibility of creative interaction across competing languages and this book examines the dynamics of translation in its many forms. By focusing on a category of cities which has received little attention, this study contributes to our understanding of the kinds of language relations that sustain the diversity of urban life. Illustrated with photos and maps, *Cities in Translation* is both an engaging read for a wide-ranging audience and an important text in advancing theory and methodology in translation studies.
