The Meaning of the Glorious Koran Mohammed Marmaduke Pickthall, 1997-05-01
The classic translation of the Koran by a convert to Islam In 1930, Mohammed Marmaduke Pickthall, a Western Islamic scholar and convert to Islam, published this English translation of the Koran, the central religious text of Islam, which the Times Literary Supplement lauded as "a great literary achievement." The aim of this work is to present to American readers what Muslims the world over hold to be the meaning of the words of the Koran, and the nature of that Book, accurately and concisely, with a view to the requirements of English-speaking Muslims. The first English translation of the Koran by an Englishman who is a Muslim, the Book is here rendered almost literally, and every effort has been made to choose befitting language. Regarded by Muslims as God's actual words revealed to the prophet Mohammed, the Koran remains the supreme authority of the Islamic tradition. Comprising laws, moral precepts, and narratives, its timeless texts are the inspiration and guide of millions of Muslims. With this remarkably readable and scholarly

translation, Pickthall introduces the sacred scriptures of the Koran to Western readers—and provides invaluable and fascinating insight into one of the world's great religions.

Al-Qur'an, the Guidance for Mankind - English Translation of the Meanings of Al-Qur'an with Arabic Muhammad Farooq-i-Azam Malik, 2001 Al-Qur'an, the Guidance for mankind, is a unique translation of the Holy Qur'an in contemporary American English. It includes the Biography of the Prophet Muhammad, peace be upon him, his mission as a Prophet, his ranking as in the human history. Text is paragraphed by theme and theme is written in the margins on each page for easy reference. Its features include - (1) Field Testing the Communication of Divine Message: The unique feature of this

translation is its field testing for over 3 1/2 years to improve the communication and understanding of the Divine Message. Translation passages were given to the New Muslim and Non-Muslim high school and college students for reading under the supervision of various Ulema (scholars). After reading, the person was asked to explain as to what he/she understood from the passage. If his/her understanding was the same as is in the Arabic Text of the Holy Qur'an then we concluded that we have been successful in conveying the Divine Message properly. If his/her understanding was different than what the Qur'anic verses were stating, we kept on rewording the translation until those verses were understood properly. It was tremendous patience on part of the participants. May Allah reward them all. (2) Simplicity: In this translation Simple Language and Direct Approach is used for appealing to the common sense of scholars and common people. (3) Understandability: There are no foot notes to refer and no commentary or lengthy explanations to read. All necessary explanations have been incorporated right there in the text with italic type setting to differentiate from the translation of the meanings of Qur'anic Arabic Text. (4) Outline of Pertinent Information: Before the start of each Srah, information relating to its Period of Revelation, Major Issues, Divine Laws and Guidance has been presented as an outline. Then a summary of the preceding events has been tabulated for the reader to understand the historical background to grasp the full meaning of the Divine Message. (5) Reviews, Input and Approvals: This project was started in 1991 and initial

draft completed in 1994. Then the Translation was sent to different Ulema (Scholars) in Town and throughout United States for their review and input. After their reviews and input it was sent to Jme Al-Azhar Al-Sharif in Egypt, Ummal Qur in Saudi Arabia and International Islamic University in Pakistan for their review, input and approval. This translation was published after their reviews and approvals.

English Translation of the Holy Quran Maulana Muhammad Ali, 2011-01-19
Language updated and notes abridged by the Editor. The English translation of the Holy Quran with extensive explanatory footnotes, by Maulana Muhammad Ali

(d. 1951), was first published in 1917. Due to changes in the usage and teaching of English in the second half of the twentieth century, such a reader today is much less familiar with certain forms and styles of literary expression used in the translation than was the case with previous generations. To bring the language closer to the general readership, it became necessary to replace some expressions by more modern forms. This has been my aim in producing the present updated version of the translation.

The Future of Islam John L. Esposito, 2010-02-04 John L. Esposito is one of America's leading authorities on Islam. Now, in this brilliant portrait of Islam today-- and tomorrow-- he draws on a lifetime of thought and research to provide an accurate, richly nuanced, and revelatory account of the fastest growing religion in the world. Here Esposito explores the major questions and

issues that face Islam in the 21st century and that will deeply affect global politics: Is Islam compatible with modern notions of democracy, rule of law, gender equality, and human rights? How representative and widespread is Islamic fundamentalism and the threat of global terrorism? Can Muslim minority communities be loyal citizens in America and Europe? In the midst of these questions Esposito places an important emphasis on the issue of Islamophobia, the threat it poses, and its vast impact on politics and society in the US and Europe. He also turns the mirror on the US and Europe and paints a revealing portrait of how we appear to Muslims. Recent decades have brought extraordinary changes in the Muslim world, and in addressing these issues, Esposito paints a complex picture of Islam in all its diversity--a picture of urgent importance as we face the challenges of the coming century.

The Holy Daniel Quinn, 2011-03-01 They knew us before we began to walk upright. Shamans called them guardians, mythmakers called them tricksters, pagans called them gods, churchmen called them demons, folklorists called them shape-shifters. They've obligingly taken any role we've assigned them,

and, while needing nothing from us, have accepted whatever we thought was their due – love, hate, fear, worship, condemnation, neglect, oblivion. Even in modern times, when their existence is doubted or denied, they continue to extend invitations to those who would travel a different road, a road not found on any of our cultural maps. But now, perceiving us as a threat to life itself, they issue their invitations with a dark purpose of their own. In this dazzling metaphysical thriller, four who put themselves in the hands of these all-but-forgotten Others venture across a sinister American landscape hidden from normal view, finding their way to interlocking destinies of death, terror, transcendental rapture, and shattering enlightenment.
