Seattle and the Demons of Ambition Fred Moody,2004-12-08 Founded in 1851 as a four-cabin outpost named New York Pretty-Soon, Seattle has long struggled with an identity crisis. From a nearly lawless port, to a sedate, conventional company town defined by Boeing Aircraft, to an accessible paradise for artists and recovering urbanites, Seattle repeatedly tried and failed to become bigger, wealthier, more like major league cities. In the late 1980s, Seattle's time suddenly arrived. Microsoft, Amazon, Starbucks, McCaw Cellular/AT&T Wireless, and dozens of local dot.com startups began to drive a booming national economy. Seattle became a city of instant millionaires and brand name shopping, skyscrapers and sports franchises-- the place everyone wanted to visit, topping lists of America's most desirable cities. But with such wealth came consequences: overdevelopment, paralyzing traffic, racial and class divisions, and a street population of teenagers

discarded by the new culture, whose rage and disaffection fueled the rise of bands such as Nirvana. Striving to reach its ambitions, Seattle seemed to be losing the struggle for its soul. And when it hosted the 1999 World Trade Organization convention, the city's conflicted personalities clashed, as violent riots by residents and a coalition of protestors left the downtown decimated and the nation transfixed by the spectacle of globalization gone wrong. In *Seattle and the Demons of Ambition*, Fred Moody uses his own background as a native son, along with wide-ranging encounters with others, to trace the growing pains of the city he loves. Profiling Bill Gates and never-quite-champion football coach Chuck Knox, a pair of ambitious entrepreneurs and a homeless sculptor once profiled in the *New Yorker*, grunge music superstars and the preyed-upon children of the documentary *Streetwise*, Moody offers a dramatic, entertaining, and insightful portrait of the city that defined economic and technological change in the America of the 1990s.

Grassroots Phil Campbell, 2012-07-03 This offbeat true story is a comedy and a tragedy about politics, from anti-globalist protest to domestic turmoil. It's about idealism, obsession and failure in Seattle, a progressive city on the fringe of America's continent and consciousness. Grant Cogswell is a poet, a punk rock-fan, an anarchist, a grassroots activist, and one very temperamental character. He loves Seattle so much he has the city logo tattooed on his arm. In the summer of 2001 he decides to run for city council. He's so determined to win that he'll even wear a polar-bear suit to a city hall meeting. Phil Campbell, the author, is a burnt-out recently fired alt-weekly reporter, a manic depressive who sees few reasons to live. Inspired by his friend Grant's passion, and without anything better to do, he agrees to manage Grant's campaign. For eighteen weeks, Phil devotes himself to Grant's grassroots challenge—all the while fending an overzealous roommate challenging him for his position as manager of their shared house. Overshadowing the story is the tale of U.S. Rep. Marion

Anthony Zioncheck, a legendary boozier and forgotten lefty radical from the 1930s. As Grant's campaign unfolds, so does the story of Zioncheck's tragedy — his rise and fall from an energetic young politico to a madman who is sent to the insane asylum. The question: Is Zioncheck's tale a lesson already learned, or a prophecy waiting to be repeated?

Insight Guides: Seattle City Guide Insight Guides,2013-10-11 Insight City Guide Seattle is a comprehensive travel guide to this innovative and scenic city. Full-colour photos and maps throughout combine with authoritative text to inspire you to explore Seattle and its surrounding areas. Be inspired by the Best Of Seattle section, which highlights unmissable sights and experiences, while a comprehensive Travel Tips section gives you all the practical information and travel advice you need to plan what to do on your trip, including selective listings for hotel and restaurants. Lavish Photo Features offer a unique insight into topics such as northwestern Native American tribes, the EMP Museum and local volcanoes. Insight's trademark history and culture coverage provides a fascinating introduction to Seattle's enterprising and alternative culture, while features by local writers delve into everything from Bill Gates and Microsoft to writers' interest in the famous rain, local wines and totem poles. Nine Places chapters cover the city, from the National Historic District of Pioneer Square and the International District to the diverse neighborhoods of Ballard and Capitol Hill, while three further excursions chapters suggest trips to across Puget Sound, around the Olympic Peninsula and out to the San Juan Islands and Cascade Mountains.

The Grunge Diaries Dave Thompson,2021-09-15 Throughout the 1990s, Dave Thompson was the Seattle-based contributing editor to *Alternative Press* magazine—America's biggest-selling and most influential alternative rock monthly—and a regular contributor to other publications both nationally and internationally. Throughout this decade, grunge music ruled the world and Seattle was its birthplace and focal point. Thompson was an eyewitness to it all. His writings and interviews chronicled the entire history of grunge—from its roots in the earliest explosion of punk in the mid-1970s to its rise and ultimate fall from grace in the late 1990s. Drawing from Thompson's extensive experience and research—from personal files and journals and hours of interviews with both musicians and fans, other music industry figures, and a wealth of characters from the Seattle scene—*The Grunge Diaries* is an exhaustive account of this unique era. Featured are all of the major acts—Nirvana, Pearl Jam, Mudhoney, Soundgarden—and many lesser known bands and artists. But it's not only about the music, the fashions, and the personalities that still resonate today. *The Grunge Diaries* also tells the tale of the end of an era in American history—twentieth-century music culture's last hurrah before the dot-com monsters (many of whom were themselves based in Seattle) devoured its soul and faceless corporations rebranded entertainment. These were the days when fame was still within reach of anyone who knew three chords and had three friends.

Land Use Planning Roger W. Caves,1992 There is a growing trend in Europe and the United States towards local use of the referendum to decide land use matters. Local communities are taking a more active role in planning the building programmes around them. Using examples from the United States this book includes an analysis and overview of direct democracy, the increasing use of ballot box planning to settle land use issues, legal considerations of ballot box planning and the

future of this type of urban management.

Never Mind Nirvana Mark Lindquist, 2001-08-21 Hip deep in music, *Never Mind Nirvana* is a telling inside view that perfectly captures the rhythms and sights of late-nineties Seattle. — Peter Buck, guitarist of R.E.M. Pete Tyler is at a crossroads. Eight years ago he dropped out of a seminal Seattle grunge band to try his hand at a more grown-up calling. Now he's thirty-six (almost forty!), a deputy prosecutor (a suit), still hanging out at the same clubs he played ten years ago (the ones that haven't shut down), and still dating the same kind of girls (except now they tell him how much their older sisters loved his band). Pete decides it's time to get married—he just doesn't know to whom. Possibilities include Beth, his first love, who has disappeared; Winter, his on-and-off stripper girlfriend, who has been living the grunge life too long; and Esme', a Sub Pop A&R executive who has some life decisions of her own to make. When a date-rape case lands on his desk—the accused is a local rocker Pete's age, the accuser an eighteen-year-old from the scene—Pete finds his past and present facing him from both sides of the aisle, and he finally has to decide where he stands. Pete Tyler is a cooler version of Everyguy, and *Never Mind Nirvana* is a hilarious and unexpectedly moving story of a man with one foot stuck in adolescence and the other planted in adulthood. Richly textured with references to classic rock and the music of Seattle's legendary alternative rock scene, it is also a fascinating, bittersweet riff on a particularly American zeitgeist.

Seattle Trust Paul Mullin, 2020-11-19 A debut novel from an award-winning playwright, inspired by his years working in the executive suite of the nation's largest home loans bank during the run up to the Great Mortgage Meltdown. When Tom lands the best job of his life at Seattle's beloved home-town bank, he figures he's secured a front row seat at the high-risk/high-reward chess match for dominance of the lucrative sub-prime mortgage market. That is, until he finds himself

moved across the board like a pawn.THE CIRCLE meets THE BIG SHORT, with a sprinkling of FIFTY SHADES OF GREY tossed in

Riverside Parkway-Bothell Bypass (SR-522 Replacement), Bothell ,1991

Seattle CBD Exclusive Bus Lanes from South Jackson St to Virginia St ,1976
