Alex and the Amazing Time Machine Rich Cohen,2012-05-08 Fifth-grader Alex Trumble builds a dingus--a time machine--after his brother Stephen is kidnapped by dangerous, evil time-travelers, to get back to the past and into the future to save his family from disaster. Illustrations.

The Opposite Life Alex Seeley,2019-08-13 What if the path to a life of abundance and blessing isn't what we expected? What if the way forward begins with going backward? In our constant search for a life filled with blessing and abundance, we often follow our human instinct and then wonder why we come up short. But it doesn't have to be that way. Join pastor and author Alex Seeley as she teaches us that God always has a better idea -- we just have to move in a new direction. In?The Opposite Life, Seeley explains that the secret to living a powerful and abundant life lies in the upside-down kingdom of God. Each chapter of The Opposite Life explores the opposite-life principles that can start to shift our mindset for the better, diving deeper into the natural contradictions between: death and life fear and faith hate and love worry and worship impossible and possible Along the way, she offers encouraging and simple challenges to help us align our lives with God's subversive plan. As we learn to exchange our default instincts for the surprising teachings of Jesus -- our pioneer of the unlikely -- we discover a life of transformational power, abundance, and more blessing than we ever thought possible. Praise for The Opposite Life: Our broken earth longs for just this type of unveiling. It is time for us to remember who we are and respond as sons and daughters of the Most High God. There is a desperate longing for His goodness in the face of overwhelming anger, pain, and confusion. The Opposite Life is a drink of living water in a dry and arid land. --Lisa Bevere, New York Times bestselling author of Without Rival and Girls with Swords

Finnish Video Games Juho Kuorikoski,2015-05-11 In the past three decades Finland's video game industry has become the backbone of Finnish cultural export. Angry Birds and Clash of Clans are dominating sales around the world and the small Nordic nation has become a gaming superpower. Drawing on more than 60 interviews, this book covers the Finnish video game phenomenon as told by the people behind its success. The history of the industry is documented in detail for the first time. Two hundred game reviews are included, presenting the best (and worst) of commercial video games made in Finland.

Katie and Alex Alison Maloney,2010-08-20 Married on 2nd February 2010, the rollercoaster romance of Katie Price (AKA glamour-model Jordan) and Alex Reid has been a media sensation from the start, blossoming amidst much gossip and speculation; it has survived the jungle and the 'Big Brother' house and remains intact. Alex and Katie started dating in July 2009, shortly after her split from Peter Andre, which caused some to look upon the relationship with doubt. Reid has had a colourful career in the military, as a cage fighter, a cross dresser and an actor, appearing in Sliding Doors and Hollyoaks. Price is a mega-star with a multi-million-pound estate that includes books, modelling, product endorsement and public appearances. Alison Maloney discusses the inside story past, present and future in this intimate and essential book.

Alex's Atonement Carmen DeSousa,2020-03-10 To be the hero he once was, he needs to save her... Alex Belgarde has carried the culpability of his father's death for more than ten years. Every year, as his family's company falls deeper into debt, the guilt eats away more of his soul until there's only one answer. Prepared to make the ultimate sacrifice to save his father's legacy, Alex takes off on a frigid winter day with no radio and very little fuel in his seaplane. He's using up the last of his reserve tank, preparing to drop from the sky, when he sees plane wreckage below. Irene Rose has spent her life chasing her dream. But after a possible terminal diagnosis, she realizes how lonely her life has become and is ready to forgive her sister and beg for her family's forgiveness. Instead of arriving on the island of her birth, Irene finds herself stranded in the Alaskan wilderness. Unbeknownst to her, the pilot for the plane she chartered was a drug runner, so he didn't alert authorities as they crashed. While Alex's illogical idea to save his father's company is thwarted because of his obligation to help others, he finds purpose in offering aid to the beautiful and intelligent Irene. The attraction is mutual until Irene persuades Alex to tell her the real reason he can't simply fly them to safety or call for help.

Now the two castaways will have to fight the harsh winter elements, as well as the drug smugglers who lost their cargo in the wreck, if they want to make it home alive. Not easy tasks when Irene refuses to trust Alex to get her home safely. She simply can't get over the fact that as talented, tough, and tantalizing as he is that he was going to throw his life away when hers will probably be cut short. For the first time in his life, Alex will have to face his demons instead of running from them in order to win the girl and prove to himself that he's a real hero.

Angry Birds and Rovio Entertainment Jason Porterfield,2014-12-15 Since its release for Apple's iPhone in 2009, Angry Birds has been one of the most successful video games in history. Although Angry Birds seemed to be an overnight success, the game was actually the result of years of struggle by Rovio Entertainment, the Finnish company that created it. The company's founder, Niklas Hed, his cousin Mikael Hed, and Peter Vesterbacka have established not just a profitable video game but a cultural phenomenon. In this thrilling narrative, readers examine the challenges and triumphs of building a company while keeping the spirit of fun behind the development of new products.

Clash Jon Marshall,2022-05 Donald Trump's presidency was marked by angry attacks on journalists, an extraordinary ability to capture the media spotlight, a flood of disinformation from the White House, and bitter partisanship reflected in the media. Trump's dysfunctional relationship with the press affected how the United States dealt with the crises of COVID-19, climate change, social unrest due to systemic racism, and efforts to overturn the 2020 election. But Trump's troubled relationship with the press didn't happen by chance. Clash explores the political, economic, social, and technological forces that have shaped the relationship between U.S. presidents and the press during times of crisis. In addition to Trump's presidency, Clash examines those of John Adams, Abraham Lincoln, Woodrow Wilson, Franklin Roosevelt, Richard Nixon, Ronald Reagan, Bill Clinton, George W. Bush, and Barack Obama. Some of these presidents faced military or international crises. Others were challenged by economic downturns or political scandals. And sometimes the survival of America's system of government was at stake. By examining what happened between presidents and the press during these pivotal times, Clash helps us understand how we arrived at our current troubled state of affairs. It concludes with recommendations for strengthening the role the press plays in keeping presidents accountable.

Cammie and Alex's Adventures in Skating History Olga Jaffae,2010-12 Even before she reached the rink, Cammie knew something wasn't right. 'What's wrong? Why are the police here?' Coach Ferguson's pale blue eyes narrowed. 'Cammie, didn't you hear the announcement? A skater is missing.' Every skater in Skateland is excited about the upcoming show devoted to the history of figure skating. Except Cammie. She hates practicing boring figures and participating in an old-fashioned group number. But when Cammie's roommate—the show's star performer—goes missing during the dress rehearsal, Cammie is ignited with passion to rescue her friend at all cost. She learns of a magical skating history book that can transport people back in time. Cammie suspects foul play by the evil skating witches and, with the help of her best friend Alex, travels back into time to rescue the missing skater before it's too late. Readers will love learning ice-skating history as Cammie and Alex travel to sixteenth-century Holland and nineteenth-century England, meeting famous skaters such as Jackson Haines, Sonja Henie, and Ulrich Salchow. Will this be the end of Cammie, Alex and their friend? You will find the answer in Cammie and Alex's Adventures in Skating History, Olga Jaffae's third book in the Skateland series.

Trumping the Media Michael Mario Albrecht,2022-08-11 The ascendancy of Donald J. Trump to the office of president was not a fluke. Changes in the media environment and changes in the political landscape converged and provided fertile ground for a demagogic populist to exploit existing structures for his personal and political gains. A right-wing ecosystem had developed that included cable television, talk radio, social media, and imageboards. The political rise of Trump occurred alongside a mainstreaming of far-right politics and a skepticism towards long-established institutions. Trump was able to exploit the shifts in politics and the media environment for his political gain. He deployed a post-truth strategy that challenged established media and political institutions and their claims to be arbiters of truth and protectors of democracy. This book explores the shifts in the media environment that made the political career of Donald Trump possible. The author shows the ways that Trump was able to inhabit the new media and political landscape and take advantage of journalistic norms and practices that were susceptible to exploitation by a demagogue with no allegiance to the truth and no reverence towards the foundations of liberal democracy. Understanding the ways in which Trump was able to emerge as a powerful political force is essential to those invested in challenging the momentum of the alt-right and forwarding the project of democracy.
