100 Amazing Facts About the Negro with Complete Proof J. A. Rogers, 2014-09-15 First published in 1934 and revised in 1962, this book gathers journalist and historian Joel Augustus Rogers' columns from the syndicated newspaper feature titled Your History. Patterned after the look of Ripley's popular Believe It or Not the multiple vignettes in each episode recount short items from Rogers's research. The feature began in the Pittsburgh Courier in November 1934 and ran through the 1960s.

100 Amazing Facts About the Negro Henry Louis Gates, Jr., 2017-10-24 The first edition of Joel Augustus Rogers's now legendary 100 Amazing Facts About the Negro with Complete Proof, published in 1934, was billed as “A Negro ‘Believe It or Not.’” Rogers's little book was priceless because he was delivering enlightenment and pride, steeped in historical research, to a people too long starved on the lie that they were worth nothing. For African Americans of the Jim Crow era, Rogers's was their first black history teacher. But Rogers was not always shy about embellishing the “facts” and minimizing ambiguity; neither was he above shock journalism now and then. With élan and erudition—and with winning enthusiasm—Henry Louis Gates, Jr. gives us a corrective yet loving homage to Roger's work. Relying on the latest scholarship, Gates leads us on a romp through African, diasporic, and African-American history in question-and-answer format. Among the one hundred questions: Who were Africa's first ambassadors to Europe? Who was the first black president in North America? Did Lincoln really free the slaves? Who was history's wealthiest person? What percentage of white Americans have recent African ancestry? Why did free black people living in the South before

the end of the Civil War stay there? Who was the first black head of state in modern Western history? Where was the first Underground Railroad? Who was the first black American woman to be a self-made millionaire? Which black man made many of our favorite household products better? Here is a surprising, inspiring, sometimes boldly mischievous—all the while highly instructive and entertaining—compendium of historical curiosities intended to illuminate the sheer complexity and diversity of being “Negro” in the world. (With full-color illustrations throughout.)

Amazing Facts in U.S. History, Grades 5 - 8 Don Blattner,2010-08-06 Bring history to life for students in grades 4 and up with Amazing Facts in U.S. History! Students will love to explore little-known historical facts, folklore, and “facts” often taught in school that are either untrue or undocumented in this captivating text. Topics covered in this 128-page book include the Fountain of Youth, the first Thanksgiving, the colonies, the Revolutionary War, George Washington, the Cherokee nation, the Gold Rush, the Wild West, and American Presidents. The book includes questions, explanations, historical mysteries, quizzes, puzzles, logic problems, and answer keys.

Things That Matter - 101 Amazing Facts You Didn't Know G Whiz,2014-06-27 Did you know that Things That Matter contains Charles Krauthammer's opinions on a wide variety of controversial topics? Or, did you know that the contents of Things That Matter are taken from the last 30 years of history in The United States of America? What are the amazing facts of Things That Matter by Charles Krauthammer? Do you want to know the golden nuggets of facts readers love? If you've enjoyed the book, then this will be a must read delight for you! Collected for readers everywhere are 101 book facts about the book & author that are fun, down-to-earth, and amazingly true to keep you laughing and learning as you read through the book! Tips & Tricks to Enhance Reading Experience • Enter G Whiz after your favorite title to see if publication exists! ie) Things That Matter G Whiz • Enter G Whiz 101 to search for entire catalogue! • Tell us what title you want next! • Combine your favorite titles to receive bundle coupons! • Submit a review and hop on the Wall of Contributors! “Get ready for fun, down-to-earth, and amazing facts that keep you laughing & learning! - G Whiz DISCLAIMER: This work is a derivative work not to be confused with the original title.
