**Pony Alphabet** Danny Hutchinson,2018-12-04 Pony Alphabet is a fun way for children to learn their ABC's. A cute, brown, cartoon pony contorts his agile body into the shapes of the letters. As he does this he challenges the readers, Can you do it too?. This is a lot of fun. The children study the letter shapes and then try to do it themselves.The book has a rhyming text, which follows a rhythmic pattern to make it easy for children to follow. The pages are bright and colorful. Each alphabet page features a letter, a funny flexible pony and a picture of something that begins with that letter. This book uses important key words, and simple sentence structures to help children learn. I am a Junior School teacher, and a parent. This book is designed with my years of educational experience behind it. It is all about making learning fun.
