White is for Witching Helen Oyeyemi,2014-02-04 Winner of the Somerset Maugham Award One of Granta's Best Young British Novelists From the acclaimed author of What Is Not Yours Is Not Yours, Gingerbread, and Peaces There's something strange about the Silver family house in the closed-off town of Dover, England. Grand and cavernous with hidden passages and buried secrets, it's been home to four generations of Silver women—Anna, Jennifer, Lily, and now Miranda, who has lived in the house with her twin brother, Eliot, ever since their father converted it to a bed-and-breakfast. The Silver women have always had a strong connection, a pull over one another that reaches across time and space, and when Lily, Miranda's mother, passes away suddenly while on a trip abroad, Miranda begins suffering strange ailments. An eating disorder starves her. She begins hearing voices. When she brings a friend home, Dover's hostility toward outsiders physically manifests within the four walls of the Silver house, and the lives of everyone inside are irrevocably changed. At once an unforgettable mystery and a meditation on race, nationality, and family legacies, White is for Witching is a boldly original, terrifying, and elegant novel by a prodigious talent.

Nobu Nobu Matsuhisa,2019-09-24 “In this outstanding memoir, chef and restaurateur Matsuhisa...shares lessons in humility, gratitude, and empathy that will stick with readers long after they’ve finished the final chapter.” –Publishers Weekly (starred review) “Inspiration by example” (Associated Press) from the acclaimed celebrity chef and international restaurateur, Nobu, as he divulges both his dramatic life story and reflects on the philosophy and passion that has made him one of the world’s most widely respected Japanese fusion culinary artists. As one of the world’s most widely acclaimed restaurateurs, Nobu’s influence on food and hospitality can be found at the highest levels of haute-cuisine to the food trucks you frequent during the work week—this is the Nobu that the public knows. But now, we are finally introduced to the private Nobu: the man who failed three times before starting the restaurant that would grow into an empire; the man who credits the love and support of his family as the only thing keeping him from committing suicide when his first restaurant burned down; and the man who values the busboy who makes sure each glass is crystal clear as highly as the chef who slices the fish for Omakase perfectly. What makes Nobu special, and what made him famous, is the spirit of what exists on these pages. He has the traditional Japanese perspective that there is great pride to be found in every element of doing a job well—no matter how humble that job is. Furthermore, he shows us repeatedly that success is as much about perseverance in the face of adversity as it is about innate talent. Not just for serious foodies, this “insightful peek into the mind of one of the world’s most successful restaurateurs” (Library Journal) is perfect for fans of Marie Kondo’s The Life-Changing Magic

of Tidying Up and Danny Meyer’s Setting the Table. Nobu’s writing does what he does best—it marries the philosophies of East and West to create something entirely new and remarkable.
