**The Unofficial Hunger Games Cookbook** Emily Ansara Baines,2011-11-01 Here's some advice. Stay alive. --Haymitch Abernathy When it comes to The Hunger Games, staying alive means finding food any way possible. Katniss and Gale hunt live game, Peeta's family survives on the bread they make, and the inhabitants of the Seam work twelve-hour days for a few handfuls of grain--all while the residents of the Capitol gorge themselves on delicacies and desserts to the heart's desire. For the first time, you will be able to create delicious recipes from the humble District 12 to the extravagant Capital, including: French Bread from the Mellark Family Bakery Katniss's Favorite Lamb Stew with Dried Plums Rue's Roasted Parsnips Gale's Bone-Pickin' Big Game Soup Capitol-Grade Dark Chocolate Cake If you're starving for more from Katniss, Peeta, and Gale, this cookbook is sure to whet your appetite!

**Your Family in Pictures** Me Ra Koh,2014-08-12 From leading photography expert Me Ra Koh, The Photo Mom, comes the book for parents with little to no photography experience who want to capture better portraits and photos of their families using any camera. What parent doesn't want to capture the perfectly imperfect joy of family life through photos? From holidays and vacations to portraits and shared moments, celebrated photographer (and mom) Me Ra Koh not only helps moms and dads take better photos, but inspires them to discover photography as a way to connect with, cherish, and celebrate their family. With forty beautiful "photo recipes" anyone can follow—with any camera—preserving your family's story has never been easier!

**Miserly Moms** Jonni McCoy,2009-04-01 With gas and food prices soaring, there's more need than ever before for Jonni McCoy's Miserly Moms. Jonni shares the money-saving strategies that allowed her family to transition from two incomes to one. These practical, proven strategies, tips, and recipes will help anyone live frugally without feeling deprived. Real-life examples show how anyone can learn to live more carefully and reach their financial goals. Now in its fourth edition, Miserly Moms is packed with even more ways to reduce a family's expenses and expose hidden living costs.

Game Over at Guild Hall Amy Patricia Meade,2023-11-14 "It's game on when the longtime organizer of the annual Game Supper is murdered right in front of the diners. Readers who enjoy mysteries set in colorful rural settings will love Game Over at Guild Hall." —Sue Ann Jaffarian, author of the Odelia Grey and Ghost of Granny Apples mysteries In rural Vermont, where hunting and trapping are a way of life, nothing is bigger than the annual wild game supper at Guild Hall. Stella can't wait to sample the exotic dishes prepared by her neighbors, but when the longtime organizer of the supper falls dead, a victim of poisoning, Stella's appetite—along with a roomful of suspects—vanishes. Then that same night someone ransacks the hall's kitchen, presumably to destroy any evidence, and spots Stella snooping. Now she fears she may be the next target. Certain the only way to save herself is to find the culprit, Stella digs into the victim's life hoping to discover who might have wanted him dead. It turns out he'd made countless enemies over the years, as volunteers at the event were run ragged and hunters who wanted their food included were shunned. What's more, Stella discovers the victim had unearthed a shameful and long-buried secret at the hall itself. With the list of possible suspects growing and her life in danger, Stella zeroes in on a clue that could break the case wide open—as long as she can stay out of the killer's crosshairs . . . Praise for the Books of Amy Patricia Meade: "The first in a new series for Meade features yet another set of bright young detectives . . ." —Kirkus Reviews "Quaint characters and settings abound in this outing by New Yorker-turned-Vermonter Amy Patricia Meade." —Mystery Scene "Meade's debut will strike a chord with fanciers of Dorothy Sayers's Peter Wimsey and Harriet Vane." —Publishers Weekly "If only Katharine Hepburn, Cary Grant, and Jimmy Stewart were still alive. They would be fabulous in the movie version of Meade's debut Marjorie McClelland mystery . . . Meade's kickoff mystery is a winner." —Booklist "Meade successfully segues from her historicals (Black Moonlight) to this snappy yet traditional contemporary. She brings us pitch-perfect dialogue, original characters, and enormous potential for a fun series." —Library Journal "A fairly straightforward plot with a neat twist at the end, good characters, and a well-drawn location make for a good read." —The Bookbag

**Newsgames** Ian Bogost,Simon Ferrari,Bobby Schweizer,2012-09-21 How videogames offer a new way to do journalism. Journalism has embraced digital media in its struggle to survive. But most online journalism just translates existing practices to the Web: stories are written and edited as they are for print; video and audio features are produced as they would be for television and radio. The authors of Newsgames propose a new way of doing good journalism: videogames. Videogames are native to computers rather than a digitized form of prior media. Games simulate how things work by constructing interactive models; journalism as game involves more than just revisiting old forms of news production. Wired magazine's game Cutthroat Capitalism, for example, explains the economics of Somali piracy by putting the player in command of a pirate ship, offering choices for hostage negotiation strategies. Videogames do not offer a panacea for the ills of contemporary news organizations. But if the industry embraces them as a viable method of doing journalism—not just an occasional treat for online readers—newsgames can make a valuable

contribution.

**SIGNS OF SHARING** Sue F. V. Rakow,Carol B. Carpenter,1993-01-01 SIGNS OF SHARING is a unique set of materials that provides educators whose responsibilities include the integration of hearing-impaired children, with a multifaceted tool to teach sign language and deaf awareness. Included is an initial section on mainstreaming deaf children in regular classrooms which is followed by a section on deaf awareness that provides complete information, goals, necessary materials, and step-by-step activities for a class to learn by the hands-on approach. The main section of the book is a complete teacher's guide to teach sign language to preschool through third grade students in classrooms and organizations. There are 28 lessons designed to provide creative, exciting, and fun ways to learn and use sign language. Each lesson includes a list of signs to be introduced, materials needed, and numerous activities to present and practice the signs. Each lesson contains sign cards, sign sheets, and activity or song sheets. Suggestions for the use of these materials are given in each lesson. The lessons are arranged to follow the natural progression of a school year. The drawings used to teach the signs are appealing, clear, easy to understand depictions of multicultural children, thus creating a child-oriented curriculum for learning about the world of deafness.
