Ambrose Bierce

*Ambrose Bierce* Roy Morris,1998 Chronicles the life and career of the acerbic author, from his youth, through his experiences during the Civil War, to his 1913 disappearance in revolution-torn Mexico-OCLC

**A Much Misunderstood Man** Ambrose Bierce,2003 The binding thread throughout this edited collection of Ambrose Bierce's letters is the argument that Bierce has too often vilified as a cynical misanthrope. Joshi and Schultz believe that Bierce's human side has been ignored by scholars, and they work here to rectify this oversight. The importance of this collection is underscored by the fact that no collection of Bierce's letters has been published since 1922. This selection represents a sampling of nearly one-half million words of Bierce's correspondence, which Joshi and Schultz are the first to gather and transcribe. The letters reveal many sides of Bierce that he deliberately concealed in his literary work: the caring father who keenly felt the deaths of his two sons and took constant interest in the welfare of his only daughter; the literary giant of San Francisco who gathered around him a substantial cadre of disciples whose work he encouraged and meticulously criticized; the vigorous castigator of chicanery, hypocrisy, and injustice wherever he saw it; and the author of coyly flirtatious letters to a number of female correspondents. For the first time, a well-rounded picture of Bierce the man and writer emerges in his own words. The volume ends chillingly with Bierce's last surviving letter, written from Chihuahua, Mexico, on December 26, 1913, which concludes: As for me, I leave here tomorrow for an unknown destination. Bierce was never heard from again. The letters have been scrupulously edited from manuscript sources and exhaustively annotated to elucidate obscure historical, literary, and other references.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. Civil War Stories Ambrose Bierce,2012-03-01 Sixteen dark and vivid tales by great satirist: A Horseman in the Sky, An Occurrence at Owl Creek Bridge, Chicakamauga, A Son of the Gods, What I Saw of Shiloh, more. Note.

**The Complete Short Stories of Ambrose Bierce** Ambrose Bierce,1984-01-01 Treasury of ninety-three short works includes horror stories, realistic narratives of war, and tall tales of the old West

*The Collected Fables of Ambrose Bierce* Ambrose Bierce,2000 Bierce's fables are distinguished for their biting wit and their cynical reflection of the political and social events of his time. Local and national political figures; corrupt lawyers, judges, and clergymen; and even incidents in the Spanish-American War are all mercilessly lampooned. The fables not only testify to Bierce's hatred of hypocrisy, cant, and all sham but provide a window into late nineteenth-century American society. S. T.

*The Collected Works of Ambrose Bierce ...: The devil's dictionary* Ambrose Bierce,1911

The Collected Works Of Ambrose Bierce Vol 1 Ambrose Bierce,2023-05 'The Collected Works of Ambrose Bierce, Volume 1' is a comprehensive collection of the early works of the celebrated American author and satirist, Ambrose Bierce. This volume includes a range of Bierce's writings, including his essays, short stories, and satirical pieces, as well as selections from his journalism and letters. Bierce's writing is characterized by its acerbic wit, its incisive commentary on American society and politics, and its dark, often macabre themes. His stories frequently explore the darker aspects of human nature, and his satirical

pieces are biting critiques of the social and political issues of his day. In addition to his writing, Bierce was also a noted journalist and newspaper editor, and his work in these fields is well-represented in this volume. The book provides readers with a comprehensive overview of Bierce's early career and offers valuable insights into the literary and political landscape of late 19th-century America.

Ambrose Bierce and the Queen of Spades Oakley Hall,2023-12-22 The Morton Street Slasher has been leaving the corpses of his victims around San Francisco's Union Square. On the women's naked bodies are spade playing cards. The city's infamous newspaperman, Ambrose Bierce, blames the rash of murders on his old enemy, the Southern Pacific Railroad. A naive reporter at Bierce's Hornet pursues the case, uncovering conspiracy at every turn. In a fast-paced novel that is a combination of murder mystery, historical fiction, and quirky biography, Oakley Hall draws the reader into 1880s San Francisco and the changing world that was California in the latter part of the nineteenth century. Local and state politics, the exploitation of the Chinese, the power of the mining and railroad barons, and San Francisco's colorful history provide a backdrop for this irresistible thriller. The novel's chapters are introduced by appropriate excerpts from Bierce's *The Devil's Dictionary* and narrated by the young reporter Tom Redmond. Redmond is interested in the murders because of his attraction to a woman threatened by the Slasher, and Bierce encourages him because of his personal vendetta against the Big Four of the Railroad. Bierce's misogyny is an influence as well, which Hall uses to advantage in portraying the enigmatic journalist. Hall knows his territory and his characters well. The sights and smells of late-nineteenth-century California are cleverly evoked, and the story's key players are refreshingly authentic. Bierce brandishes his famed cynicism with all the aplomb of the sharp-eyed, sharp-witted newspaperman he was. Cameo appearances by such California worthies as Ina Coolbrith and Joaquin Miller add to the novel's historical richness. Intelligent, gripping, and often quite funny, *Ambrose Bierce and the Queen of Spades* will satisfy any reader who craves adventure, mystery, romance, and fine writing.

*The Collected Works of Ambrose Bierce* Ambrose Bierce,2019-09-25 Reproduction of the original: *The Collected Works of Ambrose Bierce* by Ambrose Bierce

**The Private Correspondence of Ambrose Bierce - A Collection of the Letters sent by Ambrose Bierce to his Closest Friends and Family from 1892 up until his Disappearance in 1913 - Including a Biography and a Memoir of Ambrose Bierce** Ambrose Bierce,2016-08-16 Ambrose Gwinnett Bierce was born in Meigs County, Ohio, United States in 1842. Bierce is critically best remembered for his fiction and many other writings are also generally regarded as some of the best war writings of all time.
