Ríos Alcocer

Comprador de Oraciones Florencio L. R. Os, Florencio López Ríos, 2012-05 A mi pequeño hijo Te di mis nostalgias, las primeras lluvias sobre las palmeras de mis recuerdos, los pasos fuertes, el tiempo en que comía mucho y no, engordaba, las alegrías de mis hijos tus hermanitos, Te he dedicado tiempo, un tiempo bueno, un tiempo de más. Hasta que maduraste primero como un sueño después como verso hasta formar letras vanas poesías que vuelan contigo, al contrario de tus hermanos primero creciste y tu nacimiento fue en tu madurez cuando ya eras un joven y bello sueño te convertiste por fin en proyecto y así te llame pensamiento mi bello pequeño mi hermoso libro A ti estas letras de felicidad de este padre orgulloso de tu contenido creo que serás un buen campesino espero que siembres y que dejes madurar tu semilla y tu momento para cosechar la espiga

Cuentos a la Luz de Mi Lámpara Ríos Alcocer, 2012-11 No existe una región más misteriosa que el corazón humano, de ahí surgen los sueños, los anhelos de ser feliz. Al tratar de describir sentimientos y situaciones, me vi escribiendo a la luz de mi lámpara, esta serie de relatos, unos reales, otros imaginarios. Espero que quien los lea, encuentre en estos cuentos, algo de la magia consoladora que yo hallé.

The Gringo Amigo Gary McCarthy, 1997-05 Michael Callahan had made one friend in his travels west, a young Mexican named Joaquin Murieta. Their friendship in the face of hatred from Mexicans and Anglos alike earn Callahan the reputation as the Gringo Amigo. And when an unspeakable act drives the young Mexican on a bloody mission of vengeance, and the price on his life grows higher, there is just one man who could or would save him-- the loyal Gringo Amigo.

Fuego amigo Hugo Quinterno, 2014-01-14 Este trabajo analiza parte de los mecanismos por los que el ejército nacional se convirtió en una herramienta vital para la consolidación del poder presidencial entre 1880 y 1912, en especial la construcción de un ordenamiento legal que transfirió al gobierno federal los servicios militares atribuidos a las provincias por la Constitución de 1853/1860. La construcción de ese ejército en un instrumento principal de control político lleva a repensar los lineamientos de la historiografía tradicional y releer el contexto en que se dictaron las leyes militares; revisar las constantes y las rupturas en los sistemas de formación de los cuadros y el reclutamiento; asomarse al juego de poderes e influencias arbitrado en las cúpulas institucionales, pero también a la trama de sociabilización desarrollada por las fuerzas armadas en su relación con los sectores populares; examinar los mecanismos y las formas de resistencia de los poderes provinciales ante el despojo de las funciones militares a los que los sometió el estado central; y mostrar cómo el jerarquizar una hipótesis de conflicto básicamente interna y de tensión interoligárquica determinó un tipo de concentración espacial de los cuerpos militares pensado como un almacén de acero del presidente.

Ser amigo mío es funesto Joseph Roth, Stefan Zweig, 2020-07-02 Alemania está muerta. Para nosotros, está muerta ... Ha sido un sueño. ¡Véalo de una vez, por favor!. De esta manera se dirige Joseph Roth a su gran amigo Stefan Zweig, con quien mantuvo una singular y reveladora correspondencia que les permitió compartir intereses literarios, afinidades intelectuales, consejos personales y confesiones sentimentales. Roth, perspicaz y obsesivo, supo ver desde el principio el destino que le esperaba con el ascenso del nacionalsocialismo y se exilió, mientras que Zweig intentó denodadamente—y en vano—transigir, hasta convencerse de que debía emigrar. Esta colección de cartas no es sólo la crónica de un tiempo turbulento en que se impuso la barbarie, sino sobre todo el testimonio del extraordinario compromiso de dos grandes escritores europeos del siglo pasado con la razón y los valores del humanismo. Una valiosa e intensa correspondencia. Un documento descarnado que nos sitúa, en vivo y en directo, dentro de la vorágine de la Historia. Los diagnósticos de Roth en estas cartas fueron feroces, visionariamente implacables, sin concesiones. Mercedes Monmany, ABC Un revelador retrato de la sinrazón

que llevó a la Segunda Guerra Mundial. Un valioso retrato íntimo de ambos autores. Iker Seisdedos, *El País Sin duda* no habrá mejor manera a nuestro alcance para conocer a Joseph Roth que este volumen. Un libro necesario para conocer mejor su pensamiento e inquietudes. Toni Montesinos, *La Razón* Estas cartas no son arqueología, sino una poderosa luz que contribuye a esclarecer el mundo actual. Zweig nos invita a pasear. Roth nos hace mirar al abismo. Rafael Narbona, *El Mundo* La viva correspondencia entre dos hombres de distinta extracción social, dos mentes lúcidas, sensibles, paradójicas, situadas ante una realidad sangrante que cada uno enfrentó a su manera. Robert Saladrigas, *La Vanguardia* La correspondencia entre Stefan Zweig y Joseph Roth muestra los estrechos vínculos entre dos grandes escritores que afrontaron de un modo muy diferente la amenaza del nazismo. Las cartas reunidas aquí acreditan una década larga de una fraternidad no exenta de tensiones. Ignacio F. Garmendia, *Diario de Sevilla* ¿Por qué extraer y editar por separado la correspondencia entre Roth y Zweig? Por necesidad e interés, sin duda, y por el gran valor intelectual de estos grandísimos escritores. Y, por encima de todo, para recuperar el sentido entero de esta amistad única y auténtica. Joaquín Armengol, *Ara* Esta sinceridad, esta autenticidad, este decírselo todo a la cara, sin callarse nada, desnudarse espiritualmente frente a tu interlocutor -y por lo tanto, también frente a los lectores y lectoras-, es lo más valioso de esta correspondencia. Xavier Serrahima, *El Punt Avui* Epistolario lleno de miedos, dudas, lecturas, esperanzas y todo tipo de adversidades compartidas por dos grandes autores del siglo XX. Una maravilla ver cómo la amistad, el respeto y la alegría de crear, pese a tantas dificultades, triunfan sobre la desgracia. Antonio Bordón, *La Provincia* Hermoso y doloroso retrato de Roth, pero también una crónica negra de la Europa camino de la Segunda Guerra Mundial y el genocidio judío. Héctor J. Porto, *La Voz de Galicia*

Más que un amigo Sylvia Andrew, 2009-09-01 Al encontrarse al borde de la indigencia, Deborah Staunton se vio obligada a aceptar la caridad de la familia Perceval. Su viejo amigo y confidente, Hugo Perceval, estaba dispuesto a ayudarla en todo lo que necesitara. Pero Deborah no quería que la viera como a una joven desamparada y necesitada de compasión, sino como a una futura esposa. Todo lo que Hugo quería era una vida tranquila con una dama discreta y apacible, no un torbellino que lo destrozara todo a su paso. Pero cuando Deborah entró en su vida, empezó a cuestionarse si no sería ella lo que realmente necesitaba.

TIEMPO DE LUCES Y DE SOMBRAS ,2023-12-04 La novela mezcla los recuerdos, con una gran parte inventada, desde el prisma de la fantasía, y de la invención más rocambolescas. Gira en torno al personaje principal, Amador García, y a otros personajes secundarios, como su amor platónico, Rosa, o K; personaje éste último inventado, nacido, directamente, de la onírica mente de Amador. Estos personajes destacables, y otros que irás descubriendo, conforme bucees, cada vez más, en esta novela, van adquiriendo un mayor peso, o protagonismo, según avanza el desarrollo de la misma. Se trata de un largo, y fantasmagórico, viaje, a través de las vías férreas cuya materia prima es muy variada: vivencias, recuerdos, imaginación, sueños hilarantes, etc.; un multiverso habitado por distintos, y muy variados personajes, que aparecen, y desaparecen, aleatoriamente (¿o voluntariamente?) a lo largo de la novela. Unas veces el viaje será duro y pesado; otras amable o extraño e, incluso, entretenido (y divertido, en algunos pasajes), en un singular Tren, que, se convertirá en la piedra angular del libro, que yo calificaría como singular. Incluso, diría que el verdadero protagonista de esta historia, es el Tren, pero un tren muy especial y particular... Bueno, querido lector, no quiero destripar más las entrañas del libro. Espero que estas palabras te sirvan de guía o faro, para que puedas navegar, con su luz, por las aguas de este mar de historias. La novela mezcla los recuerdos, con una gran parte inventada, desde el prisma de la fantasía, y de la invención más rocambolescas. Gira en torno al personaje principal, Amador García, y a otros personajes secundarios, como su amor platónico, Rosa, o K; personaje éste último inventado, nacido, directamente, de la perversa mente de Amador. Estos personajes destacables, y otros que irás descubriendo, conforme bucees, cada vez más, en esta trilogía, van adquiriendo un mayor peso, o protagonismo, según avanza el desarrollo de la misma. La idea fundamental es que es un largo viaje, a través de las vivencias, y de los recuerdos (incluso de los sueños más hilarantes), por parte de los distintos personajes que aparecen en la novela. Unas veces el viaje será duro y pesado; otras amable o extraño e, incluso, entretenido (y divertido, en algunos pasajes), en un singular Tren, que, se convertirá en la piedra angular del libro, que yo calificaría como raro. Incluso, diría que el verdadero protagonista de esta historia, es el Tren, pero un tren muy especial y particular... Bueno, querido lector, no quiero destripar más las entrañas del libro. Espero que estas palabras te sirvan de guía o faro, para que puedas caminar, con menos oscuridad, por las profundidades de esta historia tan personal y particular. mezcla los recuerdos, con una gran parte inventada, desde el prisma de la fantasía, y de la invención más rocambolescas. Antología poética del paisaje de España Cayo González Gutiérrez, Manuel Suárez González, 2001 Los antólogos Manuel Suárez y Cayo González nos guían por un viaje por España a través de la mirada extraordinaria de una rica y vasta nómina de poetas: Francisco de Quevedo, Luis de Góngora, José de Espronceda, Garcilaso de la Vega, Rafael Alberti ...

Editar en Colombia en el siglo XX Pineda Cupa, Miguel Ángel, 2019-06-07 Este libro ofrece un análisis histórico amplio sobre el campo de producción editorial liderado por el intelectual colombiano Daniel Samper Ortega para la realización de la Selección Samper Ortega de Literatura Colombiana, colección literaria de 100 volúmenes de autores colombianos publicada entre 1928 y 1937. Por primera vez se hace una investigación de esta colección con base en la revisión de sus antecedentes bibliográficos, las intervenciones editoriales de su editor y las relaciones políticas, sociales y comerciales que mantuvo con la Editorial Minerva, el Estado colombiano y con autores, lectores, prensa local y librerías protagonistas en la “tomificación” de la literatura colombiana de los siglos xix y xx , “moda bastante moderna” en sus palabras. El autor recurre a los métodos del estudio del libro y la edición desde la coyuntura socioeconómica en su totalidad y a la observación detallada de los principales procesos y actores a través de los cuales se pensó y se leyó esta selección.

The Briefcase Bob N. Maki, 2000-10-13 The setting is Boston, Massachusetts and its environs during the late 1950's. The story concerns the interrupted lives of two young friends, Bobby and Carlos, who were studying engineering at Northeastern University. Carlos has just been informed that he will be terminated by the University because of his failure to pass several of the mandatory English courses in the curriculum during the past few years. He is a Cuban national and his visa is contingent upon staying at the University. On the same day, Carlos receives a letter from his father, a prominent doctor and friend of President Fulgencio Batista. He is told that Fidel Castro and his forces are fast approaching Havana, and he has made the decision to immediately leave the island with Carlos's mother and sister. Under these circumstances Carlos can no longer return to his homeland without facing possible imprisonment or death. In an effort to console Carlos, Bobby agrees to go with him to one of his favorite Boston haunts, the Latino Club, where Carlos has friends. Unfortunately, they innocently find themselves in the middle of a brutal murder that has taken place in the men's room of the club and in self defense, they suddenly become killers themselves. During the course of their escape from the men's room, Bobby notices a briefcase apparently left by one of the individuals who had been murdered. He impulsively grabs it while running out and successfully stashes it in one of Boston's well known parking garages. The briefcase, however, was securely locked, and in his haste, he never has the opportunity to determine what it contains. Carlos and Bobby are apprehended very quickly that same evening and unjustly sentenced to ten year prison terms at Concord Reformatory. The story also involves the life and experiences of Bobby's brother Alan who was a successful golf tour professional until an accident curtails his promising career. We follow his tender relationship with Judy, his childhood sweetheart who accompanied him on tour until she can no longer stand the mental anguish of watching a man destroy himself because he can no longer compete. After years of ambivalence we see how these two brothers come together to help each other. While in prison, an unscrupulous prison guard with a bent on shaking down his charges, researches the court transcripts of the case involving Bobby and Carlos. He surmises that a good deal of money should have been found at the crime scene, but never was. He begins to intimidate them in prison and eventually follows Bobby upon his release, thinking that he will head straight for the money. Bobby meets a very trusting young woman upon his release from prison who he confides in and falls in love with. Eventually he discovers a discreet way to get back to the

briefcase in Boston by hiding in the trunk of Alan's car and having him park on the same floor of the parking garage where he had hidden the briefcase. His plan is successfully accomplished when he discovers that the briefcase is still where he had hidden it ten years earlier. However, shortly after re-entering Alan's car trunk with the briefcase, Alan's car is stolen from the garage and he finds himself on a hair raising ride to Providence. Ultimately he survives the experience, discovers that the briefcase contains a small fortune and some secret Soviet documents describing a biological warfare facility in

Robador de versos Robles De la Paz, 2020-05-28 CUANDO NO TE SIENTA Cuando ya no sienta nada. Cuando no sienta tu aliento. Cuando se me lleve el viento y fría esté tu almohada, aún oirás la llamada y la miel de aquel respiro que al corazón le dio un giro, y gritó desde tus ojos: que un amor hecho de gozos va de suspiro en suspiro. HÁBLAME DE TUS LIBROS Háblame de los libros que has leído que te hacen suspirar y emocionarte. Cuéntame, amor, para luego soñarte en sueños o despierto adormecido. Háblame de la aurora al levantarte, de tu boca jugosa que ha bebido la historia de los libros, y ha vivido en los ríos y mares que soñaste. Háblame de esperanzas y de olvidos, de tus risas, de llantos y de amigos, de los libros de increíbles historias. Háblame con suspiros contenidos poemas que en tu alma son testigos del latir de sus versos y victorias. Háblame de los libros que has leído en sueños o despierto adormecido..

Ameego 121 Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the power of words has been evident than ever. They have the capability to inspire, provoke, and ignite change.
