**Amelia's Notebook** Marissa Moss,2011-05-03 When Amelia's mom gives her a journal for her birthday, she finally has a place to share her truest feelings at last! Nine-year-old Amelia's mother gives her a blank notebook to write down her thoughts and tells her it will make her feel better. Why would a dumb notebook make me feel better, Amelia thinks. The only thing that will make Amelia feel better is going back to old house, her old school, and her old friends. Amelia does not--do you hear this!--want to move. But no one is listening to Amelia.

**Finding Amelia** Jane Amelia Smith,2012 An intriguing tale of faith, love, and death, that spans the generations. When fourteen year old, Amelia Morelli, loses her beloved father in the 9/11 terrorist attack, her near perfect world comes to a stand still. In an attempt to rescue the melancholic Amelia, her Granny Lou, orchestrates a search for the girl's ancestral namesake. The family sleuths travel from their Connecticut home, to the tidewater area of Virginia. With dogged determination, they eventually uncover the truth behind the strange disappearance of the family 19th century matriarch, from her privileged, plantation home. Parallels are drawn between Amelia and her namesake, and lessons from the past speak to the young girl. With the continued support of her Christian family, Amelia begins to heal. In the wake of the family quest, both heroine and reader, are left to ponder the impact our ancestors might have upon the living. In a strange twist, this story suggests that our forebearers never leave us at all, for better or worse, we leave them.

**Reconstructing Amelia** Kimberly McCreight,2013-06-20 Ever wondered what goes on inside your daughter's head? Stressed single mother and law partner Kate is in the meeting of her career when she is interrupted by a telephone call to say that her teenaged daughter Amelia has been suspended from her exclusive Brooklyn prep school for cheating on an exam. Torn between her head and her heart, she eventually arrives at St Grace's over an hour late, to be greeted by sirens wailing and ambulance lights blazing. Her daughter has jumped off the roof of the school, apparently in shame of being caught. A grieving Kate can't accept that her daughter would kill herself: it was just the two of them and Amelia would never leave her alone like this. And so begins an investigation which takes her deep into Amelia's private world, into her journals, her email account and into the mind of a troubled young girl. Then Kate receives an anonymous text saying simply: AMELIA DIDN'T JUMP. Is someone playing with her, or has she been right all along?

**Our Only May Amelia** Jennifer L. Holm,2016-07-05 The beloved Newbery Honor book by the author of *The Fourteenth Goldfish*, about a spirited heroine growing up with trying circumstances, a sense of adventure, and tremendous heart. It isn't easy being a pioneer in the state of Washington in 1899. It's particularly hard when you are the only girl ever born in the new settlement. With seven older brothers and a love of adventure, May Amelia Jackson just

can't seem to abide her family's insistence that she behave like a Proper Young Lady. She's sure she could do better if only there were at least one other girl living along the banks of the Nasel River. And now that Mama's going to have a baby, maybe there's hope. Inspired by the diaries of her great-aunt, the real May Amelia, three-time Newbery Honor-winning author Jennifer Holm gives a beautifully crafted tale of one young girl whose unique spirit captures the courage, humour, passion and depth of the American pioneer experience.

Gray, 2020-06-30 "A cozy whodunit that cheerfully affirms girls' and women's contributions to aerospace." –KirkusReviews Amelia Earhart's famous aviator goggles go missing and eleven-year-old Millie has to find them before the night is over in this girl-powered middle grade mystery. Eleven-year-old Amelia Ashford–Millie to her friends (if she had any, that is)–doesn't realize just how much adventure awaits her when she's given the opportunity of a lifetime: to spend the night in Amelia Earhart's childhood home with five other girls. Make that five strangers. But Millie's mom is a pilot like the famous Amelia, and Millie would love to have something to write to her about...if only she had her address. Once at Amelia's house in Atchison, Kansas, Millie stumbles upon a display of Amelia's famous flight goggles. She can't believe her good luck, since they're about to be relocated to a fancy museum in Washington, DC. But her luck changes quickly when the goggles disappear, and Millie was the last to see them. Soon, fingers are pointing in all directions, and someone falls strangely ill. Suddenly, a fun night of scavenger hunts and sweets takes a nosedive and the girls aren't sure who to trust. With a blizzard raging outside and a house full of suspects, the girls have no choice but to band together. It's up to the Amelia Six to find the culprit and return the goggles to their rightful place. Or the next body to collapse could be one of theirs.
