Miss Locke's Christmas Secret Anastasia Hayward, 2023-09-29 She has a secret... Three years ago, a rake stumbled into Amelia's bedroom, forcing her to cover up the scandal and hide it even from her family. Now at a Christmas party hosted by none other than said rake, Amelia is torn between staying the proper wallflower with a secret or blooming into the woman she was on that fateful night so long ago. He is an open book... Lord Sudbury, a recently reformed rake, knows that the quiet woman in the drab dress hides a fierce personality. Partnered together in a contest at his Christmas party, he is determined to figure out more than just the mystery game's clues. Not everyone is as they seem... Together again, their personalities clash and the closer they get to winning the game, the more Amelia worries that a rake's curiosity will lead to her ruin. A Regency romance novella.

and delightful Hidden Picture Puzzle critters will spark your IMAGINATION with lots of make-believe fun. Over 1,500 hidden objects to entertain and challenge kids from 4 to 102.

The Secret Lives of Sports Fans Eric Simons, 2013-04-04 In this accessible study, a journalist examines the science, philosophy, and sociology behind being a sports fan. Sports fandom is either an aspect of a person's fundamental identity, or completely incomprehensible to those who aren't fans at all. What is happening in our brains and bodies when we feel strong emotion while watching a game? How do sports fans resemble political junkies, and why do we form such a strong attachment to a sports team? Journalist Eric Simons presents in-depth research in an accessible and brilliant way, sure to interest readers of Malcolm Gladwell. Through reading the literature and attending neuroscience conferences, talking to fans, psychologists, and scientists, and working through his issues as part of a collaboration with the NPR science program RadioLab, Eric Simons hoped to find an answer that would explain why the attractive force of this relationship with treasured sports teams is so great that we can't leave it. Praise for *The Secret Lives of Sports Fans* "Adroitly mixing research with feature reporting, Simons unveils some intriguing discoveries. . . . There's a lot of science to digest, but Simons's affable writing style—and his great eagerness to profile actual people, including himself—infuses the data with heart and soul." —Publishers Weekly "An intriguing ride through "all the wondrous quirks and

oddities in human nature.” –Kirkus Reviews
