A Practical Guide to Commercial Real Estate Transactions Gregory M. Stein,Morton P. Fisher,Michael D. Goodwin,2016 For proven guidance and techniques for handling a commercial real estate deal, this practical guide will help you negotiate and close the deal. The authors cover each step of a real estate transaction in the order in which it generally arises, and offers pertinent advice, practice comments, and sample forms throughout. Because much of the real estate lawyer's practice revolves around transactional documents, the book's chapters emphasize the drafting, negotiation, and revision needed to get a deal closed. Written by a law professor and two real estate practitioners, this book offers a useful combination of text overview and practice pointers. It helps lawyers with less experience navigate through the maze of steps involved in a real estate transaction. At the same time, it serves as a valuable reference for more seasoned attorneys as well as those whose practice is concentrated in other areas of the law. Downloadable forms are available online.
