The Scofield Study Bible Oxford University Press,2005 This edition combines the renowned Scofield study notes and reference system with the New American Standard Bible, a translation celebrated for accurately communicating the meaning of the original text. Dr. C.I. Scofield's reflections on the Word of God have been augmented and enhanced (not revised) to make the classic teachings of these annotations clearer to today's reader. An

abundance of factual information is presented in topical articles, charts, and lists that add in-depth understanding to your study time.

The New American Bible ,1995

Holy Bible American Standard Version Bible Domain

Publishing,2013-12-14 OLD & NEW TESTAMENT The American Standard Version (ASV) came into being due to the leadership of Phillip Schaff, who assembled a team comprised of 30 American and British scholars. Work on the ASV was completed in 1901. The translation was tasked with the goal of an accurate, literal, word-for-word translation of the Holy Scriptures. The ASV took advantage of two 19th century developments to achieve their goal: improvements in understanding the grammar and syntax of koine Greek (the language of the New Testament), and a more complete library of manuscripts than previous Bible translators had access. As a result of this work the ASV translation was developed that retained distinctions made in Greek that are not normally expressed in modern English. For example, second person personal pronouns in modern English usage are normally you which gives no distinction between the singular and plural. Koine Greek unambiguously makes the distinction between a second person personal singular pronoun and the second person personal

plural pronoun. In this case the ASV retained these distinctions by using archaic English (you for the singular and ye for the plural). The word-for-word translation of the ASV was attractive in the scholarly environment, and the ASV was adopted as the standard version used by many American seminaries. The ASV is the foundation and starting point for several modern translations. Hence it is a very good reference and even primary translation to use. Note: Paperback is 8.5x11 with regular thickness pages for durability. Also only 476 pages for portability. Note2: Tiny Font (Font=6) has been replaced with a Moderate Font (Font=8). Area needed is twice but it IS a great deal more READABLE. Your complaints have been heard!

New American Standard Bible Side Column Reference

Foundation Publication Inc,2002-06-01

Holy Bible, The American Standard Version, Yahweh Edition

Various,2017-04-12 A reprint of the classic American Standard version of the Holy Bible. This reprint is more of a reference and study tool rather than a devotional Bible. The verses all begin on their own lines to make it easier to reference certain verses and the durable paper the book is printed on makes it easier to make notes right in this Bible without having to markup that beautiful

leather edition that you keep. As well the edition has replaced all the Jehovah's with what most scholars believe is the name of God in the Old Testament, Yahweh.

The Nasb Minister's Bible Black New American Standard Bible
Hendrickson Publishers, 2006-02 The Bible to take with you--
wherever your ministry takes you! The NASB Minister's Bible is the perfect on-the-go Bible to equip pastors, counselors, pastoral caregivers, lay teachers--everyone active in Christian service. Pairing the ultra-precise New American Standard Bible text with a rich array of unique resources, it helps them meet the challenges of everyday ministry opportunities as well as manage its stresses. Features include a practical guide to visitation; sample services for weddings, funerals, and baptisms; a step-by-step plan of salvation; quick-find scripture references to answer tough questions; and more. Ministry helps were previously published in The NIV Pastor's Bible and have now been thoroughly updated. This is the Bible that ministers are asking for! - The only NASB Bible targeted specifically to ordained as well as lay ministers - Sturdy sewn binding will give years of hard-wearing service - Slimmer size in beautiful genuine leather binding is easy to carry anywhere - Field-tested ministry helps meet the unique needs of pastors and other

ministers - Step-by-step plan of salvation and quick-find scripture references to answer tough questions - Updated 1995 edition of the NASB translation - Cross-references - Concordance - Black letter text - One ribbon marker

Study Bible-NASB Kenneth L. Barker, Kenneth D. Boa, Donald W. Burdick, John H. Stek, Walter W. Wessel, Ronald F. Youngblood, 1999-12-01 Book introductions include outlines, author information, date, interpretation helps, theme, and archaeological, historical, and literary information 100,000 center-column cross-references 80 in-text charts and maps Concordance Subject and study note indexes 23 pages of color maps and timelines Red letter 2,208 pp.

The Exhaustive Concordance of the Bible James Strong, 1890
NASB Thinline Bible Red Letter Edition [Giant Print, Black]
Zondervan, 2020 Universally recognized as the gold standard among word-for-word translations, the beloved New American Standard Bible, 1995 Edition, is now easier to read with Zondervan's exclusive NASB Comfort Print typeface.
