**Swapping Stories** Lindahl, Carl, Maida Owens, C. Renée Harvison, 2009-10-20 Here are more than two hundred oral tales from some of Louisiana's finest storytellers. In this comprehensive volume of great range are transcriptions of narratives in many genres, from diverse voices, and from all regions of the state. Told in settings ranging from the front porch to the festival stage, these tales proclaim the great vitality and variety of Louisiana's oral narrative traditions. Given special focus are Harold Talbert, Lonnie Gray, Bel Abbey, Ben Guiné, and Enola Matthews--whose wealth of imagination, memory, and artistry demonstrates the depth as well as the breadth of the storyteller's craft. For tales told in Cajun and Creole French, Koasati, and Spanish, the editors have supplied both the original language and English translation. To the volume Maida Owens has contributed an overview of Louisiana's folk culture and a survey of folklife studies of various regions of the state. Car Lindahl's introduction and notes discuss the various genres and styles of storytelling common in Louisiana and link them with the worldwide are of the folktale.

**Brazen: Big Banks, Swap Mania And The Fallout** A Rashad Abdel-khalik, 2019-02-15 For nearly two decades, countless non-profits in the U.S. were forced to pay big banks enormous sums of money to settle or terminate bilateral contracts known as Interest Rate Swaps (IRSs). Officials at non-profits had entered into these costly contracts unaware that each contract has only one winner, and that big banks did not intend to be the losers. The effects of such monetary transfers have been catastrophic. Money-strapped non-profits had to dismiss schoolteachers, shut off water supply to thousands of poor households, and downsize many other essential public services. Local and state governments, public school districts,

universities, hospitals and transit authorities from New York to Los Angeles have been among the largest hit. This book presents selected cases and highlights the lack of evidence that decision makers at non-profits had fully understood the terms and complexities of IRSs. The evident unequal bargaining power thus gives rise to the high likelihood of unconscionable contracting. Additionally, for terminating these contracts, big banks collected huge sums of money for services that had not been, and will never be, rendered. Accordingly, questions arise as to whether these termination payments are tantamount to unjust enrichment. Related Link(s)

**The Man Called Noon (Louis L'Amour's Lost Treasures)** Louis L'Amour, 2019-04-30 As part of the Louis L'Amour's Lost Treasures series, this edition contains exclusive bonus materials! In one swift moment a fall wiped away his memory. Now all he knew for certain was that someone wanted him dead—and that he had better learn why. But everywhere he turned there seemed to be more questions—or people too willing to hide the truth behind a smoke screen of lies. He had only the name he had been told was his own, his mysterious skill with a gun, and a link to a half million dollars' worth of buried gold as evidence of his past life. Was the treasure his? Was he a thief? A killer? He didn't have the answers, but he needed them soon. Because what he still didn't know about himself, others did—and if he didn't unlock the secret of his past, he wasn't going to have much of a future. Louis L'Amour's Lost Treasures is a project created to release some of the author's more unconventional manuscripts from the family archives. In Louis L'Amour's Lost Treasures: Volumes 1, Beau L'Amour takes the reader on a guided tour through many of the finished and unfinished short stories, novels, and treatments that his father was never able to publish during his lifetime. These exciting publications will be followed by Louis L'Amour's Lost Treasures: Volume 2. Additionally, many beloved classics will be rereleased with an exclusive Lost Treasures postscript featuring previously unpublished material, including

outlines, plot notes, and alternate drafts. These postscripts tell the story behind the stories that millions of readers have come to know and cherish.
