APC In Search of Green Life - Environmental Studies - Class 3 Sunita Jaisingh, Dr. Urvashi D., Dr. Kalpana, Dr. Seema Gupta, Ashok Gupta, Environmental studies is a multidisciplinary subject that integrates the study of environment with social studies and sciences. The present series In Search of Green Life aims to develop an understanding of one's surroundings along with respect for local, national and global environment. We feel it is important for children to be aware and sensitive to contrasting opportunities and constraints under which people live. The focus has been on developing independent thinking through a number of activities, Project Work has been provided in each unit to inculcate collaborative learning and communication skills among students. The book is interactive in nature as it provides for a lot of Fun Facts, Learning by Doing and ideas for discussion.

The Princess and the Fangirl Ashley Poston, 2019-04-02 The Prince and the Pauper gets a Geekerella-style makeover in this witty and heartfelt novel for those who believe in the magic of fandom—now with an excerpt from Bookish and the Beast. Imogen Lovelace is an ordinary fangirl on an impossible mission: to save her favorite Starfield character, Princess Amara, from being killed off. On the other hand, the actress who plays Amara wouldn't mind being axed. Jessica Stone doesn't even like being part of the Starfield franchise—and she's desperate to leave the intense scrutiny of fandom behind. Though Imogen and Jess have nothing in common, they do look strangely similar to one another—and a case of mistaken identity at ExcelsiCon sets off a chain of events that will change both of their lives. When the script for the Starfield sequel leaks, with all signs pointing to Jess, she and Imogen must trade places to find the person responsible. The deal: Imogen will play Jess at her signings and panels, and Jess will help Imogen's best friend run their booth. But as these "princesses" race to find the script leaker—in each other's shoes—they're up against more than they bargained for. From the darker side of fandom to unexpected crushes, Imogen and Jess must find a way to rescue themselves from their own expectations...and redefine what it means to live happily ever after.

Ramesses II, Egypt's Ultimate Pharaoh Peter J. Brand, 2023-02-15 Warrior, mighty builder, and statesman, over the course of his 67-year-long reign (1279-1212 BCE), Ramesses II achieved more than any other pharaoh in the three millennia of ancient Egyptian civilization. Drawing on the latest research, Peter Brand reveals Ramesses the Great as a gifted politician, canny elder statesman, and tenacious warrior. With restless energy, he fully restored the office of Pharaoh to unquestioned levels of prestige and authority, thereby bringing stability to Egypt. He ended almost seven decades of warfare between Egypt and the Hittite Empire by signing the earliest international peace treaty in recorded history. In his later years, even as he outlived many of his own children and grandchildren, Ramesses II became a living god and finally, an immortal legend. With authoritative knowledge and colorful details Brand paints a compelling portrait of this legendary Pharaoh who ruled over Imperial Egypt during its Golden Age.
