The Shamutanti Hills Steve Jackson, 2003 Far away in the land of Kakhabad, chaos is brewing...The evil Archimage has stolen the precious Crown of Kings, intending to use its power to further his tyrannous ends. In this first book of Steve Jackson's Sorcery! series, you embark on a quest in the turmoil of Kakhabad, progressing through four books in order to achieve your ultimate goal - the Crown of Kings. Your first task is to traverse the dangerous Shamutanti Hills! Unique in the Fighting Fantasy series, the Sorcery! books allow you to choose your role- will you be warrior or sorcerer? Can you master the demands of the sorcerer's craft, casting spells with the Sorcery! spell book and using all your wits to overcome the enemy? Be careful, for nothing in Kakhabad is quite as it seems...

Technological and Business Fundamentals for Mobile App Development Tamie Salter, 2022-10-19 This book is an essential introductory guide to the knowledge required to develop apps. Chapter by chapter it provides the core principles any person must understand in order to develop mobile applications. It outlines the fundamental skills and knowledge that business and computer science students need to either oversee the development of a mobile app or themselves undertake to develop a mobile app. This workbook will give a holistic overview of the initial stages that must be considered when endeavoring to develop a mobile app. This workbook breaks topics down into core, technical and non-technical. Looking at each topic from all three

angles, the core knowledge required for UI, UI for the technical person and UI for the non-technical person. The workbook guides the student through the key components or core of mobile app development and shows all students both the technical requirements and the non-technical requirements of each topic. It will allow all students to pick and choose how deep they wish to delve into the different topics.
