We cannot consciously consume our way out of trouble. This book represents a start at bridging the dynamic world of business model innovation with the constant and unprecedented transitions underway in the world around us. Time Present and Time Past Deirdre Madden, 2014-05-06 This Orange Prize Finalist novel is both a meditation on time and memory and “a deeply moving portrait of domestic and family life” in Ireland (The Sunday Telegraph). Ireland, 2006. The economic miracle known as the Celtic Tiger has swept the country into a euphoria of wealth and transformation. But for forty-seven-year-old Dubliner Fintan Buckley, the race toward progress is also a troubling purge of the past. His young daughter, Lucy, and teenage son, Niall, are growing up in an Ireland that is changing as fast as they are. More and more, Fintan feels the rush of time “like a kind of unholy wind”—so much so that he begins to experience strange, dreamlike visions. Is that his own face he sees on another man? Is that his sister staring back at him from a late-Victorian photograph? A resonant portrait of a middle-class family in pre-crash Ireland, Deirdre Madden’s latest novel “is a reminder that we’d do best . . . to savor what we can of those passing moments Eliot called the ‘still point of the turning world’” (The New York Times Sunday Book Review). “An outstanding book.” —Irish Independent

Sadie’s lover calls her as he drives to meet his wife at marriage counseling. Nina is more worried that the Presbyterian minister living above her garage will hear her kids swearing than that he will find out she’s sleeping with her running partner. The women grapple with love amidst everything from unwelcome houseguests to disastrous birthday parties as Katherine Heiny spins a debut that is superbly accomplished and endlessly entertaining.

Bolano Monica Maristain, 2014-09-30 The first biography of Chilean novelist Roberto Bolaño, the author of the international bestsellers *The Savage Detectives* and *2666* How to know the man behind works of fiction so prone to extravagance? In the first biography of Chilean novelist and poet Roberto Bolaño, journalist Mónica Maristain tracks Bolaño from his childhood in Chile to his youth in Mexico and his early infatuation with literature, to years of tremendous literary productivity in Spain, and to his untimely death and the posthumous and unprecedented stardom that came with the international publication of his novels *The Savage Detectives* and *2666*. Bolaño: A Biography in Conversations is assembled from a series of rich interviews with the people who knew Bolaño best: we meet Bolaño's first publisher, who printed 225 copies of his first book of poetry; are introduced to his parents and an array of childhood friends, who watched a precocious young man turn into an obsessive writer who barely left the house; and witness the birth of Bolaño's

famed Infrarealist literary movement. The book also sheds new light on aspects of Bolaño's life that have long been shrouded in mystery: for the first time, we learn the details of his final illness and the drama of his final days. Throughout the book, Maristain presents an image far removed from the stereotypes that have been created over the years, with the aim of reintroducing the man whose works grabbed readers worldwide. Maristain writes as a journalist and admirer, impressed with the power of Bolaño's prose and the cool irony with which he faced the literary world.

Birds on the Kiswar Tree Odi Gonzales, 2015-07-13 *BIRDS ON THE KISWAR TREE* by Peruvian Andean poet Odi Gonzales presents poems that sing in the voices of native birds and speak through the devout, but subversive, Quechua artists of Peru's colonial era. Their religious art provides the imagery for these astounding poems. In the Eden painted by one anonymous artist, Andean kiswar trees grow, native ñukchu flowers bloom, llamas graze, and parrots perch in the trees, and in out-of-the-way nooks of Andean churches, rebel angels hide, armed with harquebuses. Canvas by canvas, poem by poem, Gonzales gives us a poetry collection as a living and talking museum in which the Quechua artists of Peru's past demonstrate both their sincere Christian faith and their opposition to the Spanish destruction of the Inca empire. Originally published in Peru in 2005 as *La Escuela de Cusco* (The School of Cusco), *BIRDS ON THE KISWAR TREE* stands as an elegant and richly imagined tribute to these indigenous and mestizo artists. By extension, it shows how artists may put forth their views when prevailing circumstances make outward protest a perilous option.

Red Juice: Poems 1998-2008 Hoa Nguyen, 2014-09-02 A collection of early poems, rare or out-of-print, by Hoa Nguyen, a poet who tersely cracks the shell of dailiness.

Martha Baillie's hypnotic novel follows Heinrich Schlögel from Germany to Canada, where he sets out on a solo hike into the interior of Baffin Island. His journey quickly becomes surreal; he experiences strange encounters and inexplicable visions. Time plays tricks on him. When he returns to civilization, he discovers that, though he has not aged, thirty years have passed. Narrated by an unnamed archivist who is attempting to piece together the truth of Heinrich's life, *The Search for Heinrich Schlögel* dances between reality and fantasy. Heinrich's story, as it unfolds, in today's disappearing North, asks us to consider our role in imagining the future into existence while considering the consequences of our past choices. Brimming with the creativity behind David Mitchell's masterpiece *Cloud Atlas* in a far north setting, *The Search for Heinrich Schlögel* is a sophisticated story with magical underpinnings.

Panic in a Suitcase Yelena Akhtiorskaya, 2015-08-04 "A virtuosic debut [and] a wry look at immigrant life in the global age." —Vogue Having left Odessa for Brighton Beach, Brooklyn, with a sense of finality, the Nasmertov family has discovered that the divide between the old world and the new is not nearly as clear-cut as they had imagined. With the collapse of the Soviet Union, returning is just a matter of a plane ticket, and the Russian-owned shops in their adopted neighborhood stock even the most obscure comforts of home. Pursuing the American Dream once meant giving up everything, but does the dream still work if the past refuses to grow distant and mythical, remaining alarmingly within reach? If the Nasmertov parents can afford only to look forward, learning the rules of aspiration, the family's youngest, Frida, can't help looking back—and asking far too many questions. Yelena Akhtiorskaya's exceptional debut has been hailed not only as the great novel of Brighton Beach but as a "breath of fresh air ... [and] a testament to Akhtiorskaya's wit, generosity, and immense talent as a young American author" (NPR).
