Ana and the Cosmic Race #1 Amy Chu,2017-09-26 Mysterious media mogul megaquadrillionaire Dr. Laslo issues a challenge to the best and brightest students in the Scholastic Federation to a cosmic scavenger hunt. The grand prize – his vast empire. But the clues are hidden across time and space, and only the best and brightest will be able to find them. Thirteen year old super studious Ana, on a scholarship at Dalton Phillips Prep, is determined to win, for herself and her struggling family back at home. She teams up with the school's 2nd best student, the eccentric alien shapeshifter, Zyxyx. But the stakes heat up when the competitors from their rival schools enter the race—handsome Keio and the enigmatic Ekene. Their behavior is confusing—are they competing against her or trying to help? And why? Suddenly the competition becomes a lot more complicated...

Panacea Genesis L. Ana Ellis,2022-05-03 Humanity's relationship with technology has gotten complicated: Mariela, a vice president of Panacea Corp - the world's most powerful corporation in 2115 - is demoted when the new CEO assigns his avatar to take over her job. Assisted by Amoco, an eccentric neuroscientist who also works for the corporation, she plots to get rid of the avatar, but the consequences of her actions end up being more than she expected. This 'earth' opera-a tale of epic proportions with an ensemble cast but set on earth instead of in space-will appeal to anyone who's ever felt out-of-control of technology. Panacea Genesis is book one in the pre-apocalyptic Panacea Trilogy.

Donna Summer Craig Halstead,2011-05 Donna Summer was born in Boston, Massachusetts, and she was only 19 when she flew to Munich, Germany, to appear in the German production of the controversial musical, Hair. Donna went on to appear in several other stage shows, including Porgy And Bess and Godspell, before she sang a few songs for a producer who was looking for new voices: Giorgio Moroder. However, it wasn't until early 1975 that Donna came up with the one line that would change her life: 'I'd love to love you.' Moroder immediately had Donna cut what she thought was a three minute demo of Love To Love You, which he took to the MIDEM music festival. Here he met Neil Bogart, founder and owner of Casablanca Records, who liked the demo so much he took it home with him and played it at a party - over and over again, such was the demand. After sitting on the demo for a while, Bogart contacted Moroder - and asked for an extended, twenty minute version of the song. And Bogart insisted the only person who could sing the song was whoever had sung the demo. So Love To Love You Baby was born - and Donna was on her way to becoming an international superstar. This is the story of Donna and her music...

Transparent Don Lemon,2011-05-11 In this unique memoir, Primetime CNN anchor Don Lemon takes readers behind the scenes of journalism, detailing his own struggle to become one of the most prominent African American men in television news—and inside some of the biggest stories of our times. Never one to stop at the surface of the story, Lemon digs deep, exposing his own history with wealth and lack, with family secrets and painful revelations--and explains how those painful early experiences shaped his ambitions and gave him the tools of empathy and fearlessness that he brings to his work. Then Lemon turns the same searing honesty on the news industry itself, taking the reader behind the scenes of September 11, 2001, the DC Snipers, the epidemic of AIDS in Africa, Hurricane Katrina, the election of Barack Obama, and the death of Michael Jackson among other events. With his clear and compelling storytelling and the rich detail of an Emmy-winning journalist, Lemon reveals his own painful journey from a little boy who dreamed of broadcasting in segregated Baton Rouge in the early 70s, to his current perch at CNN in a fascinating and compelling look at the world of television news and his own experiences reporting in it.

Spirit Listening Carroll Ackley,2016-01-19 Spirit Listening is an emotional, poetic journey into some of the author's reflections on life, love and loss. In reading, you will sometimes smile, sometimes shed a tear, but always be able to find verses of inspiration and healing (Spirit Listening is organized by topic for easy reference). The collection was composed over a thirty five year period. It was initially compiled for the author's personal reflections of emotional snapshots in time. However, as the author later began sharing some verses with friends and family, it became evident that chords of commonalities were being plucked. Spirit Listening touches the heart of the young and old alike. It contains a mix of everyday living and messages of Christian hope, but is not religious. The author uses simple, everyday language that is easy to read, yet profound in conjuring mental images that evoke individual responses to common life events we don't always allow ourselves to communicate to others. Spirit Listening is a book you will treasure and visit frequently for yourself and to share with others.

Jaunten Honor Raconteur,2018-08-28 There was a time when magic was welcome in the country of Chahir, but that was nearly two centuries ago. Now, all forms of magic are strictly forbidden. Anyone caught using magic, or possessing magical abilities, are immediately imprisoned and executed. For Garth, that policy is a problem.As Garth approaches his sixteenth birthday, he realizes that he definitely has magical abilities. What's worse, he has no control over them. In order to stay alive, he only has one choice-he must leave his homeland, Chahir, and flee into the neighboring country, Hain. The journey isn't an easy one; he still has to make it out of Chahir without alerting anyone as to his abilities. What Garth doesn't know is that getting to Hain, and the Academy for All Magic, is going to be the easy part. Garth goes into Hain for one reason only; he wants training for his out-of-control magical powers. So how does he become a member of an exclusive magical clan known as the Jaunten; adopted by a magically enhanced colt; best friends with a gifted Witch; and foster brother of a four year old Mage? Let's just say he has a gift for finding trouble.

Ink Mage Victor Gischler,2014 In the first installment of the A Fire Beneath the Skin trilogy, the city of Klaar has never fallen. No enemy has ever made it across the Long Bridge or penetrated the city's mighty walls. Even when a powerful invading army shows up at the gates, the duke and his daughter, Rina Veraiin, are certain that it poses little threat. But they are cruelly betrayed from within and, in a horrific spasm of violence, the city is brought to its knees. With the help of her bodyguard, Kork, the battle-trained young Rina narrowly escapes the slaughter and makes her way to the lair of an ancient sorcerer--the Ink Mage--who gifts her with a strange, beautiful set of magical tattoos. Now a duchess in exile, Rina sets out on a quest to reclaim what is rightfully hers, aided by a motley assortment of followers who will help her in her cause--some for noble reasons and others for their own dark purposes. With the enemy's agents nipping at her heels, Rina must learn to harness her new and startling magical powers if she is to assert her rightful place as ruler of Klaar.
