Tales from the Slot Floor, Volume 1: Casino Slot Managers in Their Own Words David G. Schwartz,2018-06-22

Slot machines are the backbone of most casinos. They earn the most money and determine the physical layout of the casino floor. The management of slot machines, which includes overseeing employees, selecting machines, designing the playing space, resolving customer disputes, and conducting analyses to improve operations, is a challenging field whose complexity has grown as the machines themselves have become more sophisticated. To better document the current issues in slot management--and the change the field has seen over the past four decades--the University of Nevada, Las Vegas Center for Gaming Research conducted an oral history project. Those interviewed were at all stages of their careers. Drawn from these interviews, *Tales from the Slot Floor* features slot managers discussing several of the most important issues in today's casino world, including: the optimal layout of a slot floor; the qualities demonstrated by both good and bad managers; what customers want from their visits to the casino; the vendor/casino relationship; appealing to millennials; and what the future holds. In addition, those with long careers share their views on the changes they have seen, and all subjects offer their advice to those embarking on a career in slot management. For those interested in becoming slot managers, or those just curious about how casinos work, *Tales from the Slot Floor* gives you the inside story of slot operations, from those who do it.

Thirteen Against the Bank Norman Leigh,2006 In the summer of 1966 Norman Leigh took a team to the Casino Municipal in Nice with the express intention of systematically winning large sums of money at roulette. Two weeks later the team was banned from every casino in France. Not for cheating, or rowdy behaviour - but

for winning, methodically and consistently. An absolute classic detailing the events leading up to - and, most importantly, the system that allowed this to happen - an event held as impossible by all expert opinion - breaking the bank at roulette.

The King of Casinos Andy Martello, 2014-01-04 WINNER OF 12 LITERARY AND DESIGN AWARDS! The unreal but TRUE story of the unknown casino that changed Las Vegas forever! After a horrific blaze destroyed Willie Martello's El Rey Club in 1962, fifty years would pass before anyone knew of how that casino and one-time brothel influenced LAS VEGAS casinos, upset the mob, and inadvertently launched the career of Francis Ford Coppola. Were it not for the chance discovery of a single photo in a Las Vegas museum, the El Rey Club would only be known as the seedy brothel where Senator Harry Reid learned to swim. Martello's accomplishments should place him among magnates like Howard Hughes or Steve Wynn, yet very few know his name. Featuring over 140 rare or unseen photos, these vibrant stories are now brought to light! -----

The Essays of Warren Buffett Warren Buffett, 2021 As in previous editions of The Essays of Warren Buffett, this one retains the architecture and philosophy of the original edition but adds selections from Warren Buffett's most recent annual shareholder letters. All the letters are woven together into a fabric that reads as a complete and coherent narrative of a sound business and

investment philosophy. As an aid to all readers, and to enable readers of the previous editions to see what is new in this one, a disposition table at the end of the book shows the various places in this collection where selections from each year's letter appear. Footnotes throughout indicate the year of the annual report from which essays are taken. To avoid interrupting the narrative flow, omissions of text within excerpts are not indicated by ellipses or other punctuation. This new edition is called for not because anything has changed about the fundamentals of Buffett's sound business and investment philosophy but because articulation of that philosophy is always delivered in the context of contemporary events and business conditions so periodic updating is warranted to maintain its currency

The Draglings Bedtime Story Randal Spangler, 2021-11-30 A rhyming bedtime story about two little cookie-loving dragons.

Every Light was on Dwayne Kling, Robert Thomas King, Mary Larson, 1999-01-01 Nevada Casinos of the 1930s were rough-and-tumble businesses, deeply rooted in the frontier ethos from which legalized gaming had emerged: cheating, profit skimming, and employee theft from the house were rampant. By background and temperament, William Fisk (Bill) Harrah was ill-prepared to succeed in such a business when he opened a small bingo parlor in Reno in 1937, but by the mid-1960s his Harrah's Clubs were the most profitable casino gaming operations in America, and he had become the de facto leader of the industry. Bill Harrah's life and career were rich with paradox. The privileged son of a southern California attorney, Harrah lasted less than one term in college before sliding into a profession which at the time was largely populated with cheap hustlers and petty crooks. Harrah was honest, but he was also a drunk and a womanizer and a habitual gambler, and for years it appeared that he would never amount to much. When his second wife got him off the bottle, he focussed his attention on building his business, but he never really cared for it. Bill Harrah's passion was old automobiles: he sank tens of millions

of his company's dollars into buying and restoring them. The book is both an exploration of a singular personality and a detailed account of how Harrah's Clubs became the standard by which all other gaming properties were judged.
