**ANCIENT ALIENS AND JFK** Mike Bara,2020-01-01 Mike Bara, space expert and author of Ancient Aliens on the Moon, takes a hard look at the Kennedy assassination and the race to the Moon. Bara will examine never-before-revealed clues to the real reasons behind the Kennedy assassination, the true objectives of the Apollo program and the shadow government hidden agendas that led to Kennedy's death in Dallas. Relying on never-before-seen documents culled from the recent Kennedy assassination papers document dump, Bara will show the secret connections between key assassination figures like Lee Harvey Oswald, Lyndon Johnson, and highly placed figures inside NASA who had reasons to want Kennedy dead. Bara also looks into the bizarre billion-dollar Treasury bonds that Japanese businessmen attempted to deposit in a Swiss bank that had photos of Kennedy and the Moon on them. Is the wealth of the Moon being used as collateral by the USA? The book will dig deeply into Kennedy's silent war with shadowy Deep State figures who were desperate to shut down his Disclosure agenda. Finally, Bara will examine the truth behind the Apollo missions by looking at recent revelations like Project Horizon, "Apollo 20," and rumors that the landings themselves were faked. Includes 8-page color section.

**Top Secret/Majic** Stanton T. Friedman,2023-10-10 Exposing the U.S. government's biggest-kept secret: a fifty-eight-year UFO cover-up. Top Secret/Majic is the result of nuclear physicist and renowned UFO investigator Stanton T. Friedman's twenty-one year search for the truth about the mysterious Operation Majestic 12, President Truman's top-secret UFO investigation team. In this updated edition of his landmark book, he tells the incredible tale of the July 1947 recovery of a crashed flying saucer near Roswell, New Mexico, and the establishment by President Truman of a truly all-star cast to deal with the saucer and its non-human inhabitants. The first four Directors of Central Intelligence, the first Secretary of Defense, and several outstanding scientists and military leaders were part of the team. Through painstaking research and startling evidence—including documents that have never before been published.

*Ancient Alien Ancestors* Will Hart,2017-07-18 Explores evidence for the theory of directed panspermia--that life

on Earth and the landscape of Earth itself was engineered by extraterrestrials • Details how the Earth was terraformed through a sophisticated geo-engineering program, providing clear examples such as the precise mathematical longitude configurations of the Great Pyramid of Giza with the major rivers on Earth • Shows how our spectrum of blood types supports the theory of panspermia while directly contradicting the conventional “out of Africa” theory of evolution • Examines the strongest modern UFO accounts, including the Russian Roswell case, as well as the suppressed UFO sightings of NASA astronauts In the early 1970s, Nobel Prize-winning DNA co-discoverer Sir Francis Crick and his colleague Leslie Orgel proposed that in the distant past, an extraterrestrial race sent a spacecraft loaded with microorganisms to seed the Earth with life. Now, more than 40 years later, the fields of space research and biotechnology have advanced to the point where they can back up Crick and Orgel’s claims about our ancient alien ancestors. Sharing scientific evidence of alien involvement with life on our planet and with the very landscape of Earth itself, Will Hart refines the theory of directed panspermia--that life was intentionally seeded on Earth by extraterrestrials--to reveal that the same ET agency also created humans and generated civilization. He shows how the Earth was terraformed through an engineering program so sophisticated and vast that it has escaped our attention so far--for example, the major rivers on Earth are precisely aligned through geo-engineering with the Great Pyramid of Giza. Revealing the Great Pyramid as an alien message in stone, the author explains how the Giza pyramids could not have been built by the ancient Egyptians and examines the extraterrestrial energy technologies used to move the pyramids’ massive stone blocks, methods later rediscovered by Nikola Tesla and the builder of Coral Castle, Edward Leedskalnin. He details how an advanced race implanted the basic genome on Earth as well as genetically engineered the human race and shows how our spectrum of blood types supports the theory of panspermia while directly contradicting the conventional “out of Africa” theory of evolution. Investigating how the extraterrestrial agency behind the origin of civilization is still working behind the scenes today, the author examines the strongest modern UFO accounts, including the Russian Roswell case and the suppressed UFO sightings of NASA astronauts. He shows that this advanced ET civilization is not an alien race in the way we normally think of “aliens”--they are our ancestors and as human as we are.

**Hidden History** Jim Willis,2020-05 Investigates and questions the scientific consensus on the origins of civilization Do we, the human species, really know who we are or where we came from or how we originated or our place in the cosmos? Or is much of what we have been taught wrong or misguided or possibly even blatant lies intended to keep people in power and everyone else in line? Exploring alternative theories on the establishment of society and civilization, Hidden History: Ancient Aliens and the Suppressed Origins of Civilization looks at a variety of dissenting, suppressed, and forbidden accounts of history and the origins of humanity. It takes a broad and inclusive survey of historical documents, various theories, and a wide array of perspectives to explore what conventional wisdom might have gotten right and wrong. The book serves as a useful introduction into the suppressed accounts of the origins of modern civilization. It combines cutting-edge science with metaphysical,

spiritual, and even paranormal views, daring to ask whether there might be a better explanation for humanity's existence and the origins of civilization than the current scientific consensus. Hidden History looks at the multiverse and parallel dimensions, the ancient alien theory, metaphysics, and hypotheses beyond physical perception, the eleven dimensions of string theory, radio telescopes that penetrate to the event horizon of our universe, mathematical equations that take us where no one has gone before, and the world-wide sharing of experiences old and new that speak of long forgotten ancient mythologies that reveal historical truths. With more than 120 photos and graphics, this tome is richly illustrated. Its helpful bibliography provides sources for further exploration, and an extensive index adds to its usefulness. This fascinating book is a thorough investigation and examination of the mysteries surrounding early civilizations, their myths, legends, histories, monuments--and lasting legacies.

**The Messengers** Mike Clelland, 2020-08-19 Without question, this is a classic by one of the most exciting new authors in the UFO field today. After reading it, your view of reality will never be the same. The owl has held a place of reverence and mystique throughout history. And as strange as this might seem, owls are also showing up in conjunction with the UFO experience. Mike Clelland has collected a wealth of first-hand accounts in which owls manifest in the highly charged moments that surround alien contact. There is a strangeness to these accounts that defy simple explanations. This book explores implications that go far beyond what more conservative researchers would dare consider. But the owl connection encompasses more than the UFO experience. It also includes profound synchronicities, ancient archetypes, dreams, shamanistic experiences, personal transformation, and death. From the mythic legends of our ancient past to the first-hand accounts of the UFO abductee, owls are playing some vital role. This is also a deeply personal story. It is an odyssey of self-discovery as the author grapples with his own owl and UFO encounters. What plays out is a story of transformation with the owl at the heart of this journey.

**The Occult Connection** Ken Hudnall, 2004-10 This is a reprint of the 1989 cult classic involving connections between UFOs, Secret Societies and Ancient Gods.

A Skeptical Look At The TV Phenomenon Or otherwise titled A Critical Look at Ancient Aliens and other Galactic Bunk Ancient Aliens is an American television program that premiered on the so-called History Channel on April 20, 2010. The show supports the ancient astronaut theory, which believes that many historical texts, archeological sites and legends contain evidence of past alien contact. Ancient Aliens Exposed takes a skeptical look at some of the main claims made by this show and finds them wanting. If you or anyone you know has ever been taken in by the sheer hokum of this series, consider this little book the antidote.

**Ancient Aliens and Secret Societies** Mike Bara,2015-03-17 Did ancient “visitors”—of extraterrestrial origin—come to Earth long, long ago and fashion man in their own image? Did they then lift the human race out of the ashes of a great global catastrophe around 10,500 BC? Were the science and secrets that they taught the ancients intended to be a guide for all humanity to the present era? Was this crucial information about our future and our true past hijacked by secretive cabals, some with bad intent and some with altruistic designs, who have held these secrets over the millennia? New York Times bestselling author Mike Bara says the answer to each of these questions is “yes.” He examines ancient documents, including the Bible, to delve into the true story of the beginnings of mankind. He establishes the reality of the major catastrophe that jolted the human race, and traces the history of secret societies from the priesthood of Amun in Egypt to the Templars in Jerusalem and the Scottish Rite Freemasons. He shows how the spiritual wisdom and scientific knowledge the ETs sought to bestow on all humanity were kept by these secret societies for their own benefit. The influence of these sects and their extraterrestrial ties are said to be the stuff of myth, but Bara will show readers that this influence is all too real, extending even into the political arena. He has a very interesting take on the Kennedy assassination! Bara also reveals the true origins of NASA and exposes the bizarre triad of secret societies in control of that agency since its inception. In the end, Bara shows how NASA is manipulating the space program to fulfill occult purposes—which may lead to our meeting the very ETs we have been inextricably linked with since the beginning.
