Tony Samara, author of 'Shaman's Wisdom, ' 'The Simplicity of Love Meditation, ' 'Different Yet the Same, ' 'Karma, Mantra and Beyond' and 'Discover Your Inner Buddha' was born in England, grew up in Egypt and also in Norway where he discovered the Zen Buddhist philosophy. This discovery eventually led him to the Mount Baldy Zen Center in California, USA, where he learned the spiritual teachings of Kyozen Joshu Sasaki. He had curiosity to explore further the essence of spirituality and thus went to live and learn with shamanic communities around the globe. Now people from all over the world visit Tony Samara to take spiritual guidance and experience being in his presence. He recognizes that direct experiences have the potential to radically transform an individual and his or her life, as well as promote a profound and effortless letting go of past emotional, mental and physical pain and suffering. His main countries of activity are in Europe, yet with the assistance of the Internet he is attracting a Global audience through frequent online interviews and live satsangs. His function is as a Spiritual Master who encourages all to lead their lives actively in a noble way in order to realize the evolution of human consciousness. Bodhipaksa, a well-known Buddhist teacher and the founder of fakebuddhaquotes.com, takes a look at some of the quotes that are erroneously attributed to the Buddha, explains the ways in which these disagree (or sometimes agree) with Buddhist teachings, and offers some genuine examples of the Buddha's words. The perfect gift for the Buddhist in your life and an essential addition to any Buddhist library, I Can't Believe It's Not Buddha! is at once humorous and scholarly, and a timely antidote to the fake news that can surround some of the Buddha's teachings.

The First Free Women Matty Weingast,2020-02-11 An Ancient Collection Reimagined Composed around the Buddha's lifetime, the Therigatha ("Verses of the Elder Nuns") contains the poems of the first Buddhist women: princesses and courtesans, tired wives of arranged marriages and the desperately in love, those born into limitless wealth and those born with nothing at all. The original authors of the Therigatha were women from every kind of background, but they all shared a deep-seated desire for awakening and liberation. In The First Free Women, Matty Weingast has reimagined this ancient collection and created a contemporary and radical adaptation that takes the essence of each poem and highlights the struggles and doubts, as well as the strength, perseverance, and profound compassion, embodied by these courageous women.

The Buddha Speaks Anne Bancroft,2010-12-28 Here is the core of the Buddha's teaching in his own words, as it was memorized word-for-word by his disciples and written down two hundred years after his death. These selections from the Buddhist scriptures deal with the search for truth, the way of contemplation, life and death, living in community, and many other topics, serving as an excellent small introduction to the Buddha's teaching. Whether addressed to monks and nuns, householders, outcasts, or thieves, the Buddha's teachings are characterized by one main concern: conveying the reality of our bondage to suffering—and the supremely good news that liberation is possible. It is a concern as relevant for people today as it was for the people of north India a millennium and a half ago.

Awakening the Buddha Within Lama Surya Das,1998-06-15 Lama Surya Das, the most highly trained American lama in the Tibetan tradition, presents the definitive book on Western Buddhism for the modern-day spiritual seeker. The radical and compelling message of Buddhism tells us that each of us has the wisdom, awareness, love, and power of the Buddha within; yet most of us are too often like sleeping Buddhas. In Awakening the Buddha Within, Surya Das shows how we can awaken to who we really are in order to lead a more compassionate, enlightened, and balanced life. It illuminates the guidelines and key principles embodied in the noble Eight-Fold Path and the traditional Three Enlightenment Trainings common to all schools of Buddhism: Wisdom Training: Developing clear vision, insight, and inner understanding—seeing reality and ourselves as we really are. Ethics Training: Cultivating virtue, self-discipline, and compassion in what we say and do. Meditation Training: Practicing mindfulness, concentration, and awareness of the present moment. With lively stories, meditations, and spiritual practices, Awakening the Buddha Within is an invaluable text for the novice and experienced student of Buddhism alike.
