*The Essence of an Angel* Dianna Varga,2012-02

Something incredible began to take place; suddenly I could feel the glorious presence of God's mighty angels as they slowly filtered into the room. One by one they came in like heavenly ambassadors; they had come to carry out the Lord's command. The angels are spirits who serve God and are sent to help those who will receive salvation. (Hebrews 1:14) Sometimes we are literally brought to our knees by a life-changing experience, but it is God who gives us the strength to go on, even when we think that we can't. May the Lord give you peace and understanding in all things.

*Partner with Angels* Rae Chandran, 2015-07-01 Angels are the Creator's workforce, and in this book, individual angels describe their responsibilities and explain how they can help you with all aspects of your life — practical and spiritual. All you need to do is ask. Many of these angels have never spoken to human beings before or revealed their names or what they do. Here are some examples of what you will find inside: La Banaha, the essence of the Moon, explains feminine empowerment and organ rejuvenation. Angel Anauel describes fair commerce. Angel Tahariel helps you purify and shift your vibration. Angel Mansu gives advice about how to eliminate the trauma from birthing procedures. Angel Agon inspires writers and filmmakers and relates how you can call on him for inspiration. Angel Tadzekiell helps you access your own wisdom and put it into perspective. Archangel Maroni downloads your individual pathway to ascension. The purpose of this material is to bring the awareness of angels in a much more practical, easy-to-understand way. Call on the angels to show you all the potential you have in your life to create a new reality.

*The Essence of Evil* Joe Clifford Faust, 2021-09-05 Having survived the tumult of their rescue, James May and his crew of mercenaries have finally made planetfall at the home of the Essence Corporation - creators of the long-lost Essence Phials. Unfortunately, the crew's hopes of reward for returning them are dashed when the company's CEO steals them back while denying their authenticity. It looks like May

is left without recourse until the CEO kidnaps both the crewman who sampled one of the phials and a visiting Arcolian ambassador - for the purpose of medical experimentation. For May, it's now no longer about the money. It's about friendship and loyalty ... and teaching a corrupt businessman a damned good lesson. But to rescue his friends and set the record straight, May is going to need a galaxy-sized portion of the luck that has been running in increasingly short supply... For those of you who like space opera with a very dry wit, Faust has come up with a series that should tickle your fancy. - Locus

*Bunker Hill Los Angeles* Nathan Marsak, 2020 In 'Bunker Hill Los Angeles: Essence of Sunshine and Noir', historian Nathan Marsak tells the story of the Hill, from the district's inception in the mid-nineteenth century to its present day. Marsak commemorates the poets and writers, artists and activists, little guys and big guys, and of course, the many architects who built and rebuilt the community on the Hill - time after historic time. Any fan of American architecture will treasure Marsak's analysis of buildings that have crowned the Hill: the exuberance of Victorian shingle and spindlework, from Mission to Modern, from Queen Anne to Frank Gehry, Bunker Hill has been home to it all, the ever-changing built environment.

realm and how to co-create with the angels Angels come to us in many ways: through the lyrics of a song we hear, a timely hand on the shoulder, or a book we happen upon. Angels come to our aid to help us feel safe and help our hearts open wide, so our light and our love shine through. After a powerful visit from an angel helped her transform her fast-paced, chaotic, and addiction-filled Manhattan banker lifestyle, author Kathryn Hudson decided to pay it forward and help others discover that each of us is surrounded by angels to help us. In this book, she shows how to safely open the channel to communicate with the angelic realm in order to access the help the angels are so willing to provide. She offers simple and practical exercises for connecting with 15 Archangels and shows how each of these Archangels brings specific Divine qualities to assist and support you. She explains when each Archangel becomes active, notes a color and a crystal associated with them, and offers a unique visualization exercise to connect with the essence of the individual angel, inviting this quality into your life. Each angel also provides a powerful message about this turning point in human evolution. Exploring inner child work, chakra practices, and exercises for purification and harmonization of relationships, Kathryn reveals the importance of releasing the weight of the past in order to open up to angelic guidance about the future. Working with angelic healing, she shows how to handle our energy levels in a chaotic and draining world and maintain a higher vibration. Taking you from simple questions and requests to direct experience and actual co-creation with the angelic realm, this guide reveals how to team up with our friends in high places to open your heart and live out your highest and best version of yourself in this life.

*The Angelic Origins of the Soul* Tricia

McCannon, 2017-10-24 A journey into the immortal nature of the Soul, the landscapes of Heaven, and the purpose behind your incarnation on Earth • Reveals the connection between the soul and the orders of Angels and provides a roadmap to the realms of Heaven and Hell • Explains the six stages of Soul Evolution and the Nine Orders of Angels • Describes the many dimensions between the highest celestial realms and the lower Astral plane and the Genesis Matrix, our angelic place of origin Your Soul is a divine light originating within the Angelic Orders of Heaven. The Tibetan Book of the Dead speaks about the seven Lokas, or dimensions, the Soul travels through after death, while the Egyptian Book of the Dead refers to the Soul becoming one with the ever-renewing phoenix. Yet what is the phoenix but a symbol of our own Angelic Twin who resides in the highest realms, the essence of our Soul? In this book, Tricia McCannon explains how to discover the angelic realms where the highest parts of yourself reside and become the catalyst for your own path of ascension. Exploring the Soul's angelic origins, the Nine Orders of Angels, and the multi-dimensional landscapes of Heaven, McCannon takes you on the journey each Soul makes as it descends from the higher vibrational realms to arrive in the world of form. Drawing from the perennial wisdom of the Gnostics, Tibetans, Egyptians, Buddhists, Hindus, Hebrew mystics, and the ancient Mystery traditions, she looks at what our ancient ancestors

have to say about the nature and history of the Soul. She reveals how, once embodied, the Soul loses its ability to vibrate with the highest celestial levels causing it to forget its purpose. She addresses how our illusion of separation from Divine Oneness arises, causing us to move away from the Light and become wrapped up in the Shadow of fear and suffering. She explains the six stages of Soul Evolution we must pass through to heal the wounds of separation, reawaken to higher vibrations, and remember our Soul's purpose, the reason your Soul chose this incarnation. McCannon shares stories from those who have returned from the Otherside, tales of revelation, temples of learning, and crystal cities of light. Presenting the great Course Curriculum of the Soul, the lessons we must master to complete our missions on Earth, the author shows that by remembering our divine essence we can move beyond conflict and struggle to embrace the love and joy that reside eternally at the core of our being.

**Abbadon** Marion Webb-De Sisto, 2007-11-26 This is the second book of The Angelic Chronicles trilogy. It tells of the celestial exploits and continuing rivalry between the archangelic brothers, Samael and Seriel, as they begin their exile in Abbadon. This is a dark, hellish place where essence-drinking demons and energy-sapping plant life abound. The story has something for everyone, being a tale of adventure with a sprinkling of romance and some dastardly deeds by Samael, a.k.a. the Devil. Both siblings are separated from their beloved Malkura in this angelic saga and the reader learns how the brothers handle this misfortune. Seriel is resigned to never having won her affection while Samael plots to regain what he has lost. Abbadon is classed in the Fantasy genre, but it possesses a subtle, spiritual undertone. The trilogy books emphasize how free will can easily lead to unwise and even unholy

choices. They also document the eternal battle of goodness versus evil, while portraying the celestial hierarchy in a somewhat more controversial manner than religion has previously given to us.

**Angels Angels Everywhere** Leanne

Labadie,2017-11-13 This sweet little book encourages young people (and their parents, too) to have faith in the idea that angels are always looking out for them. Through lyrical verse and whimsical imagery, the story invites its charmed readers to imagine a fleet of angels who never leave their side, and who are present “from tippy toe to teddy bear.” Angels Angels Everywhere offers lots of opportunity for its audience to feel well and peaceful, and offers much encouragement to believe in the comforting power of divine love and guidance. A perfect read-aloud book to guide a little one to sleep.

**The Essences** Daniel A. Reyes,2016-05-23 The

Essences are four unique weapons of incredible power and good, created by God and given to His four generals, the Archangels, to reign over His creations. A dark prophecy exists, stating that if the Essences become separated from the bond of their four owners, then a dark time of great strife would ensue. Follow the footsteps of the eager and cheerful angel, Uriel, the best friend and apprentice to the mighty archangel Michael. Little by little, Uriel begins to realize that he has found himself wedged in the early stages of a rebellion in heaven. Always at the epicenter of this revolution, he begins to question his allegiance as he struggles to pick a side. The Almighty warns him about interfering in what he witnesses, but this command is easier heard than done. All this while, Satan, God's most beautiful archangel, infuriated by the creation of Earth and humankind, embarks on a calculated journey of his own, wishing to kick-start the dark prophecy and implode

humanity with the Essences, one of which is his Trident of Persuasion, which he is often depicted with throughout time. Witness comedy, witty conversations, and romanceyes, even the devil can suffer from the disillusion of a broken heart. The Essences is the original thriller, the unprecedented story of good and evil, the story before all stories, the most epic of all epics.
