The Great Turning David C. Korten, 2009-02-20 Although the issues addressed in The Great Turning are global and universal, I have chosen to focus my analysis on the United States. It is the nation among all others that is most challenged by the imperatives of the Great Turning. Few other nations are so accustomed to living beyond their own means, so imbued with a sense of special virtue and entitlement, or so burdened by a political leadership as out of touch with global reality and as incapable of accepting responsibility for the consequences of its actions. Because of its global presence, whether the United States responds to the imperatives with the logic of Empire or the logic of Earth Community is likely to have far-reaching consequences for all nations. Furthermore, the United States is the nation of my birth, the nation I know best and love most, and the nation for whose role in the world I feel most responsible.

Essential Cases on Misconduct Benedict Winiger, Ernst Karner, Ken Oliphant, 2018-01-22 The

various national European legal systems offer a broad range of responses to the question of what can be regarded as wrongful behaviour or fault. The present work systematically examines these two important prerequisites for tortious liability under the combined heading of 'misconduct'. Unlike current textbooks, national casebooks and monographs, it builds on the experiences gathered in the national legal systems over the past decades and thereby fills a major gap which still exists today. It thus does what the previous volumes in the 'Digest of European Tort Law' series did for other key elements of tort law, namely natural causation and damage. Once again, the publication contains a selection of the most important cases from 28 states across Europe as well as cases handed down by European Union courts; it also highlights cases from earlier periods of legal history. For each case, the facts and the relevant court decision are presented and these are then accompanied by an analytical commentary. In addition, the editors provide comparative analyses of the cases reported and a special report is dedicated to how key decisions would be resolved under model European rules on tort law. The editors believe that the material gathered here may provide guidance for an organic convergence of the national legal systems in Europe. It constitutes the basis of an *acquis commun* that is infinitely richer (though also much more complex) than the rather bland and abstract concepts contained in national codifications, European legislation and modern model rules.

Angelina Sharon Trantham, 2010-09 Come and enjoy the tale of Angelina, a princess who lives under very strict rules. Angelina has a chance to travel to the United States as a spokesperson. While she is there, she sees someone running down an alley. Who is this person? The answer will change Angelina's life forever.....

After Hours on Milagro Street Angelina M. Lopez, 2022-07-26 A sexy, emotional, and pitch-perfect romance. —NPR on Lush Money Opposites attract in this rivals-to-lovers romance from Lush Money

author Angelina M. Lopez Guapo pobrecito her grandmother calls him. The “poor handsome man.” Professor Jeremiah Post, the poor handsome man, is in fact standing in the way of Alejandra “Alex” Torres turning Loretta’s, her grandmother’s bar, into a viable business. The hot brainiac who sleeps in one of the upstairs tenant rooms already has all of her Mexican American family’s admiration; she won’t let him have the bar and building she needs to resurrect her career, too. Alex blowing into town has rocked Jeremiah to his mild-mannered core, but the large, boisterous Torres clan is everything he never had. He doesn’t believe Alex has the best interest of her family, their community, or the bar’s legacy in mind. To protect all three, he’ll stand up to the tough and tattooed bartender with whom he now shares a bedroom wall—and resist the insta-lust they both feel. But when an old enemy threatens Loretta’s and the surrounding neighborhood, Alex and Jeremiah must combine forces. It will take her might and his mind to save the home they both desperately need. Sparks fly and tempers flare in this passionate, un-put-downable rivals-to-lovers romance that launches a sizzling new series...Lopez seamlessly blends high-heat romance with discussions of Alex’s heritage and the fascinating history of 19th-century Mexican immigrants to the Kansas plains. This is a treasure. —Publishers Weekly, starred review
