Angel Medicine Doreen Virtue, 2005-08-01 When Doreen Virtue visited Santorini Island in Greece recently, she was contacted by a powerful group of angels calling themselves the angels of Atlantis. Doreen was then taken on an amazing spiritual adventure, where she uncovered the ancient secrets of the healing temples of the lost civilizations of Atlantis. Doreen found that her previous healing work with the angels, as well as the thousands of case studies of angelic healing that she'd amassed over the years, dovetailed perfectly with the messages from the angels of Atlantis. Part spiritual adventure story and part reference book, *Angel Medicine* is a three-part work that relates the exciting story of Doreen's recovery of memories of Atlantean healing methods along with messages from the Egyptian and Greek prophet and deity Hermes and the angels. The second and third parts of the book reveal the scientific studies, case studies, methods, and charts supporting the importance of love and light in healing. Whether you want to heal yourself or someone else, you're sure to gain additional faith and understanding from reading *Angel Medicine*.

Angelic Healing Eileen Elias Freeman, 2001-01-01 People are really hurting today -- not just physically, but mentally, emotionally, spiritually, and in their relationships. All of us need healing. Maybe we have an addiction we're trying to break. Maybe there's no happiness or love in our lives. Maybe the hurt is from being lonely, even in the midst of family, job, or social gatherings. And when we need healing, we often hurt those around us. We strike out at the environment until it, too, is hurting. The angels, our unseen companions and guardians, can help us heal. In fact, from New York to California, angels are doing just that. People are telling stories of being healed of everything from serious illness to addictions to bad relationships, simply by calling on angels for their help. *Angelic Healing* will reveal the lessons of history, while offering stories of angelic healing today -- moving tales of people

for whom being touched by angels has meant major healing in their lives and the lives of those around them. Angelic Healing also shows you how to tap into your angelic resources to bring about healing in your own life and empower you to be all you were meant to be. Bri
