In D'Tale Magazine Angela Anderson is excited to discover her childhood wish to become a fairy is being fulfilled-even if it is fifty years later. She vows her allegiance to the fairies, and tells her non-believing husband, Ted, before learning the particulars. Now, Angela must meet each requirement before All Hollow's Eve or lose her family, and her wings, forever. As the clock ticks for Angela, she must master the art of flying, hear and complete a telepathically-sent fairy mission, battle pixies, deal with a diabolical neighbor, and turn her family into believers-all while keeping the house clean and having dinner ready on time each night.

On her way back, Lola Belle encounters a lost little girl. The fairy faces a dilemma: Should she leave little Olivia Kate alone in the forest and continue on, or assist the child home? Lola Belle decides to help Olivia Kate. The girl notices the flower the fairy is carrying and asks if she can have it as a memento of the day she made a fairy friend. Lola Belle again faces a choice: Should she keep the flower that will surely win the competition, or give it away? The little fairy believes a generous heart is most important, so she presents the flower to the girl. Notes the author, This book focuses on the theme of kindness and generosity. We live in such a self-centered society, it is refreshing to see children demonstrate good character traits.
