**Secret Life** David M. Jacobs,1993-04-16 In *Secret Life*, Professor David M. Jacobs of Temple University takes us into the private world of those abducted by aliens, letting them describe in their own words what it is like to be abducted. Dr. Jacobs takes the reader on a minute-by-minute journey through a typical abduction experience and describes in detail the bizarre physical, mental and reproductive procedures that abductees claim have been administered by small alien beings. Jacobs draws from these interviews a profoundly unsettling reason behind the abductions: aliens are conducting a complex reproductive experiment involving the conception, gestation. or incubation of human and alien hybrid beings.
