Runaway Cowgirl Brynn Paulin,2018-09-10 Jorie I was in love with him all my life. I thought we were best friends. I thought he loved me too. The day everything changed between us, I gave myself to him. I thought we'd finally be together. I was his and he was mine. Then I found out it was all a big joke. I meant nothing to him. Never had. That was the day I left Dripping Springs and stopped being silly little Jorie. No one would hurt me like that again. If I never set foot in Dripping Springs again, it would be a day too soon. But now my gran is dying and she wants me home. She's the only one who ever really mattered to me. I can't let her down. The question is: Do I confront the boy who crushed me or do I move on and pretend it never happened, that he meant nothing to me? Tough choice. He's not hurting me again. Nash I know what happened. Jorie heard something she shouldn't have, but I'm not the jerk she thinks I am. She left, taking my heart with her. I tried, but I could never find her. Never heard another word from her. Apparently, I meant nothing to this girl. For five years, I've hurt and let bitterness settle in. I buried myself in saving my family's dying ranch and forgetting her. Now, things are looking up and I'm finally ready to move on. But now, Jorie's back and I'm torn: Do I make things right between us or do I keep moving on, forget our past and the first love who destroyed my heart? Tough choice. She's not hurting me again.

Race with the Devil Joseph Pearce,2013-08-01 Before he was the world's foremost Catholic biographer, Joseph Pearce was a leader of the National Front, a British-nationalist, white-supremacist group. Before he published books highlighting and celebrating the great Catholic cultural tradition, he disseminated literature extolling the virtues of the white race, and calling for the banishment of all non-

white from Britain. Pearce and his cohorts were at the center of the racial and nationalist tensions—often violent—that swirled around London in the late-1970s and early 80s. Eventually Pearce became a top member of the National Front, and the editor of its newspaper, *The Bulldog*. He was a full-time revolutionary. In 1982 he was imprisoned for six months for hate speech, but he came out with more anger, and more resolve. Several years later, he was imprisoned again, this time for a year and it spurred a sea change in his life. In *Race with the Devil: My Journey from Racial Hatred to Rational Love*, Pearce himself takes the reader through his journey from racist revolutionary to Christian, including: The youthful influences that lead him to embrace the National Front and their racist platform His dark, angry, exhilarating but ultimately empty days as a revolutionary on the front lines His imprisonment and subsequent dark night of the soul The role that Catholic luminaries such as G. K. Chesterton, Hilaire Belloc, and C. S. Lewis played in his conversion from racist radical to joyful Christian And his eventual reception in the Catholic Church *Race with the Devil* is one man's incredible journey to Christ, but it also much more. It is a testament to God's hand active among us and the infinite grace that Christ pours out on his people, showing that we can all turn—or return—to Christ and his Church.

Running with the Demon Terry Brooks, 2007-05-01 In *Running with the Demon*, Terry Brooks does nothing less than revitalize fantasy fiction, inventing the complex and powerful new mythos of the Word and the Void, good versus evil still, but played out in the theater-in-the-round of the “real world” of our present. On the hottest Fourth of July weekend in decades, two men have come to Hopewell, Illinois, site of a lengthy, bitter steel strike. One is a demon, dark servant of the Void, who will use the anger and frustration of the community to attain a terrible secret goal. The other is John Ross, a Knight of the Word, a man who, while he sleeps, lives in the hell the world will become if he fails to change its course on waking. Ross has been given the ability to see the future. But does he have the power to change it? At stake is the soul of a fourteen-year-old girl mysteriously linked to both men. And the lives of the people of Hopewell. And the future of the country. This Fourth of July, while friends and families picnic in Sinnissippi Park and fireworks explode in celebration of freedom and independence, the fate of Humanity will be decided . . . A novel that weaves together family drama, fading innocence, cataclysm, and enlightenment, *Running with the Demon* will forever change the way you think about the fantasy novel. As believable as it is imaginative, as wondrous as it is frightening, it is a rich, exquisitely-written tale to be savored long after the last page is turned.

Ridley Plays 1 Philip Ridley, 2013-10-16 This volume contains Ridley's first three plays, which heralded the arrival of a unique and disturbing voice in the world of contemporary drama. They are seminal works in the development of the 'in yer face' theatre that emerged in Britain during the mid-1990s. The three plays here all manifest Ridley's vivid and visionary imagination and the dark beauty of his outlook. They resonate with his trademark themes: East London, storytelling, moments of shocking violence, memories of the past, fantastical monologues, and that strange mix of the barbaric and the beautiful he has made all his own. The Pitchfork Disney was Ridley's first play and is now seen as launching a new generation of playwrights who were unafraid to shock and court controversy. This unsettling, dreamlike piece has surreal undertones and thematically explores fear, dreams and story-telling. The Fastest Clock in the Universe is a multi-award-winning play which caused a sensation when it premiered at Hampstead Theatre in 1992. An edgy and provocative drama, it is now regarded as a contemporary classic. Ghost from a Perfect Place is a scorchingly nasty blend of comedy, spectacle and terror where a monster from the past meets the monsters of the present.
