

Angry Gran

E. Latimer

Angry Granny Rob Alex, Ph.D., Boegley Alex, 2015-12-01

Hilarious adventures abound as Granny comes to live with her grandson and his parents. It is rarely an easy transition when aging parents and grandparents find they need to live with their children, and Angry Granny is no exception. But, on top of Granny's declining memory, she has lost her filter. So, be prepared because even though her grandson isn't used to hearing curse words Angry Granny is about to change that as she regularly let's the a-word fly. It's cute. It's funny. And, it's touching as the experience of having Angry Granny in the house will take you from laughing to saying oh my and right back to giggling again. Rob Alex and Boegley Alex co-wrote Angry Granny, but it all started when Daddy (Rob) started telling Angry Granny bedtime stories to Boegley. The laughter and giggles that poured forth from the bedroom could be heard all the way downstairs. After a few weeks and a long list of Angry Granny adventures, this father-son duo decided to share their knee slapping and sometimes shocking stories with the world. Get ready because these two will take you on quite a journey alongside Angry Granny, and they just may share more of Granny's adventures as time goes by.

Rise and Fall of Mr. Ankh JoAnn De Heart, Tyler De Heart, 2003

To activate my life path, I found I needed to be unrestricted to travel. To travel I needed to be unrestricted. To be unrestricted I had to let go of the past. To let go of the past I had to move on. To move on I had to face the emotions of love and hate, anger and rejection. I needed to love myself enough to stand up for others. This is a direct recount of this passion.

Wrath Peter W. Wood, 2021-10-12 Anger now dominates

American politics. It wasn't always so. "Happy Days Are Here Again"

was FDR's campaign song in 1932. By contrast, candidate Kamala Harris's 2020 campaign song was Mary J. Blige's "Work That" ("Let 'em get mad / They gonna hate anyway"). Both the left and right now summon anger as the main way to motivate their supporters. Post-election, both sides became even more indignant. The left accuses the right of "insurrection." The right accuses the left of fraud. This is a book about how we got here—about how America changed from a nation that could be roused to anger but preferred self-control, to a nation permanently dialed to eleven. Peter W. Wood, an anthropologist, has rewritten his 2007 book, *A Bee in the Mouth: Anger in America*, which predicted the new era of political wrath. In his new book, he explains how American culture beginning in the 1950s made a performance art out of anger; how and why we brought anger into our music, movies, and personal lives; and how, having step by step relinquished our old inhibitions on feeling and expressing anger, we turned anger into a way of wielding political power. But the "angri-culture," as he calls it, doesn't promise happy days again. It promises revenge. And a crisis that could destroy our republic.

Blood Rush Helen Black, 2011-04-21 The UK is gripped by the threat of gang violence - the media is building on that hysteria, convincing us that knife crime is rife and the streets are flooded with guns and drugs. So when a member of a notorious girl gang is charged with a brutal murder, sympathy is in short supply. Enter Lilly Valentine, a tough talking lawyer who is never prepared to take things at face value and is determined to uncover the truth, whatever the cost. A gripping crime novel that will force every reader to reassess what they think they know about society and gang culture. Praise for Helen Black: 'A dark and gripping read that will have you on the edge of your seat' Closer magazine 'A fantastic first novel [A Place of Safety].' Jane Elliott 'Terrific! A great read from start to finish.' [Dishonour] Jessie Keane author of Jail Bird. "Unexpected and moving... A Place of Safety is written with sympathy and humour' EuroCrime

Witches of Ash and Ruin E. Latimer, 2020-03-03 Modern witchcraft blends with ancient Celtic mythology in an epic clash of witches and gods, perfect for fans of V.E. Schwab's *Shades of Magic* trilogy and *The Chilling Adventures of Sabrina*. Seventeen-year-old Dayna Walsh is struggling to cope with her somatic OCD; the aftermath of being outed as bisexual in her conservative Irish town; and the return of her long-absent mother, who barely seems like a parent. But all that really matters to her is ascending and finally, finally becoming a full witch—plans that are complicated when another coven, rumored to have a sordid history with black magic, arrives in town with premonitions of death. Dayna immediately finds herself at odds with the bewitchingly frustrating Meiner King, the granddaughter of their coven leader. And then a witch turns up

murdered at a local sacred site, along with the blood symbol of the Butcher of Manchester—an infamous serial killer whose trail has long gone cold. The killer's motives are enmeshed in a complex web of witches and gods, and Dayna and Meiner soon find themselves at the center of it all. If they don't stop the Butcher, one of them will be next.

READER'S CHOICE WINNER! Sometimes home is the refuge you need—and sometimes it isn't When her aging grandmother needs care, Adelaide Davies returns to Whiskey Creek, the place she once called home. But Adelaide isn't happy to be back. There are too many people here she'd rather avoid, people who were involved in a horribly violent night fifteen years ago. Ever since the graduation party that changed her life, she's wanted to go to the police and make sure the boys responsible—men now—are punished. But she can't, not without revealing an even darker secret. So it's better to pretend.... Noah Rackham, popular, attractive, successful, is shocked when Adelaide won't have anything to do with him. He has no idea that his very presence reminds her of something she'd rather forget. But he was the only good thing to come out of that awful experience, and opening her heart to him could mean finally finding happiness—after all, fear is no match against love.

Brenda Novak Whiskey Creek Series Vol Two Brenda

Novak, 2015-09-14 Join the many readers who've fallen in love with Whiskey Creek, the Northern California town created by New York Times bestselling author Brenda Novak. **HOME TO WHISKEY CREEK** When Adelaide Davies has returned to Whiskey Creek to take care of her aging grandmother, she isn't happy to be back—there

are too many people here who were involved in that terrible June night fifteen years ago, people she'd rather avoid. But popular and successful Noah Rackham is shocked when Adelaide won't have anything to do with him. He has no idea that his very presence reminds her of something she'd rather forget. He only knows that he's finally met a woman he could love. TAKE ME HOME FOR CHRISTMAS Everyone in Whiskey Creek remembers Sophia DeBussi as the town's Mean Girl. Especially Ted Dixon, whose love she once scorned. But Sophia has paid the price—the man she did marry was rich and powerful but abusive. When he goes missing, she learns that he died running from an FBI probe of his investment firm, leaving her penniless and forced to face all the townspeople he cheated. Desperate for work, she accepts a job as housekeeper for Ted, now a successful writer. He refuses to get emotionally involved, but will the holidays bring them another chance at happiness? COME HOME TO ME When Presley Christensen returns to Whiskey Creek with her little boy, she has completely changed her life. Now she's back in the small town that was the closest thing to “home” she ever knew. There's just one catch. Aaron Amos still lives in Whiskey Creek, and no matter how hard she's tried, Presley hasn't been able to get over him. She's come too far to backslide now. And there's a secret she's been guarding—a secret she'll do anything to protect.

Cry me a river Sonya O'Neill, 2013-11-07 Remember the lyrics to an old Bee Gees tune called “Tragedy? How about rearranging them slightly to “When your pants fall down, flashing all of the town, it's a tragedy!” It is a tragic incident for Stella O'Brien, who is new to town. Losing your trou down the catwalk wasn't part of her vision, if you know what I'm saying. And speaking of visions, she didn't exactly visualise herself having to visit her mother in the local psychiatric

hospital, Sunny Haven. “Sunny Haven for the Stark Ravin” is what her family jokingly called it. This is no joke; in fact, jokes and fun hadn’t really been a big feature in Stella’s life for a while now. Stella’s mum gets diagnosed with the big “D” word, depression. But Stella thinks she knows what the real “D” word is: disappointment. Stella is into fashion and design (hence the trouser incident) and her mum’s into nature and saving the world. Stella sees the conflict, and she sets out to make her mum proud. The thing is, Stella doesn’t do things by halves. What Stella has planned not only involves her and her best buddies but the whole community!

Lindsey Macintyre S.A. Cozad,

Revelations Charlotte Phoenix, 2014-10-25 November 2004, investigative reporter Claudia Reynolds Thornton is stunned when 30-year-old family secrets surface, creating a present-day crisis. In her quest to understand the circumstances surrounding the secrecy, she discovers more family secrets, past and present, which challenge her values and beliefs. Through the firsthand accounts of her mother and female ancestors from three prior generations, Claudia is swept along on a fascinating journey through American history from rural Mississippi in the latter half of the Nineteenth Century to Ohio and Michigan in the early Twentieth Century and eventually to New York in 1974. Exploring her ancestors' emotional evolutions against the back drop of romance, racism and ritual responsibility, Claudia is struck by the enduring faith and courage the women show as they face heartache, danger and disappointment. Reflecting on their collective narratives from the past, Claudia discovers surprising truths about herself and her family that help her handle her present-day trials.
