Learning Cursive Writing with Fun Animal Names Melanie Bremner,2018-12-19 Cursive writing can often be challenging for children when they first get started. With this fun workbook, your student can challenge himself/herself to see how many animal names they know and then learn how to write and spell them. 63 pages with animals you can also color in for an extra activity once the writing practice has been completed for each page. This book will be sure to keep your student engages and learning in a fun interactive format. No more whining about having to do homework, your child should be looking forward to completing another page of this book even if they did just come home from their day school. Why don't you challenge your child? I bet there are animal names in here that you don't even know. See how fun it can be to learn something new. I enjoyed creating this book. After spending years trying to keep my learning disabled son focused on what was needed for him to learn each day, I was exhausted. Then I decided to create one of these animal name workbooks for him and sat down with him to talk about the animal of the day. It was fun. And my son stayed engaged. So, I decided to make some more. I know there are other children out there who are a little self-conscious of their setbacks and would be happy to have a fun workbook to explore.

Zoo Animal Alphabet and Baby Animal Numbers Julie R. Tucker,2016-05-20 This book is an excellent teaching tool for your little ones and anyone learning the English language. Teach your child new words, letters, animals, numbers, colors, and sizes. Cute and fun animal alphabet, A through Z. Fun descriptive names and words that begin with the letters of the alphabet to match the zoo animals. Have them tell you the colors of the written words. Talk to your child about Joyful Jewelled Jellyfish, Mighty Messy Monkey, Unique Useful Unicorn, Whistling Wishing Whale, and more. Numbers one through ten with baby animals for counting. The baby animals range in size to teach little ones about large and small. Ask them to find the largest and smallest baby animals. They can use the animals for counting the full amount or only find the largest or smallest animals. Fun for your children to learn with you or on their own. Here are some books from my series of children's books Fun with Friends. Sam and Susie Talk about Zoo Animals is the first book in the series. The second book in the series is Max and Maxine Talk about Outer Space. The third book is Jake and Jennie Talk about Dinosaurs. Fourth in the series is Kylie, Kate, and Cody Talk about Money. Please visit my author's page and let me know how you and your children like the book with a comment or two.
