Zoo Animal Alphabet and Baby Animal Numbers Julie R. Tucker,2016-05-20 This book is an excellent teaching tool for your little ones and anyone learning the English language. Teach your child new words, letters, animals, numbers, colors, and sizes. Cute and fun animal alphabet, A through Z. Fun descriptive names and words that begin with the letters of the alphabet to match the zoo animals. Have them tell you the colors of the written words. Talk to your child about Joyful Jewelled Jellyfish, Mighty Messy Monkey, Unique Useful Unicorn, Whistling Wishing Whale, and more.

Numbers one through ten with baby animals for counting. The baby animals range in size to teach little ones about large and small. Ask them to find the largest and smallest baby animals. They can use the animals for counting the full amount or only find the largest or smallest animals. Fun for your children to learn with you or on their own. Here are some books from my series of children's books Fun with Friends. Sam and Susie Talk about Zoo Animals is the first book in the series. The second book in the series is Max and Maxine Talk about Outer Space. The third book is Jake and Jennie Talk about Dinosaurs. Fourth in the series is Kylie, Kate, and Cody Talk about Money. Please visit my author's page and let me know how you and your children like the book with a comment or two.
