**Minecraft** Billy Miner, 2016-10-21 A Minecraft Box Set with 8 books about several different animals! Book 1: After being thrown into a dumpster and surviving a few obnoxious bullies, Coco the shiatzu discovers endermen in the city. He wants to know more about it and follows them to the forest. What he sees there, is more important than anything else. He goes back to warn his owner and helps save the city. Read about a heroic dog who stood up for himself, despite his height, and tried to help others, even the ones who didn't help him. Book 2: When Jasper finds out that his cat girlfriend becomes a little more demanding than she was at first, he starts having doubts, but when she sends him on a dangerous mission, he really doesn't know anymore. This story involves creepers and Minecraft objects, and a bunch of cats trying to argue over what's best to do. The alleycats in this story are friends, but one of them is constantly lying. Book 3: This book is about a Minecraft super sheep. He is different than others ones, and his name is Matt. He has the ability to fly and to rescue other sheep in danger. But after saving the lives of his fellow sheep one by one, he faces an unexpected threat, a possible calamity which requires his mind to come up with creative solutions and super strength. Find out more about Matt, a Minecraft super sheep with great courage and determination. Book 4: In

this somewhat humorous story, Bart the Bat leads his friends to a desirable place without promises that are too big. He warns them in advance that the blood they are after, isn't worth it, but they insist on going. Little do they know this trip takes them past darting guardians, attacking ender dragons, and ugly werewolves, only to discover the irony of their bad listening skills. Book 5: Brock is a farmer; he has lots of mooshrooms on his fields. But something made the mooshrooms all disappear, and after the farmers come together, they figure there is only one solution to their problem: To find the boy with the magical flute they heard about. Will Brock find the boy? And when he does, is the boy really able to bring back the mooshrooms? Book 6: A donkey, a cow, a sheep, and a pig are exploring the world beyond their farm. Part of the reason they left is the rainstorm, but when they find shelter in a giant mansion and eat however much they want, they also find themselves in a pickle. The mansion is haunted, and it won't release these four friends easily. Moreover, have you ever tried to fight a skeleton horse? Impossible. Learn more about these animals' adventures in the gloomy country side. Book 7: Oliver the Ocelot loves fish. He tries to catch some, but he isn't any good at it. It doesn't help either that another ocelot is mocking him. But when he meets a boy, who is fishing with a fishing rod in the same river, he teams up and becomes his best buddy. Together, they go on a journey and face creepers and dangerous, rocky canyons. Both Oliver and Mason bring out the best in each other's character as they have fun and are confronted with the dangers of the wild. Book 8: Cheryl the Chicken learns about a new thing going on at the farm: Chickens are being eaten. Her previous, naïve brain couldn't comprehend such a horrible occurrence, but this time, she realizes the seriousness of the situation. Read about a

Minecraft chicken who thinks of clever ways to outsmart the farmer and plan an escape route for her and her sister chickens to a land with roosters and freedom.
