Lion and the Fear of Water 3 Dr MC,2016-08-29 Children nowadays have a very short attention span, now you see them watching television, a couple of seconds they are already fighting with each other. And most of the time, parents have a hard time getting their children go to bed, or refuse to join mutual activities. Reading your children with bedtime stories will cultivate imagination, creates a bond between you and your children, encourages love for reading, and establishes a habit. In a big jungle, there lived a lion. The jungle was enormous with so many different tall trees and thick bushes scattered around it. The ground was covered in fallen leaves and tall grass, with many various bugs and beetles living on it. The lion was living there with his animal friends. His best friend, elephant, has just returned from the center of the forest after searching for food. Cheetah was lying on a nearby tree, occupying long lower branch on it. Underneath that tree, there was a small rock formation and just behind it a large lake. It was right in the middle of the jungle and it was a favorite place for all the animals to come and relax during hot summer days.
