Christmas is here and Mr. Willowby's tree has arrived. There's just one big problem: The tree is too tall for his parlor! He cuts off the top so it will fit, and soon the top of that tree is passed along again and again to bring holiday cheer to all the animals in the forest. Kids will love watching the tree move from home to home, and families will appreciate the subtle message of conservation and recycling, as the tree top spreads joy to all. This heartwarming story is the perfect way to start the yuletide season, and a warm addition to any family's festive holiday traditions.

*Christmas Tree!* Florence Minor,2005-09-27 If you were a Christmas tree, what kind of tree would you be? A mighty tree or a tiny tree? A city tree or a country tree? A tree with curious features or a tree made just for creatures? Voyaging from cities to plains and in renderings of things miniature to grand, Wendell and Florence Minor lead young readers on an imaginative journey across America in tribute to one of our most beloved symbols -- the Christmas tree.

*The Finest Christmas Tree* Ann Hassett,2010-09-13 Every year Farmer Tuttle loads his truck with Christmas trees fresh from his farm and drives down to the city to sell them. Then he picks out a special Christmas hat to bring home to Mrs. Tuttle. But one year, people stopped buying real Christmas trees. Fake ones were more convenient, they said. So Farmer Tuttle had to return home without a hat to give his wife. The Tuttles worried; if they couldn't sell their trees anymore, what would they do? Just when they're about to sell all their trees to a man from the sawmill, a mysterious letter arrives requesting Farmer Tuttle's finest tree . . .

*Little Tree's Big Dream* M.J. Albert,2019-12-31 This book was written to be a bedtime story. Hopefully to introduce children to the concept of having a dream and to have goals in life. It's about working for those dreams, and working through the disappointments and sometimes the costs of having dreams. Little Tree grows in the forest with birds and other trees for friends. He feels like he wants something more than what the forest has for him. From his friends the birds, he hears about Christmas Trees and humans. He starts to wish to become a Christmas Tree. He works hard on growing tall and straight with full branches so that one day some humans will come take him. His friends warn him that being a Christmas Tree means he will never come back to the forest and he will go away when Christmas is over. This is a story about having a goal and dream and pursuing the dream no matter what the cost might be. Will Little Tree realize his dream? Will he regret it if he does?

But one day, a few curious men from the nearby city take notice of Alec's glistening great spruce, and ask to take it away for their Christmas celebration. Though it's a huge honor, Alec's heartbroken at the idea of losing his friend. With great courage and creativity, Alec comes up with a plan to save his favorite tree in this joyful holiday tale.
