**Every Day Agent** Whitney Ellis, 2019-10-29 Practical, simple, effective. That's how real estate agents describe Every Day Agent by Whitney Ellis. An experienced agent and broker, Whitney witnessed good people giving up too quickly because they were licensed—but never really trained—in how to sell real estate. Whitney perfected her Every Day Agent system while helping 200-plus real estate agents jumpstart (or restart) their careers. Now, Whitney shares her proven strategies and profoundly simple methods—that add up to more listings, closings, reliable income, and lasting success. Working Florida's most finicky markets, Whitney practiced all that she preaches through good times and catastrophic downturns. Like bottled lightning in quick-to-read chapters, Every Day Agent tells new and seasoned real estate agents what they need to do every day to succeed. From how to get leads and listings to tried-and-true methods used by sales veterans, readers will get started on the right foot to ramp up in real estate sales.

**My Journey as a Realtor** Pat Morrell-Donnelly, 2011-08-09 This is a book about the life and experiences of Pat Morrell as a Realtor, and a real estate broker. On her long journey she spent over fifty one years in the real estate industry as an active agent. She traveled through many valleys and over many mountains, experiencing challenges, losses, and trying times. It required faith, determination, and persistence. There were constant, new experiences, and changes in the market, and the paper work requirements. The book includes articles and poems Pat wrote that were published over the years in the Real Toro, Real Estate Guide, and SACBOR by her real estate board. Some of the articles are motivational, and some are about the lives of realtors, including Presidents of her Board of Realtors. Her book, So You Want To Sell Real Estate was started over thirty years ago, and never

completed. Because of other obligations, and life's challenges, it was filed away until just recently. Those pages are included in her book, as well as other miscellaneous, inspirational, motivational, and thought provoking articles and poems. The survivors can take a trip down memory lane, journeying back through the years.

*Recognize the Difference* Wendy Griffis, 2019-03-12 Identifying a Skilled, Compassionate, and Knowledgeable professional real estate agent can be tough. The question of whom to choose when buying or selling a home is on a lot of people's minds—as I'm sure you know since you picked up this book in the first place. Because real estate agents are often seen as being one and the same, it's no surprise that consumers are swayed by more wallet-friendly opportunities. The truth is, understanding the real estate process is a much more involved decision than asking, How much is it going to cost? Instead, the question should be, Who am I going to use and why? In her book, *Recognize the Difference*, author Wendy Griffis educates you on the ways in which some real estate agents are different, and how to tell the good ones from the mediocre ones. Empowered with that knowledge, you can make an educated decision in choosing an agent based on what matters most to you—not just your wallet.
