The Bible Recap Tara-Leigh Cobble,2020-11-03 Have you ever closed your Bible and thought, What did I just read? Whether you're brand-new to the Bible or you grew up in the second pew, reading Scripture can feel confusing or boring at times. Understanding it well seems to require reading it thoroughly (and even repeatedly), but who wants to read something they don't understand? If you've ever wanted to read through the Bible or even just wanted to want to read it, The Bible Recap is here to help. Following a chronological Bible reading plan, these recaps explain and connect the story of Scripture, section by section. Soon you'll see yourself as a child of God who knows and loves His Word in the ways you've always hoped for. You don't have to go to seminary. You don't need a special Bible. Just start reading this book alongside your Bible and see what God has to say about Himself in the story He's telling. Tara-Leigh gets me excited to read the Bible. Period. I have found a trusted guide to walk me into deeper understanding of the Scriptures.--MICHAEL DEAN MCDONALD, the Bible Project

Acts Annual Bible Study Judson Edwards, 2008-09 Studying Acts may make readers feel as though they are stepping into a different world, a world of miracles, a world where God is alive and moving and doing remarkable things. How can that world intersect ours? How can the old story of people speaking in tongues and raising the dead come alive in a world where no one speaks in tongues and the dead stay dead? How can Acts be relevant to our lives and our church? In Acts, the people who believe in Jesus are filled with the Holy Spirit and set about the business of gathering a community. They have to decide how wide their tent is going to be and whom they're going to embrace, so they give themselves to the task of breaking down walls. Jesus is not just for Jews, they decide. He's for everyone. They launch out spreading the word. Paul becomes the focal point of the story, and he and his friends move about the ancient world telling all kinds of people the good news about Jesus and his resurrection. But there is opposition, and Paul is imprisoned. He is faithful even there, though, taking a stand before the government authorities. By the time the drama of Acts ends, Paul might be confined, but his message most assuredly is not. The gospel has been unleashed throughout that entire part of the world. Gathering a community. Breaking down walls. Spreading the word. Taking a stand. These four phrases organize this study of Acts and guide readers through a world alive with God and God's mighty deeds. And all of us who have drunk too deeply at the wells of reason and rationality will once again pause to wonder and stand rapt in awe.

Scripture Storyline Todd Chipman, 2020-09-15 Scripture Storyline guides the reader through the Old and New Testaments, showing how every section of Scripture is connected as part of a grand narrative of God's redemptive work. As Chipman covers Old Testament passages, he explains their meaning, their place in God's story, and how New Testament authors used and interpreted them to make sense of Christ's life, death, and resurrection. In New Testament passages, Chipman highlights how important the Old Testament is for proclaiming the gospel and for understanding God's saving work. Scripture Storyline is intentionally organized into 313 units of reading to be used as a companion for reading the entire Bible in one year, reading one unit per day, six days per week. Additionally, those studying books of the Bible together may use Scripture Storyline as a concise commentary to aid in comprehension and to facilitate deeper discussion of the meaning of each unit and its place in the Bible's larger narrative. By presenting each part of Scripture in relation to the larger narrative, Chipman invites readers to see Scripture through the lens of biblical theology, which prompts us to consider the progressive nature of God's revelation, the development of theological themes, and the identification of types and patterns that are introduced and then developed from Genesis-Revelation.
