History of Anson County, North Carolina, 1750-1976 Mary L. Medley,1976 About a third of Mr. Gold's account deals with the general history of the county, with the balance devoted to the Civil War. The author provides an overview of the various troop movements throughout the county during the war, such as those under the command of Confederate General Jubal Early. The bulk of the volume examines the roles of Clarke County natives in the conflict.

Cap Anson David L. Fleitz,2014-12-24 Cap Anson’s plaque at the Baseball Hall of Fame sums up his career with admirable simplicity: “The greatest hitter and greatest National League player-manager of the 19th century.” Anson helped make baseball the national pastime. He hit over .300 in all but three of his major league seasons, and upon his retirement in 1897, he held the all-time records for games played, times at bat, hits, runs scored, doubles and runs batted in. For much of his career, he also served as manager of the National League’s Chicago White Stockings (now known as the Cubs), winning five pennants and finishing in the top half of the league in 15 of his 19 seasons. Anson’s career coincided with baseball’s rise to prominence. As the sport’s first superstar, he was one of the best known and most widely admired men in the United States. He took advantage of his fame, starring in a Broadway play and touring on the vaudeville circuit. He toured England, Europe, Egypt, and Australia, introducing baseball throughout the world. Regrettably, he also vehemently opposed the presence of African Americans in the game and played a significant role in its segregation in the 1880s. From Marshalltown, Iowa, to superstar status, this work traces the life and times of Anson and the growth of the national pastime.

Writings of a Rebel Colonel Samuel Walkup,2021-10-19 Lawyer, planter and politician Samuel Hoey Walkup (1818-1876) led the 48th North Carolina Infantry in the Civil War. A devout Christian and Whig nationalist, he opposed secession until hostilities were well underway, then became a die-hard Confederate, serving in the Army of Northern Virginia from the Seven Days battles through Appomattox. Presenting Walkup's complete and annotated writings, this composite biography of an important but overlooked Southern leader reveals an insightful narrator of his times. Having been a pre-war civilian outside the West Point establishment, he offers a candid view of Confederate leadership, particularly Robert E. Lee and A.P. Hill. Home life with his wife Minnie Parmela Reece Price and the enslaved members of their household was a complex relationship of cooperation and resistance, congeniality and oppression. Walkup's story offers a cautionary account of misguided benevolence supporting profound racial oppression.

Cap Anson 2 Howard W. Rosenberg,2004 This is the definitive biography of the Hall of Fame player who was the most likely model, if any single player was, for the title character in Ernest Thayer's 1888 poem Casey at the Bat. A year earlier, Mike Kelly became famous when Chicago sold him to Boston for a then-record price of \$10,000, about \$200,000 today. Until the final year of his life, 1894, he drew exceptionally colorful and informative coverage.

A Ball Player's Career Adrian Anson,2017-05-24 A great story of how baseball got started as a professional sport in America. Anson played on teams prior to the professional leagues, played on early professional teams, and was around for the start of the National League. The first few chapters covered his youth: his lack of success in school, his desire only to be out playing games.
