For now, survival means staying hidden — but what they don't know is that one of them holds the secret to defeating the marrow thieves.

The View from Saturday E.L. Konigsburg,2010-12-21 From the Newbery Medal-winning author of the beloved classic *From the Mixed-Up Files of Mrs. Basil E. Frankweiler* comes four jewel-like short stories—one for each of the team members of an Academic Bowl team—that ask questions and demonstrate surprising answers. How had Mrs. Olinski chosen her sixth-grade Academic Bowl team? She had a number of answers. But were any of them true? How had she really chosen Noah and Nadia and Ethan and Julian? And why did they make such a good team? It was a surprise to a lot of people when Mrs. Olinski's team won the sixth-grade Academic Bowl contest at Epiphany Middle School. It was an even bigger surprise when they beat the seventh grade and the eighth grade, too. And when they went on to even greater victories, everyone began to ask: How did it happen? It happened at least partly because Noah had been the best man (quite by accident) at the wedding of Ethan's grandmother and Nadia's grandfather. It happened because Nadia discovered that she could not let a lot of baby turtles die. It happened when Ethan could not let Julian face disaster alone. And it happened because Julian valued something important in himself and saw in the other three something he also valued. Mrs. Olinski, returning to teaching after having been injured in an automobile accident, found that her Academic Bowl team became her answer to finding confidence and success. What she did not know, at least at first, was that her team knew more than she did the answer to why they had been chosen.

Materialities of Schooling Martin Lawn,Ian Grosvenor,2005-05-16 This is a book with an interest in the materiality of schooling. It is focused on objects in schooling, which, taken individually and together, constitute the sites of schooling. It does not assume a fixed dichotomy between objects and people, in other words, that there is a life of imagination and action, and there are collections of inanimate objects. Nor does it assume that

the technologies and objects of schooling, chained together by routines and action, should remain invisible from inquiry into schools as sites of learning and work. Instead, by drawing attention to the materiality of schooling, that is, the ways that objects are given meaning, how they are used, and how they are linked into heterogeneous active networks, in which people, objects and routines are closely connected, it is hoped that a richer historical account can be created about the ways that schools work.

Priestdaddy Patricia Lockwood,2018-05-01 ONE OF THE NEW YORK TIMES BOOK REVIEW'S 10 BEST BOOKS OF THE YEAR NAMED ONE OF THE 50 BEST MEMOIRS OF THE PAST 50 YEARS BY THE NEW YORK TIMES SELECTED AS A BEST BOOK OF THE YEAR BY: The Washington Post * Elle * NPR * New York Magazine * Boston Globe * Nylon * Slate * The Cut * The New Yorker * Chicago Tribune WINNER OF THE THURBER PRIZE FOR AMERICAN HUMOR “Affectionate and very funny . . . wonderfully grounded and authentic. This book proves Lockwood to be a formidably gifted writer who can do pretty much anything she pleases.” – The New York Times Book Review From Booker Prize finalist Patricia Lockwood, author of the novel No One Is Talking About This, a vivid, heartbreakingly funny memoir about balancing identity with family and tradition. Father Greg Lockwood is unlike any Catholic priest you have ever met—a man who lounges in boxer shorts, loves action movies, and whose constant jamming on the guitar reverberates “like a whole band dying in a plane crash in 1972.” His daughter is an irreverent poet who long ago left the Church’s country. When an unexpected crisis leads her and her husband to move back into her parents’ rectory, their two worlds collide. In Priestdaddy, Lockwood interweaves emblematic moments from her childhood and adolescence—from an ill-fated family hunting trip and an abortion clinic sit-in where her father was arrested to her involvement in a cultlike Catholic youth group—with scenes that chronicle the eight-month adventure she and her husband had in her parents’ household after a decade of living on their own. Lockwood details her education of a seminarian who is also living at the rectory, tries to explain Catholicism to her husband, who is mystified by its bloodthirstiness and arcane laws, and encounters a mysterious substance on a hotel bed with her mother. Lockwood pivots from the raunchy to the sublime, from the comic to the deeply serious, exploring issues of belief, belonging, and personhood. Priestdaddy is an entertaining, unforgettable portrait of a deeply odd religious upbringing, and how one balances a hard-won identity with the weight of family and tradition.
