When God Doesn't Answer Your Prayer Jerry L. Sittser, 2009-10-14 More than a decade ago, Jerry Sittser prayed for the protection of his family, yet three of his loved ones--his daughter, his wife, and his mother--died in an automobile accident. What went wrong? Why wasn't my prayer answered? he asks. It is no longer an abstract question to me. What should we do and how should we respond when our prayers--prayers that seem right and true and good--go unanswered? In *When God Doesn't Answer Your Prayer*, Sittser continues exploring the issues he addressed in *A Grace Disguised*. He asks, Why doesn't God answer our prayers? What, if anything, can we do about it? Sittser is intensely committed to exploring the Christian faith, especially when it doesn't seem to work. In this thoughtful and beautifully written book, he moves beyond easy answers and religious formulas to explore the

goodness and greatness of a God who cannot be controlled but can be trusted. When God Doesn't Answer Your Prayer takes an honest and probing look at the problem of unanswered prayer. In doing so, it draws us ever deeper into a relationship with the God who is the end of all our prayers, the object of our faith, the one who fulfills our deepest longings.

God's Answer Jim Greene, 2012-07-09 Gods Word, the Holy Bible, is more than a history book or even an instruction manual. It is a personal love letter from God to his believers containing very specific promises. Gods answer seeks to link your concerns with his promises and help you pray back the Scripture, his own words, to Him. Jim Greene is a layman Sunday school teacher who challenges himself and his class to enjoy a closer relationship with God. This book, along with his others, *Unlocking Your Spiritual Greatness* and *A Place of Faith*, are practical guides to that closer relationship.

Relevant stories, questions for reflection and discussion, and a comprehensive list of suggested resources help you dig deeper so you can be prepared to give careful answers that explain the reasons for your faith.

10 Questions about Prayer Every Christian Must Answer Elmer L. Towns,Alex

McFarland,2014-03-01 Is God even listening? If God is sovereign and in control, why should I bother praying? Can my will override His will? Public interest in spiritual things is at an all-time high, and one of the most often discussed topics is prayer. Yet there are vexing questions related to our communication with God, and much misinformation is circulated about prayer—even among Christians. Many struggle with hard questions. In fact, there seem to be as many negative attitudes and questions

about prayer as there are positive things said about it. 10 Questions About Prayer Every Christian Must Answer does what other books do not: explore the link between Christian apologetics and prayer. Elmer Towns and Alex McFarland— each with extensive pastoral and academic experience—respond to common objections and questions about prayer, offering biblically informed, well-reasoned answers. This resource will encourage Christian readers in their faith and provide them with help when encountering Christianity's critics. To those who are skeptical about prayer, it offers respectful and carefully reasoned rebuttals to their assumptions.

If Jesus Is the Answer, What Is the Question? James J. Genova PhD, 2016-11-15 In *If Jesus Is the Answer, What Is the Question?*, Dr. Genova reflects on six important questions, each posed by God to his people in the Hebrew scriptures. God asks these questions because we need to examine our own experiences and to use our reason to gain an improved understanding of God, ourselves, our community, and our interrelationships. The questions are: Who is your Lord? Who are you? What do you need? Do you understand? What will God do? How will you respond? Seek each question and the

dialogue with God recounted in the Old Testament. Continue into the Gospels as Jesus asks these same questions. As Jesus said, You diligently study the Scriptures because you think that by them you possess eternal life. These are the Scriptures that testify about me, yet you refuse to come to me to have life (John 5: 39-40).

The Only Answer Is Prayer William McDowell, Jason McMullen, Caleb Grant, 2021-01-05 Prayer is more than important--it's vital. We have to do more than just want God to move in our lives, our families, our nation, and the world. We must actively seek him in prayer! When we call out to God, he hears us, is with us, and helps us. Prayer is never an interruption but always an invitation. God invites us to go deeper in the place of prayer. Using practical teaching and moving testimonies, these Deeper Fellowship Church pastors will help you · hunger to partner with God and discover greater intimacy with Christ · boost your strength to pray till you see results · position yourself to be part of the greatest outpouring of the Spirit the world has ever seen · agree with heaven to see the plans and purposes of God become reality on the earth God doesn't want you to drown in unanswered prayer, but to walk in

authority and to experience his best. You can connect with God right now and experience the life-changing power of his presence with you through prayer.

Eight Questions Paul Gotthardt, 2012-10-08 God doesn't always answer our questions. At times our search for guidance is met with silence. When this happens, frustrated and confused believers wonder why God is ignoring them. It's not that God is ignoring our prayers, but sometimes we need to answer his questions before he answers ours. God's questions challenge us to think differently about what it means to live in the will of God and what it means to truly follow the God who is asking them. **EIGHT Questions** Can show you how to make peace with unanswered questions; live in God's will even when you don't understand what he's doing; and understand how God's teaching style requires radical faith— and brings unbelievable peace.

Your Questions, God's Answers Peter Kreeft, 2017-06-22 Kreeft uses Scripture to provide God's answers to the most common and important questions young people ask about the deeper meaning of life, their own identity, overcoming failure and temptation, the mystery of God's love, and much more.

But these are questions asked not just by teens - they are the same questions adults often ask, and God's answers, as found in the Bible, respond to the deepest needs of people of all ages.

How God Answers Prayer (How to Pray) Elmer Towns, 2011-07-28 What happens when you pray?

This book does not tell you how to get answers to your prayers there are thousands of books like that. This is a radically different book because it approaches prayer from God's perspective. Prayer is relationship with God. When you understand How God Answers Prayer, then you realize prayer is all about trusting your heavenly Father trusting Him to answer what is best for you, how it's best for you, and when it's best for you. Divided into three inspiring sections and bite-size chapters filled with full servings of biblical goodness, you will learn about the following...and much more: God answers when you wait in His presence for the answer. God can give you a vision of how the answer can come. God answers when you yield to His will. Use your faith supernaturally to move God's work forward. God may allow an obstacle to tell you No, it will not happen. When God answers your prayer differently from what you expected. God may say, No, I have a better plan for your life. Well-known author and

respected Liberty University dean and professor, Dr. Elmer Towns sheds light on your innermost desire to communicate with your heavenly Father, and brings your relationship with Him to an even more intimate level of love.

When God Doesn't Answer Your Prayer Gerald Lawson Sittser, 2003 This is a book about the mystery of unanswered prayer. Why does God fail to answer some of the most heartfelt prayers when Scripture promises He will? Sitters probes the hard questions of faith for readers who want to move beyond the clichs.

Questions God Asks Us Trevor Hudson, 2010-12-15 Instead of always looking for answers in the Bible, Trevor Hudson suggests that we start thinking more carefully about the questions that God asks. God desires a conversational relationship with us, and He shows this desire by asking questions. God also gives greater dignity to us by allowing us to wrestle with the questions rather than if we are simply given answers. *Questions God Asks Us* presents ten questions – five from the Old and five from the New Testament – which God had asked and is still asking us as well. They include: Where Are You? Where Is Your Brother? What Are You Doing Here? Who Do You Say I Am? Do You Want to Get Well? Why Are You Crying? There is a much greater power to transform us in a question than there is in a straightforward answer – each chapter includes a section with practical suggestions to answer

God's question and discover this for yourself. It also includes discussion questions for study groups. Questions God Asks Us is bound in a handy gift format with beautiful full-colour images printed on gloss art paper.

Answering God Eugene H. Peterson, 2011-10-25 Eugene H. Peterson speaks to Christians who realize the necessity for prayer and yearn for it but who find their prayer unconvincing and unsatisfying. Addressing the causes of this dissatisfaction, Answering God offers guidelines for using the Psalms as dynamic tools for prayer.

The Answer John E. Hollywell, 2015-10-28 Many years of biblical study have showed John E. Hollywell that most people have never had an accurate explanation of biblical truths and do not know what an amazing inheritance the Bible says they may have once they make Jesus their Lord and Saviour. The chaos the world suffers was foretold in the Bible. Scientists offer explanations, but governments, politicians, and educators have no answers as to why there is such poverty, crime, war, disease, mental health problems, and other forms of misery in the world today. Are there solutions to

all of these issues? Emphatically, the author says, Yes! Hosea 4:6 says that God's people are destroyed through lack of knowledge. This book provides some such knowledge in a simple, readable format. The Answer: God's Covenants of Promise will have achieved its purpose if it can open a reader's eyes to see the Word of God as it was meant to be understood, why seemingly good people worldwide are so hostile and inhumane to each other, and who Jesus is and what was His true purpose for coming. The Answer: God's Covenants of Promise was written for everyone who might seek to know where humanity came from, why we are here, and where we go in the future, into eternity. The Answer: God's Covenants of Promise seeks to answer such scientific, evolutionary, and spiritual questions as What is faith in God? to be found through Jesus of Nazareth, God's son.

God's Answers to Life's Difficult Questions Rick Warren, 2008-09-09 When we have difficult questions, the Bible has answers. Join Rick Warren, pastor and New York Times bestselling author, as he invites us to take a closer look at key biblical figures and the ways in which they faced difficult questions and challenges in their daily lives. In *God's Answers to Life's Difficult Questions*, Warren

uses stories from scripture to teach us that the Bible is filled with examples of real people who faced the same dilemmas we're facing today. By demonstrating the ways in which God chooses to use ordinary people to accomplish his plans--despite their weaknesses and failures--Warren gives us hope as we take on life's countless challenges. Better yet, Warren provides us with realistic solutions that we can start putting into practice today. Taking us inside the lives of biblical characters including Moses, Paul, and Jesus himself, Warren gives us a chance to see the up-close-and-personal ways they navigated their own circumstances. Although *God's Answers to Life's Difficult Questions* is anchored in timeless stories from scripture, Warren also weaves in modern examples that address the twelve questions he's asked the most as a spiritual leader, including: How can I learn to handle discouragement? How can I respond better in a crisis? How do I become more resilient when I feel like a failure? How can I fight my loneliness? How is change possible for me? How can I lead a more peaceful life? The concrete, practical insights that Warren shares in *God's Answers to Life's Difficult Questions* will give you the tools you need to build up your resilience, strengthen your relationship with

God, and finally enjoy a life full of lasting purpose, peace, and significance.

Who Is God? Rev. Dr. Frances McIntyre, 2005-06-23 This book is about who God is, and because of the word of God which is included in this book. You will be blessed and learn somethings about God which you did not know. God is the beginning and the ending. God is the first and last. God is and was before nothing. What is nothing? Nothing does not exist. God is the only true God, because God is the source of all power. God is everywhere. All the time, at the same time. God know everything and God is all powerful. God is the solution and the answer to all problems and every situation regardless of the severity. Most of all God is love and He loves us all with an everlasting love. Read this book and find the answers to these six interrogatives: Who? What? When? Where? How? and Why?

How I Know God Answers Prayer Rosalind Goforth, 1921 IT seems fitting that this little book of personal testimonies to answered prayer should have a brief introductory word as to how they came to be written. The question has been asked by some who read many of these testimonies as they

appeared in the pages of The Sunday School Times: How could you write such personal and sacred incidents in your life? I could not have written them but for a very clear, God-given leading. The story is as follows: When in Canada on our first furloughs I was frequently amazed at the incredulity expressed when definite testimony was given to an answer to prayer. Sometimes this was shown by an expressive shrug of the shoulders, sometimes by a sudden silence or turning of the topic of conversation, and sometimes more openly by the query: How do you know that it might not have happened so, anyway? Gradually the impression deepened: If they will not believe one, two, or a dozen testimonies, will they believe the combined testimonies of one whole life? The more I thought of what it would mean to record the sacred incidents connected with answers to prayer the more I shrank from the publicity, and from undertaking the task. There were dozens of answers far too sacred for the public eye, which were known only to a few, others known only to God. But if the record were to carry weight with those who did not believe in the supernatural element in prayer, many personal and scarcely less sacred incidents must of necessity be made public.

Answering the Toughest Questions About God and the Bible Bruce Bickel,Stan Jantz,2016-10-18

Bestselling Authors Tackle Difficult Issues for Believers and Doubters When it comes to the big questions about God--Is he real? Why are Christians so unlike Jesus? Does he really care about me?--Bruce Bickel and Stan Jantz don't pretend to have all the answers. But they do know how to wrestle with doubt. They welcome questions, and in these pages they ask some of the most important ones you have about God and the Bible. With candor, insight, and a disarming touch of humor, they provide some answers to these critical questions, yet they leave enough space--and grace--for you to keep wrestling, asking, and seeking Truth. There is no shame in asking--after all, even some of the greatest men and women in the Bible had doubts. Don't let your questions go unanswered. What you find might just change your life.
