Other Streets Mark F. Erickson, 2020-05-19 Mark F. Erickson is the author of the photo-book *Other Streets: Scenes from a Life in Vietnam not Lived*. Mark's photobook has been exhibited at the Los Angeles Center of Photography, the Davis Orton Gallery, and the Griffin Museum of Photography. He has been profiled in *The Photobook Journal*, *diaCRITICS: the arts and culture of the Vietnamese and SE Asian diaspora*, the *Worksleeve* podcast, and *VVA (Vietnam Veterans of America) Books*. Mark was born in Saigon in 1972, evacuated as part of Operation Babylift in April 1975, and adopted by an American family in western New York. At Harvard College, he studied documentary photography with Chris Killip (United Kingdom) and David Goldblatt (South Africa). He currently works in New York City.

Record Midwest Center for Photography, Maureen O'Leary, 2021-05-25 *Record*, is a collection of color photographs that is an homage to civic structures through indirect observations. Shot and printed by artist Maureen O'Leary with a layout by designer Matthew Polhamus, the photographs are embedded in a cover that replicates an ordinary government notebook as if the images were the casual and unfocused observations of a mundane work day. The photographs span the motifs of the built environment, bureaucracy, science, parks, equipment and the stewardship of the natural world. The book has a one page essay by O'Leary.

Cemetery Boys Aiden Thomas, 2020-09-01 A trans boy determined to prove his gender to his traditional Latinx family summons a ghost who refuses to leave in Aiden Thomas's New York Times-bestselling paranormal YA debut *Cemetery Boys*, described by Entertainment Weekly as groundbreaking. Yadriel has summoned a ghost, and now he can't get rid of him. When his traditional Latinx family has problems accepting his true gender, Yadriel becomes determined to prove himself a real brujo. With the help of his cousin and best friend Maritza, he performs the ritual himself, and then sets out to find the ghost of his murdered cousin and set it free. However, the ghost he summons is actually Julian Diaz, the school's resident bad boy, and Julian is not about to go quietly into death. He's determined to find out what happened and tie off some loose ends before he leaves. Left with no choice, Yadriel agrees to help Julian, so that they can both get what they want. But the longer Yadriel spends with Julian, the less he wants to let him leave. Praise for *Cemetery Boys*: Longlisted for the National Book Award The novel perfectly balances the vibrant, energetic Latinx culture while delving into heavy topics like LGBTQ+ acceptance, deportation, colonization,

and racism within authoritative establishments. —TeenVogue.com This stunning debut novel from Thomas is detailed, heart-rending, and immensely romantic. I was bawling by the end of it, but not from sadness: I just felt so incredibly happy that this queer Latinx adventure will get to be read by other kids. Cemetery Boys is necessary: for trans kids, for queer kids, for those in the Latinx community who need to see themselves on the page. Don't miss this book. —Mark Oshiro, author of *Anger is a Gift*

Antkind Charlie Kaufman,2021-07-06 The bold and boundlessly original debut novel from the Oscar®-winning screenwriter of *Being John Malkovich*, *Adaptation*, *Eternal Sunshine of the Spotless Mind*, and *Synecdoche, New York*. **LONGLISTED FOR THE CENTER FOR FICTION FIRST NOVEL PRIZE** • “A dyspeptic satire that owes much to Kurt Vonnegut and Thomas Pynchon . . . propelled by Kaufman’s deep imagination, considerable writing ability and bull’s-eye wit.—The Washington Post “An astonishing creation . . . riotously funny . . . an exceptionally good [book].”—The New York Times Book Review • “Kaufman is a master of language . . . a sight to behold.”—NPR **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR AND MEN’S HEALTH** B. Rosenberger Rosenberg, neurotic and underappreciated film critic (failed academic, filmmaker, paramour, shoe salesman who sleeps in a sock drawer), stumbles upon a hitherto unseen film made by an enigmatic outsider—a film he’s convinced will change his career trajectory and rock the world of cinema to its core. His hands on what is possibly the greatest movie ever made—a three-month-long stop-motion masterpiece that took its reclusive auteur ninety years to complete—B. knows that it is his mission to show it to the rest of humanity. The only problem: The film is destroyed, leaving him the sole witness to its inadvertently ephemeral genius. All that’s left of this work of art is a single frame from which B. must somehow attempt to recall the film that just might be the last great hope of civilization. Thus begins a mind-boggling journey through the hilarious nightmarescape of a psyche as lushly Kafkaesque as it is atrophied by the relentless spew of Twitter. Desperate to impose order on an increasingly nonsensical existence, trapped in a self-imposed prison of aspirational victimhood and degeneratively inclusive language, B. scrambles to re-create the lost masterwork while attempting to keep pace with an ever-fracturing culture of “likes” and arbitrary denunciations that are simultaneously his *bête noire* and his *raison d’être*. A searing indictment of the modern world, *Antkind* is a richly layered meditation on art, time, memory, identity, comedy, and the very nature of existence itself—the grain of truth at the heart of every joke.

Unfinished Stories Janet Zandy,Hansel Mieth,Marion Palfi,2013 *Unfinished Stories* presents a parallel study of the lives and narrative photography of Hansel Mieth (1909-1998) and Marion Palfi (1907-1978). Mieth was the second woman staff photographer employed by Life magazine. Palfi's photo of Henry Street Settlement kids was the first cover of Ebony magazine. German born émigrés who never met, they constructed remarkably similar photo narratives of unseen America. They were visual storytellers, artists, and citizen-photographers who do not fit easily into contemporary categories of photojournalism or documentary photography. Great risk-takers, they grasped the complexities inherent in representing human beings as individuals, as part of an ethnic, racial or labor group, and as citizens colonized in their own land. They may have photographed the circumstances of alienation, but their themes involved connection, human relationships, and solidarity. *Unfinished Stories* offers a fresh and theoretically informed eye on representational photography. It forges a place for Hansel Mieth and Marion Palfi in the history of photography and in the history of American race and class struggle.

Lonely Planet Hong Kong Lonely Planet,Emily Matchar,Piera Chen,2017-05-01 *Lonely Planet Hong Kong* is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. Ride the hair-raising tram to Victoria Peak, feast on seafood at Temple Street Night Market, or hike the delightful Hong Kong Trail; all with your trusted travel companion.

American Photography Vicki Goldberg,Robert Silberman,1999 This beautiful and informative photographic history includes images from 1900 to 1999. Many are often seen (bullet piercing the

apple, splashing crown of milk, Sophia Loren looking askance at Jayne Mansfield's plunging decollete, and Dorothea Lange's Migrant Mother); but most are probably unknown, because the photos were selected not only for their visual and cognitive qualities but also for their importance to the history and development of photographic technique and usage. The century is divided into thirds for explanation's sake, and there is at least one photograph for every year. While this is a picture book, the accompanying text provides informative introductions to the uses and abuses of perhaps the century's most important medium. The book is companion to the PBS series. Barbara Crane Barbara Crane, John Rohrbach, Abigail Foerstner, 2009 Barbara Crane's subjects are commonplace: a piece of driftwood, a cluster of wild mushrooms, a crowd of commuters rushing for the train. The resulting photographs, however, are far from ordinary. They are imaginative, peculiar, jarring, and, like their creator, defy easy explanation. For more than sixty years, Crane has forged her own path as a photographer. Lacking a darkroom, she began using Polaroid materials. Lacking suitable models, she paid her children to pose. *Barbara Crane: Challenging Vision* celebrates this Chicagoan's wide-ranging art with a gorgeous collection of more than 250 color and black and white photographs. Once I developed my first role of film in 1948, Crane notes, nothing else mattered. Spanning the breadth of her career, from early studies of the human form to long narrow landscapes evoking Asian scrolls; from silver gelatin and platinum prints to present-day digital works, it is by far the largest and most definitive overview of her work to date. Replete with a critical analysis by John Rohrbach and a biographical essay by Abigail Foerstner, it will delight and challenge anyone interested in contemporary photography.

Gerda Taro Gerta Taro, 2007 Gerda Taro (1910-1937) was the first woman photojournalist to photograph in the heat of battle. Taro was the lover and photographic partner of famed photojournalist Robert Capa and, as his manager, is often credited for launching Capa's career. She and Capa covered much of the Spanish Civil War side by side. Taro was killed in July 1937, while photographing a crucial battle near Madrid. ICP holds what is by far the world's largest collection of Taro's work, including approximately 200 prints as well as original negatives. Organized chronologically, this exhibition will include vintage and modern prints, and magazine layouts using Taro's work. The exhibition will be accompanied by a catalogue, the first major collection of Taro's work ever published.

Capa in Color Cynthia Young, Robert Capa, 2014 This text looks at Robert Capa's colour photography, a little-known but important aspect of the great photographer's work, and includes many never-before-published images. Capa regularly used colour film from the 1940s until his death in 1954. Some of these photographs were published in magazines of the day, but the majority have never been printed, seen, or even studied. *Capa in Color* presents this work as an integral part of his post-war career and fundamental in remaining relevant to magazines.
