Paris Apartment for Rent Peggy Kopman-Owens, 2015-03-17 Paris Mystery, Romantic Comedy. Paris was a property owner's paradise, a place where renters far exceeded the inventory of apartments. So... Why had the beautiful young French woman been so willing to offer a perfect stranger, an American, her apartment and one month free rent? Yes. There were less expensive places in the world to live, but Zack's heart was set on a place of his own in the 6th Arrondissement. And yes, it did matter that it was in this particular neighborhood, where Gertrude Stein had lived and Hemingway had walked. It was a mystery, which demanded investigation, but was discovering the neighbors' secrets worth risking eviction? If only he had paid attention in French class. What was he missing in translation?

Five Flights Up Toni Schlesinger, 2012-04-17 A flop house, a pumping station, a maid's room, a homeless center, a former brothel, a Richard Meier building, a circus trailer, a sail boat, a skyscraper, buildings named Esther and Loraine—just a few of the places New Yorkers call home. For the past eight years writer Toni Schlesinger has been bringing us these conversation places in her weekly column in the Village Voice. Through her incisive questioning, original writing, and comic parallel reveries, Schlesinger creates miniature documentaries on the lives, passions, hopes, and heartbreaks of many of New York City's millions

Chicago's South Shore Charles Celander, 1999 Chicago's South Shore has a mature, urban nature that disguises its evolution from marshland to farmland, and from suburb to city neighborhood. Located between Jackson Park and Seventy-ninth Street, and from Lake Michigan to Stony Island, the marshland of the 1800s was first settled by German and Scandinavian truck and flower farmers. Beginning in the 1890s, the Illinois Central Railroad Electric Line expanded into what was largely undeveloped farmland, setting the stage for one hundred years of development and demographic change. From Hyde Park to Jeffery Manor and South Chicago, the pictures contained in *Chicago's South Shore* show many of the faces, places, and events that marked the evolution of the area. German, Swedish, Irish, and African-American families are just a fraction of the many groups who have called South Shore home. Today, largely through the redevelopment efforts of South Shore Bank, the neighborhood promises to build on its glorious past and play a vital role in Chicago's future.

The 39 Apartments of Ludwig Van Beethoven Jonah Winter,2014-04-30 How hard is it to move 5 legless pianos 39 times? Beethoven owned five legless pianos and composed great works on the floor. His first apartment was in the center of Vienna's theater district... but he forgot to pay rent, so he had to move. (And it's very hard to move a piano. Even harder to move five). Beethoven's next apartment was in a dangerous part of town... so he moved, and the pianos followed on a series of pulleys. Then came an apartment with a view of the Danube (but he made too much noise and the neighbors complained), followed by an attic apartment (where he made even MORE of a rukus), and so Beethoven moved again and again. Each time, pianos were bought, left behind, transported on pulleys, slides, and by movers, all so that gifted Beethoven could compose great works of music for the world.
