F Rizvi

**Gods Behaving Badly** Marie Phillips,2009-02-24 A highly entertaining novel set in North London, where the Greek gods have been living in obscurity since the seventeenth century. Being immortal isn't all it's cracked up to be. Life's hard for a Greek god in the twenty-first century: nobody believes in you any more, even your own family doesn't respect you, and you're stuck in a dilapidated hovel in North London with too many siblings and not enough hot water. But for Artemis (goddess of hunting, professional dog walker), Aphrodite (goddess of beauty, telephone sex operator) and Apollo (god of the sun, TV psychic) there's no way out... until a meek cleaner and her would-be boyfriend come into their lives and turn the world upside down. *Gods Behaving Badly* is that rare thing, a charming, funny, utterly original novel that satisfies the head and the heart.

**New York Magazine** ,1990-02-26 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

**Chasing Aphrodite** Jason Felch,Ralph Frammolino,2011-05-24 A "thrilling, well-researched" account of years of scandal at the prestigious Getty Museum (Ulrich Boser, author of *The Gardner Heist*). In recent years, several of America's leading art museums have voluntarily given up their finest pieces of classical art to the governments of Italy and Greece. Why would they be moved to such unheard-of generosity? The answer lies at the Getty, one of the world's richest and most troubled museums, and scandalous revelations that it had been buying looted antiquities for decades. Drawing on a trove of confidential museum records and candid interviews, these two journalists give

us a fly-on-the-wall account of the inner workings of a world-class museum, and tell a story of outlandish characters and bad behavior that could come straight from the pages of a thriller. "In an authoritative account, two reporters who led a Los Angeles Times investigation reveal the details of the Getty Museum's illicit purchases, from smugglers and fences, of looted Greek and Roman antiquities. . . . The authors offer an excellent recap of the museum's misdeeds, brimming with tasty details of the scandal that motivated several of America's leading art museums to voluntarily return to Italy and Greece some 100 classical antiquities worth more than half a billion dollars." –Publishers Weekly, starred review "An astonishing and penetrating look into a veiled world where beauty and art are in constant competition with greed and hypocrisy. This engaging book will cast a fresh light on many of those gleaming objects you see in art museums." –Jonathan Harr, author of *The Lost Painting*

**New York Magazine** ,1985-10-21 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country.
