Andrea Perron, Author House of Darkness House of Light www.houseofdarknesshouseoflight.com ~ o ~ The spirit world is constantly around us; they don't wait until the middle of the night. I have photographed spirit energy as early as 11:30 in the morning, outdoors on a clear sunny day in May. Learn out about the full body apparitions that were captured indoors by the camera not once, but twice as they moved. My travels have taken me to the Lizzie Borden House, Gettysburg, Rolling Hills Asylum, Eastern State Penitentiary, an amazing haunted B&B in NY State, and many other places. These are the stories behind the photographs and what happened on the investigations. I have experienced objects physically moved by an unknown source, a frightened spirit rush out of a basement and pass through the right side of my body, plus a disembodied male voice whose comment was directed at me. And an unexpected message given by a Medium from a friend's late husband. I was told a list of many items to tell her about, including a broken gravy boat. So enjoy these real ghost encounters from the comfort of your favorite chair. They are ghost stories you can see with your own eyes.

Ghost Photography 101 Fiona Broome, 2011-09-26 Ghost photos... are they real? * Is that orb just dust or pollen or fog? * Is that vortex actually a piece of hair? * Is that apparition really smoke? At first she assumes the ghostly shapes in the photos are a glitch or a prank - but then the spirits begin to hunt her down, and she's forced into a deadly race to free herself from the camera's curse.

Ghost Hunter's Guide to Indianapolis Lorri Sankowsky, Keri Young, 2008-02-29
Excellent ghost book, great photos! Chillingly entertaining. -Kalila Smith, Author, New Orleans Ghosts, Voodoo & Vampires Miami Ghosts, Legends & Mysteries The book shines a paranormal light on several spots around Indianapolis. -Brianna Code, Fortville - McCordsville Reporter It's great to see another excellent book on the haunted history of U.S. cities! From Indianapolis to New Orleans...The paranormal comes alive! Lorri and Keri have succeeded in bringing more attention to the undeniable existence of the spirit world. -Sidney Smith, Owner / Founder, Haunted History Tours, New Orleans, LA The depiction of the paranormal has become prevalent in television and movies in recent years. This intriguing account by ghost hunters Lorri Sankowsky and Keri Young covers everything from high-tech gadgets, to inborn psychic abilities, while instructing readers on how to locate friendly or not so friendly apparitions. This account is equally informative for both the novice and the more experienced paranormal researcher. It offers visitors and residents a chance to see beyond the surface of various haunted locations throughout the area. Numerous sites of criminal activity, suicides, tragic fires and accidents, and disturbed remains abound in Indiana, providing hundreds of opportunities for ghost hunting. ABOUT THE AUTHORS Lorri Sankowsky, along with friend Keri Young, are the former codirectors of The Indiana Ghost Trackers, a prominent paranormal investigation group in the Indianapolis area. Together they have explored

many famous ghostly locations, such as the French Lick Springs Hotel, the legendary Indiana Motor Speedway, and various haunted cemeteries. Sankowski and Young have also conducted paranormal review meetings for more than seventy members of their group and have been able to organize and guide group ghost tours throughout their area. For these two women, inspiration for this book came after many years of researching and exploring haunted locations throughout their region, witnessing first hand some of the strange and unusual events, previously told to them by the various owners and employees of the sites.

Ghost Files Jason Hawes, 2011-09-13 Television's ghost hunters share all of their true stories of unexplained phenomena. These stories are both fascinating and frightening.

Ghosts Lisa Morton, 2015-09-15 From that cheerful puff of smoke known as Casper to the hunkiest potter living or dead, Sam Wheat, there is probably no more iconic entity in supernatural history than the ghost. And these are just recent examples. From the earliest writings such as the Epic of Gilgamesh to today's ghost-hunting reality TV shows, ghosts have chilled the air of nearly every era and every culture in human history. In this book, Lisa Morton uses her scholarly prowess—more powerful than any proton pack—to wrangle together history's most enduring ghosts into an entertaining and comprehensive look at what otherwise seems to always evade our eyes. Tracing the ghost's constantly shifting contours, Morton asks the most direct question—What exactly is a

ghost?—and examines related entities such as poltergeists, wraiths, and revenants. She asks how a ghost is related to a soul, and she outlines all the different kinds of ghosts there are. To do so, she visits the spirits of the classical world, including the five-part Egyptian soul and the first haunted-house, conceived in the Roman playwright Plautus's comedy, *Mostellaria*. She confronts us with the frightening phantoms of the Middle Ages—who could incinerate priests and devour children—and reminds us of the nineteenth-century rise of Spiritualism, a religion essentially devoted to ghosts. She visits with the Indian bhuta and goes to the Hungry Ghost Festival in China, and of course she spends time in Mexico, where ghosts have a particularly strong grip on belief and culture. Along the way she gathers the ectoplasmic residues seeping from books and film reels, from the Gothic novel *The Castle of Otranto* to the 2007 blockbuster *Paranormal Activity*, from the stories of Ann Radcliffe to those of Stephen King. Wide-ranging, informative, and slicked with over fifty unearthly images, *Ghosts* is an entertaining read of a cultural phenomenon that will delight anyone, whether they believe in ghosts or not.
