Budgeting and Financial Management for Nonprofit Organizations Lynne A. Weikart,Greg G. Chen,Ed Sermier,2012-06-22 In the nonprofit sector, money drives mission. Well-managed budgets and investments can spur long-term growth and achievement, while financial mismanagement can damage or destroy an organization. Lynne A. Weikart, Greg G. Chen, and Ed Sermier—in their exciting new text geared wholly to nonprofits—provide the financial tools nonprofit managers need to thrive in pursuit of mission success. Given the wide array of nonprofit managers' backgrounds and a common fear of the financials, the authors explain financial concepts without leaning unnecessarily on intimidating jargon. The result is a practical, accessible resource the prepares the next generation of nonprofit managers in financial planning and analysis as well as conventional and entrepreneurial financial management. Grounded in real-world cases and offering plenty of opportunity for application and practice, *Budgeting and Financial Management for Nonprofit Organizations* helps readers develop a stable fiscal foundation and sound financial strategies for their organizations to prosper in times of economic expansion and contraction.

Introduction to Homeland Security Jane A. Bullock,George D. Haddow,Damon P. Coppola,2011-04-19 Bullock and Haddow have set the standard for homeland security textbooks, and they follow up their top-selling second edition with this substantially improved third edition. Professional practitioners value the decades of experience that the authors bring to their analysis, and their passionate argument for an all-hazards approach

to enhancing America's safety is now presented still more cogently. Links to the most current online government information help to keep the text up-to-date in this rapidly developing field. The bedrock principles of preparing for, mitigating, managing, and recovering from a disaster remain the same through the years, and this revision emphasizes their value with new clarity and conviction. NEW TO THIS EDITION: New chapter on the future of homeland security Updates include developments since 2006, such as the shift from DHS to HHS of National Disaster Medical System Slideshow of key moments in American homeland security, including 9/11 and Katrina
