Durante una excursión con un guapo desconocido, Jill se encuentra de pronto en una lucha de vida o muerte, sin nadie que pueda ayudarla. Jill took a job which sounded perfect for the summer, guiding tourists on trail rides in the beautiful mountains. She didn't realize that the money was terrible, the hours long and the coworkers insufferable. After a blow-up with her boss, she takes a single man into the mountains for a ride, only to finds that he is a dangerous killer. When Jill fights back and manages to escape, she is in a desperate race to survive and make it to safety.

SYSTEMATIC INSTRUCTION IN READING FOR SPANISH-SPEAKING STUDENTS Elva Duran,2013-04-01 Students whose first language is not English are the fastest-growing group in public schools in all regions of the United States. Almost 10 million children between the ages of five and 17 live in the homes and communities in which a language other than English is spoken and presently most schools in the U.S. are under-educating many English learners. The achievement of Hispanic students needs to improve dramatically over the next five years and this book describes the cornerstone elements for bringing about this change. The initial chapter introduces direct instruction to be used with reading and literacy programs. Chapters 2 and 3 provide excellent review of the literature in language development and address developing language instruction, listening, and speaking with Spanish-speaking students and offers what a comprehensive language development program should look like. Chapter 4 reviews academic language and literacy instruction while the next addresses the components of instruction in Spanish. Chapter 6 offers lesson plan suggestions for Spanish-speaking students, while the following two sections discuss components that transfer and do not transfer in Spanish to English reading instruction. Chapter 9 reviews English language development and provides lesson plans for implementing SDAIE programs. Finally, Chapter 10 discusses two-way bilingual immersion and shares actual classroom schedules and lessons. This unique text will help in the preparation of primary grade teachers throughout the U.S. so that they may be successful with Hispanic students entering the public schools with little or no English background. It will also be a useful tool for school districts' staff development in addressing school improvement goals for increasing the achievement of Hispanic students.

Non-fluent Aphasia in a Multilingual World ,1995 Non-fluent Aphasia in a Multilingual World is an up-to-date introduction to the language of patients with non-fluent aphasia. Recent research in languages other than English has challenged our old descriptions of aphasia syndromes: while their patterns can be recognized across languages, the structure of each language has a profound effect on the symptoms of aphasic speech. However, the basic linguistic concepts needed to understand these effects in languages other than English have rarely been part of the training of the clinician.Non-fluent Aphasia in a Multilingual World introduces these concepts plainly and concretely, in the context of dozens of examples from the narratives and conversations of patients speaking most of the major languages of Europe, North America and Asia. Linguistic and clinical terms are carefully defined and kept as theory neutral as possible.Non-Fluent Aphasia in a Multilingual World is especially useful for speech-language pathologists whose patients are immigrants and guestworkers, and for the clinician who must deal creatively with the challenges of providing aphasia diagnosis and therapy in a multicultural, multidialectical setting.

La última cuentista Donna Barba Higuera,2022-11-22 Había una vez . . . Una niña llamada Petra Peña que no quería otra cosa que ser cuentista, como su abuelita. Pero el mundo de Petra está llegando a su fin. La Tierra ha sido destruida por un cometa, y solo unos pocos científicos y sus hijos —entre ellos, Petra y su familia— han sido elegidos para viajar a un nuevo planeta. Son ellos quienes garantizarán la continuidad de la raza humana. Cientos de años después, Petra despierta en el nuevo planeta y descubre que es la única persona que recuerda a la Tierra. Un siniestro Colectivo ha tomado el mando de la nave durante el viaje, empeñado en borrar los pecados pasados de la humanidad. En forma sistemática, han purgado los recuerdos de quienes se habían embarcado... o directamente los han purgado. Solo Petra atesora las historias de nuestro pasado y, con ellas, las esperanzas para nuestro futuro. ¿Podrá devolverles la vida? Donna Barba Higuera, ganadora del Premio Pura Belpré, nos ofrece un viaje brillante al mismo corazón de eso que nos hace humanos.
