Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Double Down Frederick Barthelme,Steven Barthelme,2001-05-21 "An exquisitely crafted memoir" by two brothers who lost their parents, lost their inheritance—and almost lost their freedom (The Wall Street Journal). Frederick Barthelme and his brother Steven were both accomplished, respected writers with stable adult lives when they lost both of their parents in rapid succession. They had already lost their other brother, just a few years earlier. Suddenly they were on their own, emotionally unmoored—and unprepared for what would happen next. Their late father had been a prominent architect, and the brothers were left with a healthy inheritance. Over the following several years, they would lose close to a quarter million dollars in the gambling boats off the Mississippi coast. Then, in a bizarre twist, they were charged with violating state gambling laws, fingerprinted, and thrown into the surreal world of felony prosecution. For two years these widely publicized charges hung over their heads, shadowing their every step. Double Down is the wry, often heartbreaking story of how Frederick and Steven Barthelme got into this predicament. It is also a reflection on the allure of casinos and the pull and power of illusions that can destroy our lives if we aren't careful. "One of the best firsthand accounts ever written about organized gambling. Like Goodman Brown, taking a walk with a hooded stranger into the darkness of the New England woods, the Barthelme brothers suddenly find themselves inside the maw of the monster. The compulsion to control, to intuit the future, to be painted by magic, could not be better or more accurately described." —James Lee Burke "Beautifully evoking the gamblers' addiction, their mesmerizing account is best read as a novel Camus might have imagined, with the writer/protagonists as their own lost characters. A work of high art; enthusiastically recommended." —Library Journal

American Casino Guide Steve Bourie,2004-11 Published annually since 1992, the 2005 edition of this bestselling guide continues to gain fame as the best available source for information on U.S. casinos. The new 2005 edition lists more than 650 casinos in 35 states and comes complete with maps of all states showing where the casinos are located, plus detailed maps of Las Vegas, Atlantic City, Reno and the Mississippi gambling resort towns of Biloxi and Tunica.

Introduction to Statistics Through Resampling Methods and Microsoft Office Excel Phillip I. Good,2005-07-22 Learn statistical methods quickly and easily with the discovery method With its emphasis on the discovery method, this publication encourages readers to discover solutions on their own rather than simply copy answers or apply a formula by rote. Readers quickly master and learn to apply statistical methods, such as bootstrap, decision trees, t-test, and permutations to better characterize, report, test, and classify their research findings. In addition to traditional methods, specialized methods are covered, allowing readers to select and apply the most effective

method for their research, including: * Tests and estimation procedures for one, two, and multiple samples * Model building * Multivariate analysis * Complex experimental design Throughout the text, Microsoft Office Excel(r) is used to illustrate new concepts and assist readers in completing exercises. An Excel Primer is included as an Appendix for readers who need to learn or brush up on their Excel skills. Written in an informal, highly accessible style, this text is an excellent guide to descriptive statistics, estimation, testing hypotheses, and model building. All the pedagogical tools needed to facilitate quick learning are provided: * More than 100 exercises scattered throughout the text stimulate readers' thinking and actively engage them in applying their newfound skills * Companion FTP site provides access to all data sets discussed in the text * An Instructor's Manual is available upon request from the publisher * Dozens of thought-provoking questions in the final chapter assist readers in applying statistics to solve real-life problems * Helpful appendices include an index to Excel and Excel add-in functions This text serves as an excellent introduction to statistics for students in all disciplines. The accessible style and focus on real-life problem solving are perfectly suited to both students and practitioners.

Mixed Plate Jo Koy, 2021-03-23 A stunning, hilarious memoir from beloved comedian Jo Koy, "far and away one of the funniest people out there" (Chelsea Handler). Mixed Plate illuminates the burning drive and unique humor that make Jo Koy one of today's most successful comedians. Includes never-before-seen photos. Well guys, here it is—my story. A funny, sad, at times pathetic but also kick-ass tale of how a half-Filipino, half-white kid whose mom thought (and still thinks) his career goal was to become a clown became a success. Not an overnight success, because that would have made for a really short read, but an All-American success who could give my immigrant mom the kind of life she hoped for when she came to this country, and my son the kind of life I wished I'd had as a kid. With all the details of what it felt like to get the doors closed in my face, to grind it out on the road with my arsenal of dick jokes, and how my career finally took off once I embraced the craziness of my family, which I always thought was uniquely Filipino but turns out is as universal as it gets. In this book, I'll take you behind the mic, behind the curtain—OK, way behind it. From growing up with a mom who made me dance like Michael Jackson at the Knights of Columbus, to some real dark stuff, the stuff we don't talk about often enough as immigrants. Mental health, poverty, drinking. And show you the path to my American Dream. Which was paved with a lot of failure, department store raffle tickets to win free color televisions, bad jokes, old VHS tapes, a motorcycle my mom probably still hates, the only college final I aced (wasn't math), and getting my first laugh on stage. There's photo evidence of it all here, too. In this book, I get serious about my funny. And I want to make you laugh a little while I do it. I'm like Hawaii's favorite lunch—the mixed plate. Little bit of this, a little bit of that. My book Mixed Plate is too.

Exile on Front Street Exile on Front Street George Christie, 2016-09-20 I hadn't planned on writing a book when I quit the Hells Angels. After forty years in the Hells Angels, George Christie was ready to retire. As president of the high-profile Ventura chapter of the club, he had been the yin to Sonny Barger's yang. Barger was the reckless figurehead and de facto world leader of the Hells Angels. Christie was the negotiator, the spokesman, the thinker,

the guy who smoothed things out. He was the one who carried the Olympic torch and counted movie stars, artists, rock musicians, and police chief captains among his friends. But leaving the Hells Angels isn't easy, and within two weeks of retirement, he was told he was "out bad"—blackballed by his fellow Angels, prohibited from wearing the club patch, and even told he should remove his Death Head tattoo. Now Christie sets out to tell his story. *Exile on Front Street* is the tale of how a former Marine gave up a comfortable job with the Department of Defense and swore allegiance to the Hells Angels. In this revealing, hard-hitting memoir, he recounts his life as an outlaw biker with the world's most infamous motorcycle club.

The Mathematics of Poker Bill Chen, Jerrod Ankenman, 2006 For decades, the highest level of poker have been dominated by players who have learned the game by playing it, road gamblers' who have cultivated intuition for the game and are adept at reading other players' hands from betting patterns and physical tells. Over the last five to ten years, a whole new breed has risen to prominence within the poker community. Applying the tools of computer science and mathematics to poker and sharing the information across the Internet, these players have challenged many of the assumptions that underlay traditional approaches to the game.'

Bread Jeffrey Hamelman, 2021-04-06 When *Bread* was first published in 2004, it received the Julia Child Award for best First Book from the International Association of Culinary Professionals and became an instant classic. Hailed as a masterwork of bread baking literature, Jeffrey Hamelman's *Bread* features over 130 detailed, step-by-step formulas for dozens of versatile rye- and wheat-based sourdough breads, numerous breads made with yeasted pre-ferments, simple straight dough loaves, and dozens of variations. In addition, an International Contributors section is included, which highlights unique specialties by esteemed bakers from five continents. In this third edition of *Bread*, professional bakers, home bakers, and baking students will discover a diverse collection of flavors, tastes, and textures, hundreds of drawings that vividly illustrate techniques, and evocative photographs of finished and decorative breads.

Those People Louise Candlish, 2020-05-12 From the author of the international bestseller *Our House*, a new novel of twisty domestic suspense asks, "Could you hate your neighbor enough to plot to kill him?" Lowland Way is the suburban dream. The houses are beautiful, the neighbors get along, and the kids play together on weekends. But when Darren and Jodie move into the house on the corner, they don't follow the rules. They blast music at all hours, begin an unsightly renovation, and run a used-car business from their yard. It doesn't take long for an all-out war to start brewing. Then, early one Saturday, a horrific death shocks the street. As police search for witnesses, accusations start flying—and everyone has something to hide.

Sonic Universe #45 Ian Flynn, Tracy Yardley!, Jim Amash, Jack Morelli, Steve Downer, *Race for the Stars*. It's a special tie-in event as Sonic Universe showcases *Sonic & All-Stars Racing Transformed!* Racers from across the SEGA games have come together for the second annual All-Stars Gran Prix! But the nefarious Dr. Eggman has joined the roster and plans on not only conquering the race, but multiple worlds as well! It's the first game crossover event in Sonic Universe history - and it's only available in this special stand-alone issue!

Thrilling Cities Ian Fleming,2017-07-11 'On November 2nd armed with a sheaf of visas...one suitcase...and my typewriter, I left humdrum London for the thrilling cities of the world...' In 1959, Ian Fleming, the creator of James Bond, was commissioned by the Sunday Times to explore fourteen of the world's most exotic cities. Fleming saw it all with a thriller writer's eye. From Hong Kong to Honolulu, New York to Naples, he left the bright main streets for the back alleys, abandoning tourist sites in favour of underground haunts, and mingling with celebrities, gangsters and geishas. The result is a series of vivid snapshots of a mysterious, vanished world.

Morals and Markets D. Friedman,D. McNeill,2013-07-08 Friedman and McNeill draw on recent research in evolutionary game theory and behavioral economics to explore the relationship between our moral codes and our market systems. They show how imbalance between morals and markets is at the root of the recent corporate scandals in the US as well as the global financial crisis the world continues to face.
