Lights! Camera! Arkansas! Robert Cochran,Suzanne McCray,2015-02-02 Lights! Camera! Arkansas! traces the roles played by Arkansans in the first century of Hollywood's film industry, from the first cowboy star, Broncho Billy Anderson, to Mary Steenburgen, Billy Bob Thornton, and many others. The Arkansas landscape also plays a starring role: North Little Rock's cameo in *Gone with the Wind*, Crittenden County as a setting for *Hallelujah* (1929), and various locations in the state's southeastern quadrant in 2012's *Mud* are all given fascinating exploration. Robert Cochran and Suzanne McCray screened close to two hundred films—from laughable box-office bombs to laudable examples of filmmaking -- in their research for this book. They've enhanced their spirited chronological narrative with an appendix on documentary films, a ratings section, and illustrations chosen by Jo Ellen Maack of the Old State House Museum, where Lights! Camera! Arkansas! debuted as an exhibit curated by the authors in 2013. The result is a book sure to entertain and inform those interested in Arkansas and the movies for years to come.

The All-American Girls Professional Baseball League Record Book W.C. Madden,2008-02-27 For a dozen years during the 1940s and 1950s more than 600 women played professional baseball in the All-American Girls Professional Baseball League. Some of these women compiled some eye-popping statistics unequaled by their male counterparts: Sophie Kurys swiped 200 bases in one season; Joanne Winter hurled 63 consecutive scoreless innings; pitcher Jean Faut sported a .910 winning percentage one season. Few know that Joanne Weaver was the last professional baseball player to hit .400 in a season: .429 in 1954. This reference book contains the hitting, fielding and pitching records of all women who played in the AAGPBL during its 12-year history. The book also contains all of the team and individual playoff records of the league, compiled for the first time. Included herein are rosters of the all-star teams, as well as a listing of all pitching and batting champions. A brief history of the league is recounted. Complementing the statistics are photos of the league championship teams and key players.
