Lars Dunberg

*The Bible in Arabic* Sidney H. Griffith,2015-10-27 From the first centuries of Islam to well into the Middle Ages, Jews and Christians produced hundreds of manuscripts containing portions of the Bible in Arabic. Until recently, however, these translations remained largely neglected by Biblical scholars and historians. In telling the story of the Bible in Arabic, this book casts light on a crucial transition in the cultural and religious life of Jews and Christians in Arabic-speaking lands. In pre-Islamic times, Jewish and Christian scriptures circulated orally in the Arabic-speaking milieu. After the rise of Islam--and the Qur'an's appearance as a scripture in its own right--Jews and Christians translated the Hebrew Bible and the Greek New Testament into Arabic for their own use and as a response to the Qur'an's retelling of Biblical narratives. From the ninth century onward, a steady stream of Jewish and Christian translations of the Hebrew Bible and New Testament crossed communal borders to influence the Islamic world. The Bible in Arabic offers a new frame of reference for the pivotal place of Arabic Bible translations in the religious and cultural interactions between Jews, Christians, and Muslims.

**Arabic Holy Bible** World Bible Translation Center,2009-05-01 Prepared especially for people who want an Arabic translation that accurately expresses the full meaning of the original text in a style that is clear and easy to understand. Designed to help people avoid the most common obstacles to reading with understanding. Includes aids to help the reader, including the following: a glossary of difficult words and maps.

**The Bible in Arab Christianity** David Richard Thomas,2007 This collection illustrates the place of the Bible in Arab Christianity as a source of authority and information about Christian experiences under early Islam, and the importance attached to upholding its authenticity in the face of Muslim criticisms.

**Christ in Islam** Ahmed Deedat,199? The Christian does not know that the true spirit of charity which the Muslim displays, always, towards Jesus and his mother Mary spring from the fountainhead of his faith the Holy Qur'an. He does not know that the Muslim does not take the holy name of Jesus, in his own language, without saying Eesa, alaihi assalam (Jesus, peace be upon him) The Christian does not know that in the Holy Qur'an Jesus is mentioned twenty five times.

**The 99 Beautiful Names of God for All the People of the Book** David Bentley,2020-04-06 In a bridge-building exercise between Christians, Muslims, and other people of the book, David Bentley traces the Semitic pre-Islamic origins of Islam s 99 names of God. He points the reader to Old Testament counterparts of these names as well as to Jesus comparable representations of Himself.

*Faith to Faith* CHAWKAT MOUCARRY,2020-05-21 Is it possible for Christians and Muslims to engage in meaningful dialogue, in genuine and truthful debate? Do we dare to put our faith on trial? To listen to each other in the best possible way, and to give the reason for the hope that we have, with gentleness and respect, as we are commanded? The two faiths hold much in common, tracing their roots back to a common ancestor. And yet they have always held to something of a ghetto mentality. Mutual ignorance is the price paid for trouble-free co-existence, and for some, perhaps, the price for survival. Prejudice and misunderstanding leads to confrontational debate, where one side tries to ridicule, attack and defeat the other. Political correctness and tolerance simply leads to superficial agreement. Chawkat Moucarry believes that there is a better way. Ever since he surprised the religious Education teacher by asking if he could attend the Islamic class at high school, he has been wholeheartedly committed to genuine Christian Muslim dialogue. His prayer is that this book will help us to gain a better understanding of each other's faith, as well as our own, and above all a better understanding of the founder of that faith.

**The Contested Origins of the 1865 Arabic Bible** David D. Grafton,2015-11-09 The Contested Origins of the 1865 Arabic Bible examines the history of a translation begun by American missionaries within the changing social context of late Ottoman Syria, and utilized an international network of scholars working on textual manuscripts of the Bible.

**The Bible, the Koran, and the Talmud** ,1846 This collection of important scriptural stories was drawn from the Koran and other Arabic manuscripts describing the lives of the prophets. The introduction speculates that Mohammed's instruction in Jewish and Christian tradition was given to him orally by people from those faiths. Some footnotes compare the stories collected here with the same stories from the Talmud or Bible or otherwise comment on the differences in detail.

**Islam and the Bible** Ayman S. Ibrahim,Ant Greenham,2023-12-01 As early as the seventh century, Christians living and ministering in Muslim contexts adapted their language and public witness to Islamic cultural and religious sensitivities. In *Islam and the Bible*, editors Ayman S. Ibrahim and Ant B. Greenham invite leading voices, representing a spectrum of approaches, to explore the issues surrounding “Muslim Idiom Translations” of the Bible. This work will be insightful for students, theologians, missiologists, missionaries, and Bible translators seeking wisdom and clarity on gospel contextualization.

**Noah's Other Son** Brian Arthur Brown,2014-01-08 Noah's Other Son examines twenty-five familiar figures who play major roles in the Qur'an and in both Old and New Testaments of the Bible, revealing how understanding the characters in these texts can point the present-day Muslim, Jew, and Christian toward a more mature and tolerant concept of religion. Noah's Other Son serves as an introduction to the place of the Qur'an in Muslim and world culture, as well as a tool to help equip all moderate religious people to deal with extremism wherever it may be found.

**The Plain Truth about God 101** Allan W. Janssen,2006-07 Allan W. Janssen has published: The Plain truth About God-101 (what the church doesn't want you to know). God-101 presents a fascinating insight into how the original cult teachings of Jesus were altered by Greek philosophy, Pagan beliefs and Pauline thought to become the sayings of The Christ and the basis of our modern Bible. God-101 gives an analysis of how the priesthood has corrupted Christianity and the other major religions. It shows how Dogma has led to the polarization of different sects within the same religion, (Catholic/Protestant - Shiite/Sunni) and how religious strife affects society as a whole, including the upcoming world - wide clash between Christianity and Islam! *A Christian Guide to the Qur'an* Raouf Ghattas,Carol Ghattas, A Christian guide to the Qur'an will prepare Christians to understand the central messages of the Qur'an in simple terms, and illustrates how knowledge of Islam's sacred text can provide bridges to religious understanding and evangelism.--From back cover

*The Bible, the Koran, and the Talmud* G. Weil,2015-07-19 Excerpt from The Bible, the Koran, and the Talmud: Or, Biblical Legends of the Mussulmans, Compiled From Arabic Sources, and Compared With Jewish Traditions Dr. Weil has stated in his Introduction to these Legends, that he chiefly extracted them from original Arabic records, which are still received by Mohamedans as the inspired biographies of the ancient patriarchs and prophets. It must still further be added that the leading ideas of these Mohamedan legends, i.e. their prominent historical narratives, and the doctrines and precepts which they either state expressly, or imply, are contained in the Koran. In some instances it gives their minutest particulars. Indeed it would seem as if these legends formed part at least of what the founder of the Mohamedan faith terms the mother of the book, indicating that they preceded his Koran in order of time, and embodied the germ of that faith which he subsequently developed.
